1. YOUR HSBC PERSONAL LOAN CONTRACT FROM HSBC

This is a loan contract between *you* and *us* (HSBC Bank Australia Limited).

This contract is made up of two parts:

- this HSBC Personal Loan Contract Standard Terms and Conditions; and
- the separate Letter of Offer for the HSBC Personal Loan.

They should be read together as neither document contains all the terms of *your HSBC Personal Loan Contract* or all of the information *we* are required by law to give *you* before the *HSBC Personal Loan Contract* is made. Together, they do.

The meaning of words printed *like this* and some other key words are printed in the “Meaning of words” clause 18 at the end of these HSBC Personal Loan Contract Standard Terms and Conditions.

2. WHAT WE LEND AND WHEN

We agree to lend *you* the *loan amount* as set out in *your Letter* at item 1 at the time *you* request it. However *we* will only allow *you* to borrow the *loan amount* so long as *you* draw down the loan not longer than 14 days from the *disclosure date*, or in any longer period agreed by *us* in writing. If *you* do not borrow within that period *we* have no obligation to lend to *you*.

Except to the extent that the *Letter* indicates that the *loan amount* is to be paid to others, *we* pay the money to *you* or as directed by *you* or *your* agent. However, *we* only have to lend *you* the *loan amount* if:

- (a) *we* have received:
- all *securities* and related documents duly signed;
 - evidence of any insurance *we* require; and

- any other documents or information we reasonably require, which are satisfactory to us; and
- (b) you are not in default under this *HSBC Personal Loan Contract*.

Any one of you can terminate your liability in respect of the loan if the loan has not been drawn by giving us written notice. However, if you do we will terminate our obligation to provide the loan to any of you.

Accepting this Offer

You accept our offer for the Loan Amount and agree to the terms of this *HSBC Personal Loan Contract* by:

- (a) if the Loan Contract makes provision for your signature, signing the Loan Contract; or
- (b) if the Loan Contract does not make provision for your signature in drawing down the Loan.

If you do not agree with the terms of the Loan Contract, do not:

- (a) (if the Loan Contract makes provision for your signature) sign the Loan Contract;
- (b) instruct HSBC to draw down your loan for you;

Instead, to return funds or repay HSBC and send to HSBC within 7 days of draw down a written request to withdraw and return the Loan Amount to HSBC in its entirety within 7 days of Draw Down, if you do not you will be liable for the full Loan Amount and all interest fees and charges applicable.

3. INTEREST RATE (THE ANNUAL PERCENTAGE RATE)

The *annual percentage rate* disclosed in the *Letter* is fixed for the whole *loan term*. This is the rate that is applied to your loan. Although the *total amount of interest charges payable under the contract* is stated at item 3 of your *Letter*, that amount is calculated based on

a number of assumptions (for example, that *you* make all repayments when required) and may not be the same as the amount *you* actually have to pay.

4. INTEREST CHARGES

How is interest calculated?

We calculate interest payable by *you* by applying the daily percentage rate of interest to the *balance owing on your account* at the end of each day. The daily percentage rate is determined by dividing the *annual percentage rate* by 365. Interest accrues daily from and including the *lending date* and is debited to the *loan account* and added to the *balance owing on your account* monthly on the same day of the month as the *lending date*. However, if interest is to be debited on the 29th, 30th or 31st of a month and that month does not have that date, interest is debited on the last day of that month.

Interest is also debited to the *loan account* on the next statement cycle after the loan is repaid in full.

5. REPAYMENTS

How and when to make repayments

If a repayment (other than a repayment to be made by *direct debit*) is due on a day which is not a *business day*, *you* must make the payment on the following *business day*.

If a payment is due on the 29th, 30th or 31st day of the month, but the month does not have that date, *you* must make that payment on the last day of that month. *You* must pay at least the *repayment amounts* as stated in the *Letter*. We calculate the *repayment amounts* so that, during the period they are payable, the:

- *loan amount*, and
- all interest charges, and other fees and amounts we notify *you* as being included in the *repayment amounts* which accrue or become payable during the *loan term*,

are repaid during the *loan term*.

Under this method, the part of each repayment which repays the *loan amount* gradually increases throughout the *loan term* but repayments are equal while the fees or other amounts we notify you as being included in the *repayment amounts* remain constant. However, the last repayment may be different as it equals the *total amount owing* on the last day of the *loan term*.

