- 5.2 An *additional cardholder* must protect their *access method* in the same way as this contract requires *you* to protect *your access method*.
- 5.3 An *additional cardholder's* access to, and operation of *your account* is governed by the relevant provisions of this contract. *You* should ensure that any *additional cardholder* has read and understood and complies with this contract. If any *additional cardholder* does not comply with this contract, *you* will be in breach of this contract.
- 5.4 An *additional cardholder* is able to use a *card* on, and otherwise operate *your account* in every way available to *you* and *you* consent to such use of *your account*.
- 5.5 *You* are liable to pay for any use of *your account* by an *additional cardholder* as if *your account* had been used by *you*.

- 6.2 Each *card* remains *our* property.
- 6.3 *We* may issue replacement *cards* at any time.
- 6.4 All *cards* are subject to this contract.

7 Linked accounts

- 7.1 *We* may allow *you* to link a *card* to other accounts *you* have with *us* or *we* may link the *card* on *your* behalf for the purposes of operating those accounts.
- 7.2 This contract is in addition to and does not replace the terms and conditions for any *linked account*.
- 7.3 *Users* may be able to use the *access method* to access the full *credit limit* of that account. *You* should be aware that *you* increase the possible risk of loss for which *you* could be liable should an *access method* be used without a *user’s* knowledge and consent.

8 Security of access methods

- 8.1 The security of the *card*, *identification reference*, *memorable word* and *PIN* is very important as their use by any *person* provides access to *your account*. *Users* must take care to ensure that *their card*, *identification reference*, *memorable word* and *PIN* record are not misused, lost or stolen and that they do not become known to anyone else.
- 8.2 This clause contains guidelines which should be followed by each *user* to ensure the security of the *access method*. These

guidelines provide examples of security measures only and will not determine *your* liability for losses resulting from unauthorised *EFT transactions on your account*. Liability for unauthorised *EFT transactions* will be determined in accordance with condition 13 and the ePayments Code.

Security Guidelines

- 8.3 To protect the *card* a *user* should:
- (a) sign the *card* as soon as it is received;
 - (b) carry the *card* whenever possible;
 - (c) always keep the *card* in a safe, secure place and check regularly to ensure it has not been lost or stolen;
 - (d) when an *EFT transaction* is complete, remember to take the *card* and any receipt; and
 - (e) do not permit any other *person* to use the *card*.

To protect the *identification reference* a *user* should:

- (a) not tell or give the *identification reference* to anyone, and
- (b) take care to prevent anyone seeing the *identification reference* when entering it at *electronic equipment*.

To protect the *PIN* a *user* should:

- (a) memorise the *PIN* when it is received. Once memorised, destroy *our* notification of the *PIN*. If a *user* forgets the *PIN*, they may apply to *us* for it to be reissued;
- (b) if *we* allow *users* to select or change a *PIN*, *users* should not select a *PIN* which represents a name, birth date, telephone number or anything else which could be associated with them;
- (c) do not keep a record of the *PIN* in a way in which it can be determined by another *person*;
- (d) do not record the *PIN* on the *card*;
- (e) do not record the *PIN* with the *card* number;
- (f) do not record the *PIN* on any article normally carried with or kept near a *card* and which is liable to loss or theft with the *card* without making a reasonable attempt

- to disguise the *PIN*;
- (g) do not record the *PIN* on *electronic equipment* or related articles without making a reasonable attempt to disguise the *PIN* or prevent unauthorised access to the record;
 - (h) do not disclose the *PIN* or allow it to be seen by any *person* (including a family member, friend or a member of *our* staff);
 - (i) be ready to use the *PIN* and *card* when at *electronic equipment*;
 - (j) use care to prevent anyone else seeing the *PIN* being entered at an *EFT terminal*, including by watching out for mirrors, security cameras or other means which might enable other people to see the *PIN* being entered, and by shielding the *PIN* when it is entered;
 - (k) check that the correct amount is entered before authorising a *transaction*; and
 - (l) if it is suspected that someone else may know the *PIN*, contact *us* immediately to request the issue of a new *PIN* and *card*.

To protect the *memorable word* a user should:

- (a) not tell or give the *memorable word* to anyone, and
- (b) take care to prevent anyone seeing the *memorable word* when entering it at *electronic equipment*.

8.4 If a memory aid is required to recall the *memorable word* or *PIN* such a record may be made provided the record is reasonably disguised. Examples which *we* do not consider provide a reasonable disguise are:

- (a) recording the *memorable word* or *PIN* as a series of numbers with any of them marked, circled or highlighted to indicate the *memorable word* or *PIN*;
- (b) recording the *memorable word* or *PIN* with surrounding information which makes it stand out from its context;
- (c) recording the *memorable word* or *PIN* as a string of digits in isolation from other information unless the context provides adequate disguise;
- (d) recording the disguised *memorable word* or *PIN* on the *card*; and

- (e) disguising the *memorable word* or *PIN* by reversing the number sequence;
- (f) describing the disguised record as a '*memorable word* or *PIN* record' or similar;
- (g) disguising the *memorable word* or *PIN* using alphabetical characters or numbers eg. A = 1, B = 2, C = 3, etc, or in any other easily understood code;
- (h) if we allow *users* to select or change the *PIN*, selecting or disguising the *PIN* using any of the following combinations (or parts of them), with the *PIN* in its correct sequence within the combination:
 - dates of birth;
 - personal telephone numbers;
 - car registration numbers;
 - family members' names;
 - social security numbers; or
 - licence numbers;
- (i) recording the *PIN* as a:
 - birth date;
 - postcode; or
 - telephone number,
 without additional features of disguise; or
- (j) storing the *memorable word* or *PIN* in any low security electronic device of any kind, such as (but not limited to):
 - calculators;
 - personal computers; or
 - electronic organisers.

There may be other forms of disguise which may be similarly unsuitable because of the ease with which another *person* may discern the *memorable word* or *PIN*.

8.5 *Users* must exercise extreme care if a memory aid is recorded for the *PIN*.

9 Reporting lost or stolen cards, unauthorised use of a card or breach of PIN security

9.1 *Users* must notify *us* immediately if a *card* is lost, stolen or misused, if the *PIN* is known to someone else or if a *transaction* is suspected to have been made on *your account* without a *user's* authority.

- 9.2 *Users* may notify *us* in Australia by telephoning *our* lost or stolen *cards* number on 1800 029 951 (24 hours).
If overseas, *users* should notify *us* by telephoning 61 2 9005 8511 (reverse charges). These numbers are available 24 hours.
- 9.3 *Users* will need to give *us* all relevant information they may have, so that *we* can suspend a *user's card* access to *your account*. *Users* must confirm in writing any notice given to *us* by telephone.
- 9.4 When the matter is reported *users* will be given a notification number (or other form of acknowledgment). That number or other form of acknowledgment should be retained as confirmation of the date and time of the report.
- 9.5 If for any reason the above facilities are unavailable and this prevents notification, *you* will not be liable for any unauthorised *EFT transaction* which could have been prevented during this period if the *user* had been able to telephone *us*, provided *we* are notified within a reasonable time of the telephone number becoming available again.
- 9.6 If a *user* recovers a *card* that has been reported lost or stolen, the *card* must not be used again. Instead, the recovery should be reported to *us* or, where the *user* is overseas, to any financial institution displaying the Visa or MasterCard symbols.
The *card* should then be returned to *us* (cut in half for *your* protection).

10 Using the card

Using the card to obtain goods and services

- 10.1 *We* have no control over the hours a *merchant*, financial institution or *our* agents may be open for business. The hours during which an *EFT terminal* will be available may therefore vary in accordance with their opening hours.
- 10.2 A *card* may not be accepted by *merchants* or financial institutions who are not members of, or participants in the applicable *card scheme* for your credit card.
- 10.3 Some *transactions* need authorisation

from *us*. *We* may choose not to authorise a proposed *transaction*.

- 10.4 Once authorisation for a *transaction* is obtained, it will reduce the amount of available funds in *your account*. If the *transaction* is not completed, the amount of available funds in *your account* may temporarily continue to be reduced by the amount authorised.
- 10.5 Use of a *card* is an irrevocable order by a *user* to *us* to process the *transaction*. *We* are unable to alter or stop payment of a *transaction* prior to its presentation for processing. However, if *you* dispute a *transaction* in accordance with condition 16, *we* may seek to obtain a refund for *you* under the rules of the applicable *card scheme* for your credit card.
- 10.6 *We* are not responsible for goods or services obtained by using the *card*, unless the law makes *us* liable. Therefore, if a *user* has any complaints about goods or services, they must be taken up with the *merchant*.
- 10.7 *You* agree that the amounts shown on each *sales voucher* where provided are sufficient evidence of the cash price of the goods or services to which the voucher relates.

At a merchant

- 10.8 The *card* can normally be used to obtain goods and services at *merchants* (such as shops, vehicle repairers, restaurants and theatres) in Australia and overseas where the symbol applicable to your *card scheme* is displayed.
- 10.9 The fact that *card* promotional material or your *card scheme* is displayed at a *merchant's* premises cannot be taken as a warranty by the *merchant* or a guarantee by *us* that all goods and services available there may be obtained by using the *card*. *We* are not responsible if a *merchant* refuses to accept or honour the *card*, does not allow cash withdrawals or places other limitations on using the *card*.
- 10.10 *Users* must check that the correct amount appears in the "total" box on a voucher before signing a voucher.

Through mail order, telephone, the internet or other means

10.11 *Users* can use the *card* to obtain goods and services through mail order, by telephone, over the internet and by other means accepted by *us* from time to time, where the *merchant* accepts that form of payment.

Using the card to obtain cash

10.12 *Users* may be able to obtain cash on *your account* by presenting the *card* at a branch counter of a financial institution or otherwise instructing *us* to make a *cash advance* and *our* agreeing to process such *cash advance*.

10.13 When obtaining cash at a branch of a financial institution, *users* may be required to produce suitable identification which identifies the holder of the *card* (such as photographic driver's licence or passport).

10.14 *Users* may also be able to obtain cash with the *card* from any *ATM* or from any financial institution branch throughout the world displaying the symbol applicable to your *card scheme*.

10.15 *We* do not warrant that *ATMs* will always have money available.

10.16 The minimum and maximum amount of cash which can be obtained using the *card* may vary depending at which financial institution the *card* is used.

10.17 Some *merchants* who have *EFT terminals* may also allow *users* to withdraw cash from *your account* at the same time as the *user* pays for goods or services.

10.18 A fee will apply where a *user* obtains cash on *your account* by presenting the *card*. The fee is disclosed in the *schedule*.

Regular Payment Arrangements

10.19 *You* are encouraged to maintain a record of any *regular payment* arrangement *you* elect to enter into with a *third party*.

10.20 To either change or cancel any *regular payment* arrangement a cardholder should contact the *third party* at least 15 days prior to the next scheduled payment. Until the cardholder attempts to cancel the *regular payment* arrangement HSBC must accept the *third party's* transaction. If possible

the cardholder should retain a copy of their change/cancellation request. Should the *third party* fail to act in accordance with these instructions you may have rights to a dispute in accordance with condition 16.

- 10.21 Should your *card number* be changed i.e. as a result of a lost or stolen *card* you must request the *third party* to change the details of your existing *regular payment* arrangement to ensure arrangements continue. If you fail to undertake this activity your *regular payment* arrangement either may not be honoured by the financial institution or the *third party* may stop providing the goods and/or services. This may incur fees and charges.

Transfers

- 10.22 Should you elect to close *your* card account or *your* account is closed by HSBC you should contact the *third party* to revise your *regular payment* arrangement as the *third party* may stop providing the goods and/or services.

11 How we process transactions if the card is used outside Australia

- 11.1 The way transaction amounts are converted to Australian dollars is determined by the applicable *card scheme* for your *card*.
- (a) For HSBC Visa credit cards, *transactions* made overseas are converted from the currency of the *transaction* to the Australian dollar equivalent as at the date they are processed by Visa International Service Association at rates determined by them.
- (b) For HSBC MasterCard credit cards, *transactions* made overseas in currencies other than United States dollars are converted into United States dollars before being converted into the Australian dollar equivalent as at the date they are processed by MasterCard International Incorporated at rates determined by them.
- 11.2 Any statement entries for *transactions* made in a foreign currency include the following components:
- (i) the foreign currency *transaction* amount;
 - (ii) the Australian dollar *transaction*

equivalent; and

- (iii) an *overseas transaction charge* charged to *you* and which is a percentage of the Australian dollar *transaction* amount.

11.3 Any statement entries for *transactions* made in any currency (including AUD) that is processed by the *card scheme* or billed by the merchant outside of Australia will include the following components:

- (i) the *transaction* amount;
- (ii) where the *transaction* has been processed in a currency other than AUD, the Australian dollar *transaction* equivalent; and
- (iii) an *overseas transaction charge* charged to *you* and which is a percentage of the Australian dollar *transaction* amount.

12 Using an EFT Terminal

12.1 When a *card* is used (with or without the *PIN*) at an *EFT terminal*, *you* authorise *us* to act on the instructions entered into the *EFT terminal*.

12.2 If it is not possible to carry out the instructions given at an *EFT terminal* on *your account*, the *transaction* will not be accepted.

12.3 Money is at *your* risk from when it becomes visible or available to a *user* at an *ATM*.

13 Liability for unauthorised EFT Transactions

13.1 This clause deals with *your* liability for *EFT transactions* on *your account* which are not authorised by a *user*. It does not apply to any *transaction* carried out by a *user* or by anyone else who does so with a *user's* knowledge and consent.

Authorised transactions

13.2 *You* are liable for all *EFT transactions* carried out in respect of *your account* with the knowledge and consent of a *user*.

Circumstances where you will not be liable

13.3 *You* are not liable for any loss caused by an unauthorised *EFT transaction*:

- (a) occurring before the *user* has received the *card*, *PIN* or *identification reference* and

- memorable word* which forms part of their *access method*;
- (b) occurring after notification to *us* that a *card* has been misused, lost or stolen or that *PIN* or *identification reference* and *memorable word* security has been breached;
 - (c) relating to a forged, faulty, expired or cancelled *access method*;
 - (d) resulting from the fraudulent or negligent conduct of *our* employees, *our* agents, companies involved in networking arrangements or *merchants* who are linked to the electronic funds transfer system or their employees or agents;
 - (e) where it is clear that the *user* has not contributed to such loss;
 - (f) due to the same *transaction* being incorrectly debited to *your account* more than once; or
 - (g) where the *transaction* can be made using an *identifier* without a *PIN* or *card*. Where a *transaction* can be made using a *card*, or a *card* and an *identifier*, but does not require a *PIN*, *you* will be liable only if the *user* unreasonably delays reporting the loss or theft of the *card*.