Days for payment

You must make payments as stated in the *Letter*, unless we tell you a different date.

You are obliged to pay at least the *repayment amounts* stated in *Letter* under the item headed "Repayments" at the times stated, but you can pay more. If you pay more, this will help reduce the amount of interest you repay (see Clause 4). However, if you do pay more, this does not affect your obligations to pay in full the monthly repayment due in any subsequent month, unless we agree in writing to change the repayment arrangements.

Method of payment

You must make payments via our *direct debit* system unless we have otherwise notified you.

If we have notified you that your payments do not have to be made by *direct debit*, you must make payments at any of our branches in Australia during business hours, by either:

- making a cash or cheque deposit using the deposit booklets issued by us; or
- mailing a cheque (and sufficient loan contract information for us to identify the *loan account*).
- by transferring funds from another account with us using a direct credit, our *internet banking service* or our automated or operator assisted *phone banking service*;

- by direct credit from another financial institution or *your* employer;
- in any other way allowed by *us* from time to time.

If *you* ask *us* to cancel a *direct debit* authorising *us* to make payments to *your loan account* by deducting funds from an account with another financial institution *we* will do so promptly. However, where *we* cancel a *direct debit* for *your* loan repayments *you* will need to make other arrangements to make *your* loan repayments and if *you* do not *you* will be in default under this loan contract. *We* will promptly process any complaints by *you* that a *direct debit* was unauthorised or otherwise irregular.

We may adjust your loan account balance

We may assign any date *we* consider appropriate to a debit or credit to *your loan account* (except that, in the case of a debit, the date must not be earlier than the date on which the relevant transaction occurs). However, *we* credit payments to *your loan account* as soon as practicable after *we* receive them. This is not necessarily the same day that *you* pay. The processing may take a number of days. *You* should allow sufficient time for payments to be received and processed by *us* before the due date.

We may subsequently adjust debits and credits to *your loan account*, and the *balance owing on your account*, so as to accurately reflect the legal obligations between *you* and *us* (for example, because of an error or because a cheque is dishonoured). If *we* do this *we* make consequential changes (including to the interest charges).

Repaying the total amount owing

You must pay *us* the *total amount owing* on the last day of the loan term. However, if *you* are in default of *your* obligations under *your HSBC Personal Loan Contract*, the *total amount owing* may become payable before that day.

You must repay the loan plus the interest

You must repay all amounts *you* borrow from *us* and *you*

must pay *us* interest charges, all relevant government duties and charges, credit fees and charges and any enforcement expenses.

6. WHAT HAPPENS TO PAYMENTS WE RECEIVE?

We may use any payment we receive under or in connection with this *HSBC Personal Loan Contract* to reduce the *total amount owing* in any order we choose, unless we are obliged to pay the money to anyone with a prior claim. However, if money received represents proceeds of an insurance claim, we may use it to replace the property or carry out other work on it.

If, at the time we receive money under this *HSBC Personal Loan Contract*, any part of the *total amount owing* is not then due for payment, we may retain an amount equal to that part and use it to pay the *total amount owing* when it becomes due for payment.

We must pay any money remaining after the *total amount owing* is repaid either to *you* or to another person entitled to it (such as another person with a *security* over the *goods*). In particular, we may pay it to a person with a subsequent registered or unregistered *security* without being liable to *you*.

7. FEES AND CHARGES

Early termination fee

If this *HSBC Personal Loan Contract* ends early because:

- (a) We receive the *total amount owing* six months or more before the end of the *loan term* either because *you* agree to repay it, or for any other reason (for instance because the goods financed have been lost or destroyed and we have received a payment from *your* insurance company); or
- (b) *you* are in default and the *total amount owing*

becomes immediately due for payment;
you must pay *us* a fee called an “Early Termination Fee”.
The amount of this fee is as indicated in the *Letter*.

You have to pay this fee because *your HSBC Personal Loan Contract* was based on the loan being repaid over an agreed period of time and the early termination means *we* incur costs which will not be recovered. The early termination fee will represent *our* reasonable estimate of the loss *we* suffer. It takes into account the costs *we* have incurred in establishing, maintaining and terminating *your* loan which will not be recovered if the loan is terminated early.