Circumstances where you will be liable

- 13.4 Where *we* prove on the balance of probabilities that a *user* has contributed to losses in respect of an *account* resulting from an unauthorised *EFT transaction* by:
- (a) the *user's* fraud;
 - (b) voluntarily disclosing the *PIN* or *identification reference* and *memorable word* to anyone, including a family member or friend;
 - (c) writing or indicating the *PIN* or *identification reference* and *memorable word* on the *card*;
 - (d) keeping a record of the *PIN* or *identification reference* and *memorable word* with any article or articles carried with the *card* or which might be lost or stolen with the *card*, without taking reasonable steps to carefully disguise the *PIN* or *identification reference* and *memorable word* or prevent

- unauthorised access to that record;
- (e) where the *access method* comprises a *PIN* or *identification reference* and *memorable word* without a *card*, keeping a record of the *PIN* or *identification reference* and *memorable word* on the one article or on several articles which might be lost or stolen simultaneously, without taking reasonable steps to carefully disguise the *PIN* or *identification reference* and *memorable word* or to prevent unauthorised access to that record;
 - (f) if we allow the *user* to select or change the *PIN* or *identification reference* and *memorable word*, selecting a *PIN* or *identification reference* and *memorable word* which represents the *user's* birthday or a recognisable part of the *user's* name; or
 - (g) acting with extreme carelessness in failing to protect the security of the *PIN* or *identification reference* and *memorable word*, you will be liable for the losses which occur before we are notified of the unauthorised use, loss or theft of the *card* or breach of *PIN* or *identification reference* and *memorable word* security, or by:
 - (h) unreasonably delaying notification to us of the unauthorised use, loss or theft of the *card* or the *PIN* or *identification reference* and *memorable word* becoming known to someone else, you will be liable for the loss occurring between when the *user* became aware of the loss, theft or unauthorised use (or should reasonably have become aware in the case of a lost or stolen *card*) and when we were actually notified.

However, in all cases you will not be liable for:

- (a) that portion of the losses incurred on any one day which exceeds the daily *transaction* limit applicable to the use of the *card* or *account*;
- (b) that portion of the losses incurred in a period which exceeds any other periodic *transaction* limit applicable to that period;
- (c) that portion of the losses incurred on any *account* which exceeds the balance of that *account* including any prearranged credit;

- (d) losses incurred on any *accounts* which *you* had not agreed with *us* could be accessed using the *card* and *PIN* or *identification reference* and *memorable word*; or
 - (e) losses that would exceed the amount of *your* liability had *we* exercised *our* rights (if any) under the rules of the applicable *card scheme* against other parties to that scheme.
- 13.5 Where more than one *PIN* is required to perform a *transaction* and HSBC proves that a *user* breached the security requirements in clause 8 for one or more, but not all, of the required *PINs*, *you* are liable under clause 13.4 only if HSBC also proves on the balance of probability that the breach of the security requirements in clause 8 was more than 50% responsible for the losses, when assessed together with all the contributing causes.
- 13.6 Effective from 29 March 2013, *you* are liable for losses arising from unauthorised transactions that occur because a *user* contributed to losses by leaving a *card* in an *ATM*, except where the *ATM* did not contain reasonable safety standards that would mitigate the risk of a *card* being left in the *ATM*.
- 13.7 If the *PIN* or *identification reference* and *memorable word* is required to perform the unauthorised *EFT transaction* and condition 13.4 does not apply, *your* liability for loss arising from an unauthorised *EFT transaction* on *your account*, if the loss occurs before *we* are notified of the unauthorised use, loss or theft of the *card* or breach of *PIN* or *identification reference* and *memorable word* security, is the lesser of:
- (a) \$150, or a lower figure determined by HSBC;
 - (b) the balance (including any prearranged credit) of the *account* or the linked *account* from which value was transferred in the unauthorised *transaction*;
 - (c) the actual loss at the time *we* are notified of the unauthorised use, loss or theft of the *card*, or of the *PIN* or *identification reference* and *memorable word* becoming known to someone else, (except that

portion of the loss incurred on any one day that exceeds any applicable daily or other periodic *transaction* limit); or

(d) the amount of *your* liability had *we* exercised our rights (if any) under the rules of the applicable *card scheme* against other parties to that scheme.

13.8 Notwithstanding any of the provisions contained in this clause, *your* liability will not exceed *your* liability under the ePayments Code.

14 Liability for other unauthorised transactions

If, in cases not involving *EFT transactions*, a *card* is used without a *user's* authority, *you* are liable for the actual loss arising from the unauthorised *transaction(s)* before *we* are notified of the unauthorised use (except that portion of the loss incurred on any one day which exceeds any applicable daily or other periodic *transaction* limit) less any amount recovered by *us* in the exercise of *our* rights (if any) under the rules of the applicable *card scheme* against other parties to that scheme.

15 Electronic banking system malfunction Alternative procedure

15.1 If the electronic banking system malfunctions, alternative manual procedures may be available from the *merchant* for retail point of sale *transactions* by using the *card* and signing a *user's* authorisation of the *transaction*.

Liability

15.2 *We* will make all reasonable efforts to ensure that the *electronic equipment* or system provided by or on behalf of *us* is operational and is functioning correctly. *We* are not liable to *you* if that *electronic equipment* or system does not accept a *user's* instructions, or if an *access method* fails to operate the *electronic equipment* or system.

If the *electronic equipment* or system provided by or on behalf of *us* accepts a *user's* instructions, *we* are liable for any loss caused if that *electronic equipment* or system fails to complete the *transaction* in accordance with those instructions.

If the *user* should have been aware that

the *electronic equipment* or system was unavailable for use or not functioning correctly, *our* liability is limited to correcting errors in *your account* and refunding any charges or fees charged as a result.

16 Resolving disputes

IMPORTANT NOTICE

- 16.1** If a *user* has a complaint concerning matters relating to the use of a *card*, including a disputed, unauthorised or irregular *transaction* (including telephone and internet *transactions*) or if a *user* believes there is an error on an *account* statement, the *user* must tell *us* immediately and no later than 30 days after the date of the *account* statement by telephoning 132 152 or contacting their HSBC branch. *We* may decide to resolve the complaint under the rules of applicable *card scheme*. If *we* do so, resolution of the complaint will be governed by the time limits imposed by those rules and if a *user* delays notifying *us* of any apparent error, *our* ability to investigate and resolve the complaint may be restricted or lost. For this reason *users* must report any suspected unauthorised *transaction* to *us* as soon as possible and no later than 30 days after the date of the *account* statement. The timeframe for disputing a *transaction* may not apply to reporting unauthorised *EFT Transactions* covered by the ePayments Code. *We* will investigate disputed transactions covered by the ePayments Code for a period of six years after the date of the disputed transaction.
- 16.2** If *we* are unable to resolve the matter immediately to the *user's* satisfaction, the *user* should notify *us* in writing of their complaint. *We* may ask the *user* to provide further details of the complaint, including information concerning each *transaction* the *user* wishes to query. When *we* receive this advice *we* will inform the *user* in writing of *our* procedures to handle and investigate the matter.
- 16.3** Within 21 days after receiving the relevant details of the complaint from the *user*, *we* will advise the *user* in writing of either the

outcome of *our* investigation or *our* need for more time to complete *our* investigation. In all but exceptional cases (of which *we* will advise the *user* in writing) *we* should complete *our* investigation within 45 days of receiving the complaint.

- 16.4 Subject to condition 16.5, where an investigation continues beyond 45 days, *we* will write to the *user* and inform them of the reasons for the delay and provide the *user* with monthly updates on the progress of *our* investigation and a date when a decision can be reasonably expected, except where *we* are awaiting a response from the *user* and *we* have advised the *user* of this fact.
- 16.5 If *we* resolve the complaint by exercising *our* rights under the rules of the respective *card scheme* *we* will:
- (a) apply the time limits under those rules to condition 16.3;
 - (b) comply with condition 16.4 as if the reference to “45 days” read “60 days” and the reference to “monthly updates” read “updates every two months”;
 - (c) inform the *user* in writing of when a decision can be reasonably expected; and
 - (d) suspend *your* obligation to pay any amount which is the subject of the complaint or any credit or other charges related to that amount until the complaint has been resolved. *Your* obligation to pay any such amount or charges will be reinstated if the complaint is not resolved in the *user’s* favour.