Other fees you have to pay

Other than Government Fees and Charges the Fees and Charges *we* debit to *your account* from time to time are debited by *us* for the provision, to *you*, of a *service*.

We will debit these Fees and Charges in the event that *we* believe *you* require *us* to provide a specific *service* in order to assist *you* in better managing *your account*. These *services* occur in the event that *you* fail to make a payment pursuant to clause 5 or do so after the last day of the month, *we* will debit the amount of the late payment reminder fee from *your account* and in return *we* will monitor *your account* more closely and a staff member may attempt to contact *you* to bring this matter to *your* attention and assist *you* by suggesting ways to make *your* future payments on time or by suggesting *you* utilise a different payment method . If *you* remedy the situation before *we* are able to bring the late payment to *your* attention *we* will still charge the fee and *you* will be able to use this *service* any time before the next *due date*; and

These Fees and Charges for *services* will also include the cost of what is charged to *us* by other financial institutions, banks and service providers who charge *us* for returning payments that *you* attempt to make to *your account*, via the payment systems that they own. *We* have little control over the fees and charges charged to

us by other financial institutions and banks and service providers.

You must pay the following fees or charges (or reimburse us if we have to pay them):

- all fees and charges as indicated in the *Letter* and any changed or new fee or charge notified to you in accordance with clause 10;
- an amount equal to any government charges and duties on receipts or withdrawals under this *HSBC Personal Loan Contract*, calculated in accordance with the relevant legislation. This is payable whether or not you are primarily liable for such charges and duties;
- when we ask, any reasonable expenses we reasonably incur in enforcing this *HSBC Personal Loan Contract*.

You authorise us to debit any of these amounts to your loan account. All fees and charges stated in the *Letter* are current as at the *disclosure date*. We may keep any fees and charges shown in the *Letter* that have already been paid.

Information about current fees and charges is contained in our "Personal Loans fees & charges" booklet. You can obtain a copy of this booklet on request.

Variation of fees and charges

We may change the amount of any fee or charge or change how often they are charged, or impose new fees or charges at any time (except the amount of the Establishment Fee and the amount of the Early Termination Fee).

8. WHEN ARE YOU IN DEFAULT?

If the *National Credit Code* applies to this *HSBC Personal Loan Contract*, you are in default if any of the following happens:

- (a) you fail to pay us an amount due; or

(b) *you* fail to do anything else *you* promise *us* under this *HSBC Personal Loan Contract*.

If the *National Credit Code* does not apply to this *HSBC Personal Loan Contract*, *you* are in default if any of the following happens:

- (a) *you* do not pay on time any amount due under this *HSBC Personal Loan Contract*;
- (b) *you* do something *you* agree not to do, or alternatively don't do something that *you* have agreed to do under this *HSBC Personal Loan Contract*;
- (c) *we* reasonably believe that *you* or another person has acted fraudulently in connection with this *HSBC Personal Loan Contract*;
- (d) *you* are a company, and *you* become insolvent or steps are taken to make *you* so;
- (e) *you* give, or another person gives, *us* incorrect or misleading information in connection with this *HSBC Personal Loan Contract*; or
- (f) a court order is made against *you* or any of *your* assets.

What can happen then?

If *you* are in default, *we* may give *you* a notice stating that *you* are in default.

If *you* do not, or cannot, correct the default within any grace period given in the notice or required by law (or if *you* are in default again for a similar reason at the end of that period), then at the end of that period and without further notice to *you* the *total amount owing* becomes immediately due for payment (to the extent it is not already due for payment). *We* may then sue *you* for that amount.

If the *National Credit Code* does not apply to this *HSBC Personal Loan Contract*, and in limited circumstances set down by law even when the *National Credit Code* does apply (these circumstances include if *we* are unable to locate *you*, *we* need not give a notice or wait until

the end of any grace period given in a notice. Instead, if *you* are in default, the *total amount owing* becomes immediately due for payment without notice. *We* may then immediately sue *you* for that amount.

Enforcement Expenses

Our reasonable enforcement expenses may become payable under this *HSBC Personal Loan Contract* in the event of a default.

Enforcement expenses include any amount we spend or incur (including our reasonable legal costs) in relation to the enforcement or exercise of our powers under the *HSBC Personal Loan Contract*.

9. REPRESENTATIONS AND WARRANTIES

You tell *us* the following. *You* are taken to repeat these statements each time *you* request an advance. *You* should check they are true. These are warranties which means *we* can sue *you* if they are not true.