Please note that although *we* are a member of the *card schemes*, *we* cannot automatically exercise *our* rights under these schemes. A disputed *transaction* must fall within a specific category before *we* can exercise *our* rights in respect of that *transaction*. Even if *we* can exercise *our* rights, there is no guarantee that *our* claim will be accepted, as the *merchant’s* bank may dispute *our* claim.

- 16.6 *We* will advise the *user* in writing of the right to take a matter to an external dispute resolution scheme if the matter may be heard by that scheme where *we* have not given the

user a final decision on the matter within 5 days of that right arising.

- 16.7 When *we* complete *our* investigation *we* will advise the *user* in writing of the outcome, the reasons for *our* decision with reference to any relevant provisions of the ePayments Code as reflected in this contract, and any further action the *user* can take in respect of the complaint. If the *user* is not satisfied with *our* decision, they may wish to take the matter further. The *user* may, for instance, request a review of the decision by *our* senior management or by the Australian Financial Complaints Authority. *We* will advise the *user* of any such options and of other avenues of dispute resolution that are available at the time.
- 16.8 If *we* decide that *your account* has been incorrectly debited or credited, *we* will promptly adjust *your account* (including appropriate adjustments for any interest and any fees and charges) and tell *you* in writing of the amount which has been debited or credited to *your account* as a result.
- 16.9 If *we* decide that *you* are liable for all or part of the disputed *transaction*, *we* will provide *you* with copies of any document or other evidence on which *we* based *our* decision and also advise *you* in writing if there was any system or equipment malfunction at the time of the *transaction*.
- 16.10 If *we* fail to observe the appropriate procedures for complaint investigation and resolution, allocation of liability and communication of the reasons for *our* decision set out in this contract and such failure prejudices the outcome of *our* investigation of the complaint or results in unreasonable delay in its resolution, *we* may be liable for part or all of the amount of the *transaction* which is the subject of the complaint.

17 Cancellation, Suspension, and Return of the Card

- 17.1 *We* may, at any time without prior notice, cancel or *suspend* a *card*, ask for the return of a *card*, retain a *card* presented to *us* or another *person*, close or *suspend* *your account*, or otherwise cancel access to *your account*.

- 17.2 A *card* or *account* must not be used after we have notified *you* of our actions contemplated in condition 17.1, and when we give *you* such notice of those actions *you* must return the *card* to *us* (cut in half for *your* protection) or satisfy *us* that all *cards* have been destroyed. *You* will be liable for any use of a *card* until all *cards* are returned to *us*. *Users* must also cancel any standing debit authorities in respect of that *account*.
- 17.3 *You* must also return all *cards* (cut in half for *your* protection) or satisfy *us* that all *cards* have been destroyed if *we* request *you* to do so.
- 17.4 *You* may close *your* account at any time by telling *us* in writing. *You* may also close *your* account at any time by telling *us* via our website www.hsbc.com.au or calling *us* or visiting one of our branches. *You* will need to cut the *card* in half and securely dispose of the *card*.

18 Payment on cancellation

- 18.1 If *you* or *we* close *your* account, or if *we* cancel access to *your* account, including by cancelling a *card*, *you* must immediately:
- (a) pay the *total amount owing*;
 - (b) pay any amounts debited at any time which are incurred after the time of cancellation; and
 - (c) cancel all authorities to institutions to debit *your* account. Until notification is given *you* will be liable for any further debits to *your* account.
- 18.2 *You* acknowledge that there is no agreement, arrangement or understanding between *you* and *us* that *we* may only demand repayment when a particular event occurs or does not occur.

19 Changes

Right to change

- 19.1 Subject to the remainder of this condition 19, *we* may at any time:
- (a) change an *annual percentage rate*;
 - (b) change the amount, method of calculation, frequency or time for payment of minimum repayments; and
 - (c) change the amount, frequency or time for 28

payment of a fee or charge or impose a new fee or charge.

- 19.2 *We* may change any provision of this contract in addition to those specifically mentioned.

Notification of change to an annual percentage rate

- 19.3 *We* will notify *you* of a change under condition 19.1(a) in writing or by advertisement in the national or local media no later than the day the change takes effect. If *we* advertise the change *we* will give *you* details of the change before or when the next statement of *account* is sent to *you* after the change takes effect.

Notification of a change to repayments

- 19.4 *We* will notify *you* of a change under condition 19.1 (b) in writing no later than 20 days before the change takes effect.

However, if the change reduces *your* obligations or extends the time for payment under this contract, *we* will give *you* details of the change as required by law no later than the day on which the change takes effect.

Notification of a change to a fee or charge and of a new fee or charge

- 19.5 *We* will notify *you* of a change under condition 19.1(c):

(a) in the case of a change to the amount of a fee or charge or a change to the frequency or time for payment of a fee or charge – in writing or by advertisement in the local or national media no later than 20 days before the change and then by giving *you* details of the change before or when the next statement of *account* is sent to *you* after the change takes effect; and

(b) in the case of the introduction of a new fee or charge – in writing no later than 30 days before the change takes effect.

However, if the change reduces *your* obligations or extends the time for payment under this contract, *we* will notify *you* by advertising in the national or local media or write to *you* no later than the day on which the change takes effect.

Notification of other changes

- 19.6 *We* will give *you* written notice of a change

under condition 19.2 (except an increase, cancellation or reduction in a *credit limit*) no later than 30 days before the change takes effect. However, if the change reduces *your* obligations or extends the time for payment under this contract or involves an increase, a cancellation or a reduction in a *credit limit*, *we* will provide *you* with details of the change as required by law no later than the day on which the change takes effect.

- 19.7 Despite condition 19.6, *we* may not give advance notice when changes are necessitated by an immediate need to restore or maintain security of the system or of individual *accounts*.

20 Limits

Credit Limit

- 20.1 Subject to any *transaction* limits which *we* may impose on *your account*, *we* make funds available up to the *credit limit*.
- 20.2 *You* must not allow the *unpaid balance* to exceed the *credit limit* unless *we* have consented in writing or *we* otherwise authorise the *transaction* which results in the unpaid balance exceeding the *credit limit*. By authorizing a *transaction* which results in *your* unpaid balance exceeding your credit limit, *we* are temporarily increasing *your credit limit*. If the *credit limit* is exceeded without *our* approval *you* must immediately repay the excess. *We* need not ask *you* for that amount first.
- 20.3 *You* may ask *us* to permanently increase *your credit limit* at any time. *We* are not required to agree to any such request. *We* may only increase *your credit limit* at *your* request or with *your* written consent. However, *we* may reduce the *credit limit* or stop providing further credit without *your* consent. Unless *you* are in default, *we* will give *you* notice as soon as practicable after *we* do so. *You* may ask *us* to reduce *your credit limit* at any time. *You* can do this by calling *us*, instructing *us* via our website www.hsbc.com.au or visiting one of *our* branches. If *you* owe *us* more than what *you* want *your new credit limit* to be then *you* will have to pay that excess to *us* before *we* can reduce *your credit limit*.

- 20.4 *You may ask us to temporarily increase your credit limit at any time. We are not required to agree to any such request, this is a service we make available to you so that you do not accidentally embarrass yourself by inadvertently exceeding your credit limit, however if we form the view that your financial circumstances cannot justify a temporary credit limit increase we will not increase your credit limit. You can request a temporary increase of your credit limit in one of two ways:*
- i. *by way of a formal request, that is, you ask us for and we agree to provide you with, an increase to your credit limit before you authorise any payments from your account that, would cause your account to go over its credit limit; or*
 - ii. *by way of an informal request, that is, where you authorise a payment to be made from your account which, if made by us, would cause your account to go over the credit limit without having agreed with us in advance an increase in your existing credit limit on your account to cover such payment.*
- 20.5 *If we receive an informal request for a temporary credit limit increase from you, we will consider your request and if we agree to it, we will provide you with an increase to your existing credit limit to cover the purchase concerned. In return for providing this Service to you, if we agree to your informal request, an Over Limit Arrangement fee may be charged. You will not be charged further Over Limit Arrangement Fee(s) provided your account does not go any further over its credit limit.*
- 20.6 *We may not be able to grant every request you make for a credit limit increase. Where we decline an informal credit limit increase request we will not charge an Over limit Arrangement Fee.*
- 20.7 *If we decide not to provide you with any further credit:*
- (a) *no further credit will be provided under this credit card contract;*
 - (b) *your obligations under this credit card*

contract will continue until *you* pay *us* the total amount owing;

- (c) we may require *you* to pay *us* on demand the *total amount owing*;
- (d) if *we* do not require *you* to pay *us* on demand the *total amount owing*, statements of *account* will continue to be issued until the *total amount owing* has been paid in full, and *you* must pay the minimum repayments set out in each statement of *account*.

General Transaction Limits

- 20.8 *We* may impose either a permanent or temporary maximum limit on the total amount of cash or value *users* can obtain with the *card*.
- 20.9 *You* agree that *we* have no obligation to inform *you* of *our* intention to impose a temporary maximum transaction limit (for instance because the *transactions* appear to be suspicious or fraudulent) on the total maximum amount of cash or value *users* can obtain with the *card*.
- 20.10 Where *we* impose a permanent maximum limit on the total amount of cash or value *users* can obtain with the *card* we will inform *you* of that limit. The limit may operate for a period such as a daily *transaction limit*.
- 20.11 *Merchants, our agents* and other financial institutions may impose their own restrictions on the amount of cash or value *users* can obtain with a *card*.
- 20.12 In addition to any other *transactional limits*, *we* may impose a maximum limit on the total maximum amount of cash or value *users* can obtain with the *card* on any one day. For this purpose each day ends at midnight. Currently the maximum daily limit is \$1,000 per *account*. *We* will notify *you* of any changes to that limit in accordance with this *credit card contract*.

21 Annual percentage rates and interest charges

- 21.1 The *annual percentage rate* applicable to *your account* is shown in the *schedule* or as notified to *you* in accordance with this *loan agreement*.

Interest free days on purchases

- 21.2 If the *schedule* indicates that an interest free period applies to *your account*, then *we* do not charge interest on a *purchase* that is listed on a statement of *account* if:
- (a) the *opening balance* of that statement is zero (excluding the amount of any *purchases* made under a *special promotion*); and
 - (b) *you* pay the *closing balance* (excluding the amount of any *purchases* made under a *special promotion*, but only during the *special promotion period*) of that statement of *account* in full by the *due date* shown and *you* paid the *closing balance* (excluding the amount of any *purchases* made under a *special promotion*, but only during the *special promotion period*) of the previous statement of *account* in full by the *due date* shown on that statement.

However, if *you* do not pay the *closing balance* (excluding the amount of any *purchases* made under a *special promotion*, but only during the *special promotion period*) by the *due date*, then *we* charge interest on the outstanding amount from the day after the *due date*.

No interest free days on purchases

- 21.3 If the *schedule* indicates that an interest free period does not apply to *your account*, then *we* charge interest on a *purchase* from:
- (a) the date of the purchase, as shown on *your statement* of *account* if the date of the *purchase* was after the start date of the statement period to which the statement of *account* relates; or
 - (b) the first date of the statement period of the statement of *account* if the date on which *you* made the *purchase* was before the start of the statement period to which the statement of *account* relates,
- until the *closing balance* of that statement of *account* and any subsequent statement of *account* is repaid in full by the *due date*.

Cash advances

- 21.4 Interest is charged on a *cash advance* from:

- (a) the date of the *cash advance*, as shown on *your* statement of *account* if the date of the *cash advance* was after the start date of the statement period to which the statement of *account* relates; or
- (b) the first date of the statement period of the statement of *account* if the date on which *you* made the *cash advance* was before the start of the statement period to which the statement of *account* relates, until the *cash advance* is repaid in full.

Interest calculations

- 21.5 The interest charge for each statement period is calculated by:
- (a) for each day in the statement period, applying the *daily percentage* rate to:
 - (i) the unpaid balance for the end of that day (excluding any *cash advances* which are calculated in accordance with clause 21.4 and where any *purchases* or other *transactions* which are subject to a *special promotion* while a *special promotion rate* applies or to which condition 21.2 applies have been excluded from the relevant *unpaid balance*); and
 - (ii) the outstanding amount of *any purchases* on which interest will be charged in accordance with condition 21.2; and
 - (iii) adding any interest calculated during the previous statement period, and for which interest had not yet been debited, but which becomes due in accordance with condition 21.2; and
 - (b) for each day in the statement period, applying the applicable *special promotion rate* to the relevant *unpaid special promotion balance* for the end of that day.
 - (c) for each day in the statement period, applying the applicable *cash advance rate* to the relevant unpaid *cash advances* for the end of that day.
- 21.6 We debit interest charges to *your account* (which increases the *unpaid balance*) on the last date of the statement period each month (but the interest charges are not included

in the unpaid *balance* for the calculation of interest on those days).

22 What you must pay

- 22.1 *You* must pay at least the minimum repayment set out in each statement on or before the *due date*.
- 22.2 *You* may pay more or all of the *closing balance* if *you* wish.
- 22.3 If there is an overdue amount shown on the statement, *you* must immediately pay *us* that amount. *We* need not ask *you* for that amount first. This amount is in addition to *your* minimum repayment.

How payments may be made

- 22.4 *You* may pay:
- (a) at the location of any participating institution as nominated by *us*;
 - (b) by direct debit from approved accounts;
 - (c) by posting a cheque together with the applicable portion of the statement to *us*;
 - (d) by *Bpay*®, through *your* participating financial institution from *your* nominated savings or cheque account; or
 - (e) by any other means as advised by *us* from time to time.

Payments made to *your account* may not be credited to *your account* on the day of lodgment. The processing may take a number of days. *You* should allow sufficient time for payments to be received and processed by *us* before the *due date*.

- 22.5 *You* may not make payments in any other way. Payments overseas are also not possible. However, if *you* are overseas when a payment is due, *you* must still ensure that any minimum repayment is made.
- 22.6 *You* must always pay *us* in Australian dollars. If *we* agree to accept payment in another currency:
- (a) *your* payment will be converted to Australian dollars at *our* rates and will be credited to *your account*; and
 - (b) *you* must pay any currency conversion fee specified in the *schedule*.
- 22.7 Cheques and other non-cash payments

deposited to *your account* are not available to be drawn against until cleared and paid.

- 22.8 If *you* wish to make payments by direct debit, *you* must advise *us* in writing of *your* request authorising *us* to debit payments from an account nominated by *you*. In these circumstances, the Direct Debit Request Service Agreement at the rear of these Conditions of Use will apply.
- 22.9 If *you* make a payment by an *EFT transaction*, and *we* identify a discrepancy between the amount recorded by the *electronic equipment* or *access method* as having been deposited and the amount received by *us*, *we* will notify *you* of the difference as soon as possible and advise *you* of the actual amount credited to *your account*.