- (a) If *you* give any *security*, *you* make the declaration and acknowledgment as set out in clause 9 and all matters contained in the declaration and acknowledgment are true.
- (b) the *HSBC Personal Loan Contract* and any *security* expressed to be given by *you*:
 - is binding and enforceable against *you*;
 - does not breach any obligation binding on *you*;
 - and
 - in the case of any *security*, is effective security over any properties or assets which it is expressed to cover, with the priority (if any) stated in it.
- (c) *You* are not in default under this *HSBC Personal Loan Contract* or a *security*.
- (d) *You* are not insolvent. *You* have not committed an act of bankruptcy.
- (e) All information *you* have given *us* is true and

complete. It is not misleading by omission or otherwise.

10. VARIATIONS TO YOUR LOAN CONTRACT

Apart from the *annual percentage rate* (which is fixed for the *loan term*), the amount of the Establishment Fee and the amount of the Early Termination Fee, we may, to the extent permitted by law, vary any of the terms or conditions of *your HSBC Personal Loan Contract*.

We will notify *you* of changes to *your HSBC Personal Loan Contract* as follows:

- (a) any change in the amount or frequency of payment of credit fees or charges, or the introduction of a new credit fee or charge - we will notify *you* in writing or advertise the change and give *you* at least 30 calendar days prior notice;
- (b) any change to the method by which interest is calculated or the frequency with which it is debited to *your loan account* - we will notify *you* in writing of the change and give *you* at least 30 calendar days prior notice; and

For the avoidance of doubt, an *EFT account* includes a *loan account*.

Assignment

We may assign or otherwise deal with *our* rights under this *HSBC Personal Loan Contract* in any way *we* consider appropriate. *You* agree that *we* may disclose any information or documents *we* consider desirable to help *us* exercise this right. *You* also agree that *we* may disclose information or documents at any time to a person to whom *we* assign *our* rights under this *HSBC Personal Loan Contract*.

Application of money – our common law right to combine accounts

If any money owing by *you* under this *HSBC Personal Loan Contract* is due and payable immediately, *we* may rely on *our* common law right to combine any money *you* have on deposit with *us* for payment of that amount.

We need not do so. If *we* do so, the balance of the account will be reduced by the amount used for this purpose.

Notices and certificates

We may give *you* a certificate about a matter or an amount payable in connection with this *HSBC Personal Loan Contract*. The certificate is sufficient evidence of the matter or amount unless there is something which reasonably shows this to be inaccurate .

We are not required by law to give *you* regular periodic statements for *your* loan account. *We* may provide account statements relating to *your* loan account at intervals *we* determine. *We* will also provide account statements if *you* request *us* to. *You* can request a statement of account over the telephone or by writing to

us. You may be charged a fee for this service.

- any other place that we notify you of in writing.

Date of contract

This *HSBC Personal Loan Contract* takes effect on the date that you accept our offer to lend.

National Credit Code

The rest of this clause applies to the extent that the *National Credit Code* applies to this *HSBC Personal Loan Contract*.

If:

- (a) that Code would otherwise make a provision of this *HSBC Personal Loan Contract* illegal, void or

unenforceable; or

- (b) a provision of this *HSBC Personal Loan Contract* would otherwise contravene a requirement of that Code or impose an obligation or liability which is prohibited by that Code,

then the *HSBC Personal Loan Contract* is to be read as if that provision were varied to the extent necessary to comply with that Code or, if necessary, omitted.

SCHEDULE 1

1. Purpose of this Schedule

This Schedule lists some matters or provisions which may be relevant to you as a customer or potential customer who chooses our HSBC Personal Loan as a banking service.

If you would like us to explain anything in this Schedule please contact us at:

Telephone 1300 308 880
Fax: 02 9006 5777
Web: www.hsbc.com.au

If you are at all unsure about your rights or obligations as a customer of the Bank, we encourage you to seek your own legal advice.

2. Banking Code of Practice

HSBC has adopted the Banking Code of Practice. This Schedule contains the general descriptive information we are required to make available to customers and potential customers under the Banking Code of Practice.

HSBC offers to its customers some products and services supplied by other entities. For example:

- home and contents insurance;
- deposit bonds;
- *HSBC Premier* Global Services.