How we deal with payments

- 22.10 *We* will allocate *your* payments against that part of the *closing balance* of the previous statement of *account* which attracts the higher rate of interest and remains payable to *us*. Where the *closing balance* has been paid, *we* will allocate *your* payments to the *unpaid balance* in this manner.
- 22.11 *You* may request *us* to allocate *your* payments in a different way. In doing this, *you* may be liable to pay an amount of interest that is more than what *you* would ordinarily pay to *us*. *We* do not have to agree to *your* request.
- 22.12 Where *you* have applied for HSBC Card Repayment Protection Insurance with AIG Life:
- (a) *You* authorise HSBC to debit from *your account* any premium payable to AIG Life;
 - (b) Once *you* have made a claim and if AIG notify HSBC that the claim is approved then a temporary block will be put on *your* HSBC Credit Card account until the end of the claim period. The block will stop *you* from using *your* HSBC Credit Card *account*. *You* will be unable to make payments from *your* HSBC Credit Card *account* during this period and *you* will have to cancel any standing direct debit instructions paid from *your* HSBC Credit Card *account*.
- 22.13 If *you* make a payment which is credited to *your account* and then subsequently reversed

(for example, when a payment is dishonoured), when reversing the payment and debiting *your account* we may treat the payment reversal as a *purchase*.

23 Fees and charges

Enforcement expenses may become payable under this contract in the event of a breach.

General

- 23.1 (a) Other than Government Fees and Charges the Fees and Charges we debit to *your account* from time to time are debited by *us* for the provision, to *you*, of a *service*. We will debit these Fees and Charges in the event that *we* believe *you* require *us* to provide a specific *service* in order to assist *you* in better managing *your account*. These *services* occur in the event that *you* fail to make a payment pursuant to clause 22.1 or do so after the *due date*, we will debit the amount of the late payment reminder fee from *your account* and in return we will monitor *your account* more closely and a staff member may attempt to contact *you* to bring this matter to *your* attention and assist *you* by suggesting ways to make *your* future payments on time or by suggesting *you* utilize a different payment method. If *you* remedy the situation before we are able to bring the late payment to *your* attention we will still charge the fee and *you* will be able to use this *service* any time before the next *due date*; and
- (b) These Fees and Charges for *services* will also include the cost of what is charged to *us* by other financial institutions, banks and service providers who charge *us* for returning payments that *you* attempt to make from *your account*, via the payment systems that they own. We have little control over the fees and charges charged to *us* by other financial institutions and banks and service providers.
- (c) Regardless of whether or not we provide you with the *service* before or after we debit the fee to *your account* and subject to condition 23.4, *you* must pay *us*:
- (i) all credit fees and charges in the circumstances indicated in the *schedule*

or as changed under condition 19.1(c);
and

- (ii) all new fees and charges *we* impose under condition 19.1(c);
- (iii) an amount equal to any government charges and duties, if applicable, on receipts or withdrawals under this contract calculated in accordance with the relevant legislation, which are payable whether or not *you* are primarily liable for such charges and duties; and
- (iv) any enforcement expenses *we* reasonably incur in enforcing this contract after a default, including *our* legal costs on a solicitor-client or indemnity basis, all of which are payable when *we* ask.

23.2 If *we* are liable to pay *GST* on a supply made in connection with this contract, *you* agree to pay *us* on demand an amount equal to the consideration payable for the supply multiplied by the prevailing *GST* rate. If *we* are liable to pay any amount to any other party on a supply made in connection with this contract, *you* agree to pay *us* on demand an amount equal to that amount.

23.3 If under any law within or outside Australia, any interest *you* must pay under this contract is subject to deduction or withholding of *tax*, *you* agree:

- (a) to pay a further amount such that after the deduction or withholding, *we* receive the interest free of any deduction or withholding;
- (b) to pay to the relevant revenue authority the amount of *tax* deducted or withheld on or before the *due date* for the payment of that amount;
- (c) to advise *us* in writing, within 14 days of the *tax* being deducted or withheld, of the amount deducted from the interest;
- (d) to provide to *us* the official receipt issued by the relevant revenue authority evidencing the payment of the amount deducted or withheld within 14 days of receiving that receipt; and
- (e) that, should *you* fail to meet *your* obligation to deduct or withhold, and as a result, an

assessment, demand or notice is issued to *us* by the relevant revenue authority, *you* will indemnify *us* for *our* having to comply with such assessment, demand or notice, including any applicable interest and penalties.

- 23.4 All fees are non-refundable. However, a government or third party fee or charge will only be payable to the extent of the actual amount finally determined as being payable to the relevant third party.

24 Using your account

- 24.1 *Your account* may be used by:
- (a) using the *card* with or without the *PIN*;
 - (b) using the *identifier* together with the *PIN, memorable word, or identification reference*; or
 - (c) any other method approved by *us*.
- 24.2 *You* authorise *us* to debit to *your account* all:
- (a) *purchases*;
 - (b) *cash advances*;
 - (c) interest charges;
 - (d) fees and charges; and
 - (e) other money owing to *us* under this contract.
We may do so on or after the date *we* pay them or the date they become due or payable by *you* or *us* (whichever is earlier).
- 24.3 *Your account* must only be used for lawful personal, domestic or household use. *We* reserve the right to determine what *transactions* constitute lawful personal, domestic or household use.

25.2. *Phone banking service*

25.2.1 The *user* of the *phone banking service* can access the *phone banking service* using a *PBN/card number* and an *access code*. If a *user* changes the *PBN* and *access code* for one *access method*, the new *PBN* and *access code* may apply to the other *account/card* linked to that *user*. A *user* must protect the *PBN* and *access code*.

25.2.2 *Users* must notify *us* immediately if any of the *PBN* and *access code* is lost, stolen or misused, if any of the *PBN* and *access code* is known to someone else, or if a transaction is suspected to have been made on *your account* without a *user’s* authority, in the same manner as clause 9 requires for a lost *card* or *PIN*.

25.4 *Internet banking service*

Users may be authorised by *us* to register and use the *internet banking service* in relation to the *cards* and to access *credit cards online*. The *internet banking service* is, however, governed by the terms and conditions contained in the HSBC Internet Banking Combined Product Disclosure Statement and Supplementary Product Disclosure Statement that will be or has been provided to *you* when you register for the *internet banking service*.

- 26.1 If *you* breach this contract, *we* may do any or all of the following (subject to condition 26.2):
- (a) close or *suspend your account*;
 - (b) cancel or *suspend a card*;
 - (c) cancel or *suspend your membership of the rewards program and the rights and benefits attributable to such*;
 - (d) require the return of a *card*;
 - (e) use any money *you* have in any other account *you* have with *us* towards repaying any amount *you* owe *us* under this contract (this is known as “combining accounts”). (*We* may combine accounts without giving *you* any notice.) If *we* do this the balance in *your* other account will reduce by the amount used for this purpose;
 - (f) require *you* to pay *us* on demand the *total amount owing*;
 - (g) exercise any other rights that the law gives *us*; and
 - (h) require *you* to pay *us* on demand all enforcement expenses *we* reasonably incur in the exercise of *our* rights against *you*, including legal fees.
- 26.2 *Our* right to take action against *you* under condition 26.1 may be subject to a requirement of the National Credit Code that *we* first give *you* a notice requiring *you* to remedy the breach. If so, *you* will be deemed to have failed to remedy the breach specified in the notice if, at the end of the time allowed by that notice, *you* have failed to remedy that breach or *you* have remedied that breach but have committed another of the same type.
- 26.3 If an obligation to pay *us* an amount under the credit *card* contract becomes merged in a court order or judgment, *you* must pay *us* interest at the *annual percentage rate* at that time on that amount calculated daily until fully paid.

27 BPay[®] payments

The provisions of this condition 27 apply if and when a *user* instructs *us* to make a payment from *your account* through the *BPAY[®]*

scheme. In the event of any inconsistency between this condition 27 and the remainder of these Conditions of Use, this condition 27 will apply to the extent of the inconsistency.

BPAY® payment instructions

- 27.1 To instruct *us* to make a *BPAY® payment*, *users* must give *us* the following information:
- (a) the account from which the payment is to be made;
 - (b) the amount to be paid;
 - (c) the *biller's* code number (found on the bill); and
 - (d) the Customer Reference Number (eg. the *account* number with the *biller*).