The Banking Code of Practice applies only to *HSBC's* distribution of these products and services (for example the way they are advertised by *HSBC*). It does not apply to the products and services themselves. This means that the provisions of the Banking Code of Practice dealing with things like content of terms and conditions, delivery of statements and variation of terms and conditions will not apply.

3. Account opening procedures

To open an account with *HSBC* you will usually need to complete documentation including an application form.

To open an account we will need information about you. As well as the usual details such as full name, address and other contact details you need to tell us:

- whether the account will be held in trust; and
- whether any account holder or proposed signatory is known by any other name (for example a maiden name).

The other information we need will depend on whether the account is personal or a business account. For a personal account we need additional information including date of birth, occupation and employer's name. For a business account we need additional information about the business.

If the account is a loan or other credit account we will usually also need additional information such as income details and information about *your* assets, liabilities and outgoings.

3.1 Identification

You will be required to provide proof of identity at the time of opening your account. This is to satisfy the requirements of the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006* (“*AML/CTF Act*”) as well as other Australian and overseas laws. Proof of identity is also required for anyone *you* want to appoint as a signatory on *your* account. *You* and *your authorised signatories* can meet these requirements by:

- Visiting one of *our* branches to provide *us* with *your* identity documents. You will need to provide to *us* original documents which will verify *you*. *Your* documents must verify *your* full name, date of birth, *your* residential address and nationality (if not Australian). If the primary document *you* provided cannot verify all the items, a secondary document must be used to verify the missing items.

Please contact *us* if *you* need to know what documents are acceptable.

- by completing *our* “Customer Identification - Authorised Referee” form if *you* are unable to visit a branch *you* will need to locate an acceptable Referee to complete the form (this form of identification is not accepted by *us* for all account holders and signatories – if *you* want to use this method of identification please check with *us* first).

If *you* have already identified *yourself* with *HSBC* on a previous occasion, *you* will need to advise the name of the branch where identification was presented as well as giving details of *your* account number. *HSBC* may ask for additional identification documents, or information in some instances.

3.2 Anti-Money Laundering & Counter-Terrorism Financing obligations

- a) *HSBC*, like other financial institutions, is required to comply with Australian anti-money laundering and counter-terrorism financing laws, sanctions implementation laws, and the regulations, requests, directives and policies of Australian and overseas regulators as well as our Group policies associated with enforcing these laws. *HSBC* must comply with financial and suspicious matter reporting requirements under these laws that:
- i) may prohibit us from entering or conducting transactions involving certain persons, entities or services; or
 - ii) may require us to report transactions of a certain amount or of a suspicious nature, or a suspicious matter to a local or overseas regulatory authority;

Transactions impacted include those that may:

- iii) involve the provision of finance to any person or entity involved or suspected of involvement in terrorism, money laundering or any terrorist or money laundering act; or
 - iv) be relevant to the investigation of an actual or attempted evasion of a taxation law, investigation of or prosecution of a person for a money laundering or terrorist financing offence or an offence against the Commonwealth, State or a Territory, or the enforcement of the Proceeds of Crime Act 2002 (Commonwealth) or its State or Territory equivalent;
 - v) involve persons, or entities or services which may be the subject of sanctions.
- b) we, and other members of the *HSBC Group*, may intercept and investigate any payment messages, information or communications sent to or by you or on your behalf via our systems and may delay, block or refuse to do any transaction. Transaction

screening may cause delay in processing certain information; and

- c) neither *HSBC* or any other member of the *HSBC Group* will be liable for any loss (whether direct or consequential and including without limitation loss of profit or interest) or damage suffered by any party, arising out of any action taken or any delay or failure by *HSBC* or any member of the *HSBC Group*, in performing any of its duties or other obligations, caused in whole or in part by any steps taken as set out under the sections headed “Identification” and “Anti-Money Laundering and Counter-Terrorism Financing obligations”.

To help improve our services, and in the interests of security, we may monitor and/or record any telephone calls between *HSBC* and *you* or any *authorised signatory*. Any recording may be used as evidence.

4. Joint Accounts

4.1 What having a joint account means

If *you* have a joint account with one or more other people:

- any credit (positive) balance in the account is held jointly by all the account holders – this means each of the holders separately, and all of them together, have the right to the available funds in the account; and
- all the holders together, and each of them separately, is liable to repay any debit (negative) balance in the account – this means *HSBC* can claim the whole amount payable from any of them, unless the contract with *HSBC* or any applicable law or the terms of the Banking Code of Practice say otherwise.