We will then debit *your* account with the amount of that *BPAY® payment*. We will not be obliged to effect a *BPAY® payment* instruction if the information given is incomplete and/or inaccurate, or if the *user* does not provide *us* with the correct *access method*.

Processing payments

- 27.2 Generally, a *BPAY® payment* will be treated as received by the *biller* to whom it is directed:
- (a) on the date *we* are told to make it, if this occurs before the end of day on a *business day*; or
 - (b) otherwise, on the next *business day*.

A delay might occur in the processing of a *BPAY® payment* where:

- (a) there is a public or bank holiday on the day after *we* are told to make a *BPAY® payment*; or
- (b) a *biller*, or another financial institution participating in the *BPAY® scheme*, does not comply with its obligations under the scheme.

While it is expected that any delay in processing a payment for any of these reasons will not continue for more than one business day, any such delay may continue for a longer period. It is the *user's* responsibility to allow for sufficient time for processing of payments to the *biller*.

Users must be careful to tell *us* the correct amount to be paid. If the amount *we* are instructed to pay is less than the amount needed to be paid, another *BPAY® payment*

should be made for the shortfall.

If the amount *we* are instructed to pay is greater than the amount intended, the *biller* should be contacted to obtain a refund.

We will attempt to make sure that *BPAY*[®] *payments* are processed promptly by *billers* and other participants in the *BPAY*[®] *scheme*.

We will not accept an order to stop a *BPAY*[®] *payment* once *we* have been instructed to make that *BPAY*[®] *payment*.

If *we* are advised by a *biller* that a *BPAY*[®] *payment* cannot be processed, *we* will:

- (a) advise the *user* of this;
- (b) credit *your account* with the amount of that *BPAY*[®] *payment*; and
- (c) take all reasonable steps to assist in making the *BPAY*[®] *payment* as quickly as possible.

Liability for unauthorised, fraudulent and mistaken BPay[®] payments

- 27.3 *Your* liability for unauthorised and fraudulent *BPAY*[®] *payments* will be determined in accordance with clause 13.

A mistaken *BPAY*[®] *payment* is a *BPAY*[®] *payment* to a *person* or for an amount which is not in accordance with the instructions given to *us*, if any. If *your account* is debited with the amount of a mistaken *BPAY*[®] *payment*, *we* will credit that amount to *your account*.

However, *you* must pay *us* the amount of a mistaken *BPAY*[®] *payment* if a *user* is responsible for a mistake resulting in that payment and *we* cannot recover the amount from the *person* who received it within 20 business days of attempting to do so.

You acknowledge that the receipt by a *biller* of a mistaken or erroneous payment does not or will not constitute under any circumstances part or whole satisfaction of any underlying debt owed between a *user* and that *biller*.

If *we* are notified that a *BPAY*[®] *payment* made from *your account* is unauthorised, *you* must provide *us* with a written consent addressed to the *biller* who received that *BPAY*[®] *payment*, allowing *us* to obtain from that *biller* information about *your account* with that *biller* or the *BPAY*[®] *payment*, including the customer

reference number and such information as is reasonably required to investigate the *BPAY[®] payment*. If *you* do not give *us* that consent, the *biller* may not be permitted under law to disclose to *us* the information *we* need to investigate or rectify that *BPAY[®] payment*. Please note that *BPAY[®]* instructions cannot be revoked or reversed once they have been made by *you*. *You* agree that neither *we* nor any other person will be liable for any *BPAY[®]* instructions that have been made mistakenly by *you*.

Suspension

- 27.4 *We* may at any time suspend *your* right to participate in the *BPAY[®] scheme* and will do so without notice if *we* suspect a *user*, or someone acting on *your* behalf, of being fraudulent.

BPAY[®] payments for which instructions have been given and which are scheduled to be made while *your* right to participate in the *BPAY[®] scheme* is suspended will not be processed by *us*.

28 Consequential Damage and Indemnity BPay[®] Scheme

- 28.1 Subject to condition 13 and the ePayments Code, *we* are not liable for any consequential loss or damage *users* may suffer as a result of using the *BPAY[®] scheme*, other than due to any loss or damage suffered due to *our* negligence, or in relation to any breach of a condition or warranty implied by law in contracts for the supply of goods and services and which may not be excluded, restricted or modified at all or only to a limited extent.

Failure to Complete or Authorise Your Transactions

- 28.2 Subject to condition 13 and the ePayments Code, *we* are not liable for any consequential loss or damage *users* may suffer as a result of *us* exercising *our* rights contemplated by condition 26, other than due to any loss or damage suffered due to *our* negligence, or in relation to any breach of a condition or warranty implied by law in contracts for the supply of goods and services and which may not be excluded, restricted or modified at all or only to a limited extent.

Indemnity

- 28.3 *you* indemnify *us* against any loss or damage *we* may suffer due to any claim, demand or action of any kind brought against *us* arising directly or indirectly because *users*:
- (i) did not observe any of the obligations under; or
 - (ii) acted negligently or fraudulently in connection with these Conditions of Use.

29 Chargeback Information

In some circumstances, the rules of the *card schemes* allow *us* to charge a transaction on your account back to the merchant with whom a user made a transaction.

We will claim a chargeback right (if the right is available) for a *transaction* on *your account* if:

- (a) *you* ask *us* to do so; and
- (b) *you* give *us* the information and material *we* require to support the chargeback, within 30 days after the date of the statement on which the *transaction* is recorded.

- (b) *your* claim relates to a *special promotion*. *Special promotional transactions* are outside chargeback rights and any complaint should be directed to the *merchant* or *us* where relevant.

32.2 *We* will only treat a *transaction* which is eligible for a *special promotion* as subject to a *special promotion* if *you* nominate that *transaction* accordingly at the time the eligible *transaction* is made.

32.3 Provided that *you* are not otherwise in default the amount associated with a *special promotion* is not an *unpaid balance* during any *special promotion period* for the purposes of calculating the total amount of interest payable on *your account*.

32.4 Any *special promotions* or rewards programs *we* make available are subject to change, independently of these Conditions of Use.

Form 5 Information statement

paragraph 16 (1) (b) of the Code
regulation 70 of the Regulations

Things you should know about your proposed credit contract

This statement tells *you* about some of the rights and obligations of yourself and *your* credit provider. It does not state the terms and conditions of *your* contract.

If *you* have any concerns about *your* contract, contact the credit provider and, if *you* still have concerns, *your* credit provider's external dispute resolution scheme, or get legal advice.

The contract

1 How can I get details of my proposed credit contract?

Your credit provider must give *you* a pre-contractual statement containing certain information about *your* contract. The precontractual statement, and this document, must be given to *you* before –

- *your* contract is entered into; or
- *you* make an offer to enter into the contract;

whichever happens first.

2 How can I get a copy of the final contract?

If the contract document is to be signed by *you* and returned to *your* credit provider, *you* must be given a copy to keep.

Also, the credit provider must give *you* a copy of the final contract within 14 days after it is made. This rule does not, however, apply, if the credit provider has previously given *you* a copy of the contract document to keep.

If *you* want another copy of *your* contract write to *your* credit provider and ask for one. *Your* credit provider may charge *you* a fee. *Your* credit provider has to give *you* a copy –

- within 14 days of *your* written request if the original contract came into existence 1 year or less before *your* request; or
- otherwise within 30 days of *your* written request.

3 Can I terminate the contract?

Yes. *You* can terminate the contract by writing to the credit provider so long as –

- *you* have not obtained any credit under the contract; or
- a *card* or other means of obtaining credit given to *you* by *your* credit provider has not been used to acquire goods or services for which credit is to be provided under the contract.

However, *you* will still have to pay any fees or charges incurred before you terminated the contract.

4 Can I pay my credit contract out early?

Yes. Pay *your* credit provider the amount required to pay out *your* credit contract on the day you wish to end *your* contract.

5 How can I find out the pay out figure?

You can write to *your* credit provider at any time and ask for a statement of the pay out figure as at any date *you* specify. *You* can also ask for details of how the amount is made up.

Your credit provider must give *you* the statement within 7 days after *you* give *your* request to the credit provider. *You* may be charged a fee for the statement.

6 Will I pay less interest if I pay out my contract early?

Yes. The interest *you* can be charged depends on the actual time money is owing. However, *you* may have to pay an early termination charge (if *your* contract permits *your* credit provider to charge one) and other fees.

7 Can my contract be changed by my credit provider?

Yes, but only if *your* contract says so.

8 Will I be told in advance if my credit provider is going to make a change in the contract?

That depends on the type of change.

For example –

- *you* get at least same day notice for a change to an *annual percentage rate*. That notice may be a written notice to *you* or a notice published in a newspaper.
- *you* get 20 days advance written notice for –
 - a change in the way in which interest is calculated; or
 - a change in credit fees and charges; or
 - any other changes by *your* credit provider;

except where the change reduces what *you* have to pay or the change happens automatically under the contract.

9 Is there anything I can do if I think that my contract is unjust?

Yes. You should first talk to your credit provider. Discuss the matter and see if you can come to some arrangement.

If that is not successful, you may contact your credit provider's external dispute resolution scheme. External dispute resolution is a free service established to provide you with an independent mechanism to resolve specific complaints. Your credit provider's external dispute resolution provider is the Australian Financial Complaints Authority and can be contacted at 1800 931 678, www.afca.org.au and

GPO Box 3, Melbourne, Victoria, 3001.

Alternatively, you can go to court. You may wish to get legal advice, for example from your community legal centre or Legal Aid.

You can also contact ASIC, the regulator, for information on 1300 300 630 or through ASIC's website at <http://www.asic.gov.au>.

Insurance

10 Do I have to take out insurance?

Your credit provider can insist *you* take out or pay the cost of types of insurance specifically allowed by law. These are compulsory third

party personal injury insurance, mortgage indemnity insurance or insurance over property covered by any mortgage. Otherwise, *you* can decide if *you* want to take out insurance or not. If *you* take out insurance, the credit provider can not insist that *you* use any particular insurance company.

11 Will I get details of my insurance cover?

Yes. If *you* have taken out insurance over mortgaged property or consumer credit insurance and the premium is financed by *your* credit provider. In that case the insurer must give *you* a copy of the policy within 14 days after the insurer has accepted the insurance proposal.

Also, if *you* acquire an interest in any such insurance policy which is taken out by *your* credit provider then, within 14 days of that happening, *your* credit provider must ensure *you* have a written notice of the particulars of that insurance.

You can always ask the insurer for details of *your* insurance contract. If *you* ask in writing *your* insurer must give *you* a statement containing all the provisions of the contract.

12 If the insurer does not accept my proposal, will I be told?

Yes, if the insurance was to be financed by the credit contract. The insurer will inform *you* if the proposal is rejected.

13 In that case, what happens to the premiums?

Your credit provider must give *you* a refund or credit unless the insurance is to be arranged with another insurer.

14 What happens if my credit contract ends before any insurance contract over mortgaged property?

You can end the insurance contract and get a proportionate rebate of any premium from the insurer.

Mortgages

15 If my contract says I have to give a mortgage, what does this mean?

A mortgage means that *you* give *your* credit provider certain rights over any property *you* mortgage. If *you* default under *your* contract, *you* can lose that property and *you* might still owe money to the credit provider.

16 Should I get a copy of my mortgage?

Yes. It can be part of *your* credit contract or, if it is a separate document, *you* will be given a copy of the mortgage within 14 days after *your* mortgage is entered into.

However, *you* need not be given a copy if the credit provider has previously given *you* a copy of the mortgage document to keep.

17 Is there anything that I am not allowed to do with the property I have mortgaged?

The law says *you* can not assign or dispose of the property unless *you* have your credit provider's, or the court's, permission. *You* must also look after the property. Read the mortgage document as well. It will usually have other terms and conditions about what *you* can or cannot do with the property.

18 What can I do if I find that I cannot afford my repayments and there is a mortgage over property?

See the answers to questions 22 and 23.

Otherwise *you* may —

- if the mortgaged property is goods — give the property back to *your* credit provider, together with a letter saying *you* want the credit provider to sell the property for *you*;
- sell the property, but only if *your* credit provider gives permission first;

OR

- give the property to someone who may then take over the repayments, but only if *your* credit provider gives permission first.

If *your* credit provider won't give permission, *you* can contact their external dispute resolution scheme for help.

If *you* have a guarantor, talk to the guarantor who may be able to help *you*.

You should understand that *you* may owe money to *your* credit provider even after mortgaged property is sold.

19 Can my credit provider take or sell the mortgaged property?

Yes, if *you* have not carried out all of *your* obligations under *your* contract.

20 If my credit provider writes asking me where the mortgaged goods are, do I have to say where they are?

Yes. You have 7 days after receiving your credit provider's request to tell your credit provider. If you do not have the goods you must give your credit provider all the information you have so they can be traced.

21 When can my credit provider or its agent come into a residence to take possession of mortgaged goods?

Your credit provider can only do so if it has the court's approval or the written consent of the occupier which is given after the occupier is informed in writing of the relevant section in the National Credit Code.

General

22 What do I do if I cannot make a repayment?

Get in touch with your credit provider immediately. Discuss the matter and see if you can come to some arrangement. You can ask your credit provider to change your contract in a number of ways —

- to extend the term of your contract and reduce payments; or
- to extend the term of your contract and delay payments for a set time; or
- to delay payments for a set time.

23 What if my credit provider and I cannot agree on a suitable arrangement?

If the credit provider refuses your request to change the repayments, you can ask the credit provider to review this decision if you think it is wrong.

If the credit provider still refuses your request you can complain to the external dispute resolution scheme that your credit provider belongs to. Further details about this scheme are set out below in question 25.

24 Can my credit provider take action against me?

Yes, if you are in default under your contract. But the law says that you cannot be unduly harassed or threatened for repayments. If you think you are being unduly harassed or threatened, contact the credit provider's external dispute resolution scheme or ASIC, or get legal advice.

25 Do I have any other rights and obligations?

Yes. The law will give you other rights and obligations. You should also READ YOUR CONTRACT carefully.

IF YOU HAVE ANY COMPLAINTS ABOUT YOUR CREDIT CONTRACT, OR WANT MORE INFORMATION, CONTACT YOUR CREDIT PROVIDER. YOU MUST ATTEMPT TO RESOLVE YOUR COMPLAINT WITH YOUR CREDIT PROVIDER BEFORE CONTACTING YOUR CREDIT PROVIDER'S EXTERNAL DISPUTE RESOLUTION SCHEME. IF YOU HAVE A COMPLAINT WHICH REMAINS UNRESOLVED AFTER SPEAKING TO YOUR CREDIT PROVIDER YOU CAN CONTACT YOUR CREDIT PROVIDER'S EXTERNAL DISPUTE RESOLUTION SCHEME OR GET LEGAL ADVICE.

EXTERNAL DISPUTE RESOLUTION IS A FREE SERVICE ESTABLISHED TO PROVIDE YOU WITH AN INDEPENDENT MECHANISM TO RESOLVE SPECIFIC COMPLAINTS. YOUR CREDIT PROVIDER'S EXTERNAL DISPUTE RESOLUTION PROVIDER IS THE AUSTRALIAN FINANCIAL COMPLAINTS AUTHORITY AND CAN BE CONTACTED ON 1800 931 678, www.afca.org.au OR AT GPO BOX 3, MELBOURNE, VICTORIA 3001.