4.2 Signing authority

It will be up to you solely to sign to operate the account.

4.3 What happens if one account holder becomes

bankrupt or dies

If you become bankrupt, your estate will be liable to the same extent as you were.

Upon your death we shall treat any amount owing on the account as a debt due from your estate and any positive balance in the account as held by your estate. We shall be entitled to take instructions in relation to such account from the executor(s) of the estate.

It does not include a method where a manual signature is the principal intended means of verifying the authority to give the instruction.

1.3 Acceptance

The first use of an *access method* by *a user* after receiving these *terms* contained in this Schedule 2 will constitute *your* agreement to these *terms* in respect of the *service*. These *terms* also apply to any *access method* replaced or re-issued by *HSBC*.

1.4 Records and statements

HSBC will provide a statement of *your account* at least every 6 months (this does not apply to this *HSBC Personal Loan Contract* as it is a fixed interest rate

You should carefully check *account* records and statements when *you* receive them. If *HSBC* agrees, *you* may authorise another person to access and operate *your accounts* using the *service*.

If requested by *you*, *HSBC* will provide *users* with an *access method* to access *your accounts*. A *user's* access to *your accounts* using the *service* is governed by the relevant provisions of these *terms*. *HSBC* suggests *you* provide all *users* with a copy of these *terms*. *You* must ensure that each *user* protects their *access method* in the same way these *terms* require *you* to protect *your access method*.

You will be liable for all transactions carried out on *your accounts* by any person authorised by *you*. *Your* cancellation of a *user's* authority will not be effective until *your* notification of the cancellation is received by *HSBC*.

When an *access method* has been cancelled by *you*

or *HSBC*, users must not attempt to use the cancelled access method again.

If *you* agree:

- the *user* will not receive paper copies of the relevant information;
- the *user* will need to regularly check to see if he or she has received any *electronic communication* from us;
- the *user* will need to maintain and check his or her electronic address regularly to ensure it is always capable of receiving an *electronic communication*; and
- the *user* will be responsible for printing or saving important information – and we strongly recommend that *users* do so.

You may at any time by notice to HSBC terminate your agreement to receive information by *electronic communication*.

1.8 Facsimile Instructions Indemnity

If *you* provide *HSBC* with *facsimile instructions* you agree to indemnify *HSBC* and hold *HSBC* harmless against

any and all claims which *you* or any third party may have against *HSBC* for any damage, loss, cost or expense which *you* or a third party may suffer or incur (whether directly or indirectly and whether foreseeable or not) as a result of or in connection with:

- a) *HSBC* acting upon any instructions sent by a facsimile purporting to be from *you* or persons authorised by *you* from time-to-time and *HSBC* has no reasonable reason to think those instructions are not legitimate; or
- b) *HSBC* not acting upon any instructions sent by facsimile purporting to be from *you* or persons authorised by *you* from time to time, where *HSBC* has a reasonable reason to think those instructions are not legitimate.

1.9 Telegraphic Transfers

Where *you* request an outward Telegraphic Transfer (TT) to be effected from an *account*, *you* acknowledge and agree that the following applies:

In the absence of any specified instructions to the contrary, *HSBC* may either effect a TT in the currency of the country in which payment is to be made or at *HSBC's* sole discretion, choose not to effect the TT until further instructions are obtained from the *user* in which case, *HSBC* will not be responsible for any loss or delays which *you* may suffer.

Unless *you* provide instructions to the contrary, all charges incurred outside Australia are for the *account* of the beneficiary.

HSBC reserves the right to draw any TT on a different place from that specified by *you* if operational circumstances so require.

Payment requests delivered to *HSBC* (in any form including electronically or otherwise), are subject to cut off times. These cut off times vary depending on the geographical location of the destination and are subject to change from time to time. A list of cut off times is

available from *HSBC* on request.

Any requests received by *HSBC* within the cut off time for the relevant currency, will be processed on the requested value date. However, while *HSBC* will remit *your* funds on value date, *HSBC* cannot confirm the actions of the receiving bank nor guarantee that the funds will be received by the beneficiary on the same day. Funds sent by TT will usually be received by the beneficiary bank within 48 hours from the time the TT is processed. *HSBC* will not be liable for any delays in processing by the beneficiary bank.

Any requests received by *HSBC* after the cut off times for the relevant currency, will not be processed on the same day.

Where *HSBC* are unable to provide a firm exchange rate quotation at the time of the *user's* request for a TT, *HSBC* will provide *you* with a provisional exchange rate. However, *HSBC* will effect a TT on the basis of *our* actual selling rate for the relevant currency against the AUD (or another currency in which the *user's* account is denominated where applicable) at the time of processing the TT. The applicable amount will be debited *from your account* at the time the TT is processed.

HSBC may send any TT either literally or in cipher and *HSBC* accepts no responsibility for any loss, delay, error, omission or mutilation, which may occur in the transmission of any message and is outside of our reasonable control, or for its misinterpretation when received.

In effecting a TT from an *account*, *HSBC* may be required by law or other rules, policies or guidelines by which *HSBC* is bound, to disclose certain information which *HSBC* holds about the *user* to the beneficiary and/or the beneficiary's bank or intermediary service providers in the course of effecting the payment, and by requesting *us* to perform the TT, *you* consent to *HSBC's* disclosure of *your* information.

Where *you* receive an inward payment into *your account* by way of TT and that payment is made in a foreign

currency, *HSBC* will convert that payment into AUD unless *your account* is denominated in that currency.

Fees and charges are payable in respect to *your* receipt of an inward or request for payment of an outward TT. These are set out in *HSBC's* separate document "*Personal financial services charges - your guide*".

The *phone banking service* can be used to obtain the balance of any *account*, request statements be issued in relation to *any account*, and change the personal details (including email address, telephone and fax numbers, mailing address, date of birth, annual personal income, number of dependents, occupation and name of employer) held by *HSBC* for any *account*.

2.3 Access to Phone Banking Service

You agree that any person who supplies *HSBC* with *your PBN* or *account* number and *PIN*, or a *user's PBN* or *account* number and *PIN*, may be allowed access to the *phone banking service* to the *account*.

You agree that *HSBC* may delay acting upon an *instruction* or ask for more information before acting on an *instruction*.

HSBC may change a *user's PBN* or *PIN* at any time, by

notifying the *user* in writing. *Users* may change their *PIN* at any time.

The security guidelines in this document provide examples only and will not determine *your* liability for any losses arising from unauthorised *EFT transactions*. Liability for unauthorised *EFT transactions* will be determined under the *EFT code* rather than these guidelines.

2.4 Recording Telephone Calls

To help improve *our* services, and in the interest of security, *HSBC* may monitor and/or record any telephone calls between *us* and *you* or any *user*. Any recording may be used in evidence.

3. Security of Access Methods

3.1 Protecting Access Methods

Users must keep their *access methods* secure to prevent *unauthorised* use of *accounts*. *Users* must take care to ensure that *access methods* are not misused, lost or stolen and that the *PIN* does not become known to anyone else.

3.2 Guidelines

These guidelines should be followed by *users* to ensure the security of an *access method*.

To protect the Identifier

- Do not tell or give the *identifier* to anyone.
- Take care to prevent anyone seeing the *identifier* when entering it at *Electronic Equipment*.

To protect the PIN:

- Memorise the *PIN* when it is received and destroy *HSBC's* notification of the *PIN*.
- Do not tell or show the *PIN* to another person or allow it to be seen by another person (including

family and friends).

- Do not keep a record of a *PIN* in a way in which it can be determined by another person.
- Do not record a *PIN* and *identifier* together.
- Do not record the *PIN* on *Electronic Equipment* or related articles without making a reasonable attempt to disguise the *PIN* or prevent *unauthorised* access to the record.
- *Users* should not select a *PIN* which represents their birth date as a numeric code, or an alphabetical code which is a recognisable part of their name, their telephone number or anything else that could be associated with them.
- Do not allow anyone to watch the *PIN* being entered at *Electronic Equipment*.
- Be ready to enter the *PIN* when at *Electronic Equipment*
- Notify *HSBC* immediately by telephoning 1300 308 008 at any time if a record of a *PIN* is lost or stolen or if a *user* suspects that someone else may know a *PIN*.

If a memory aid is required to recall the *PIN* such a record may be made provided the record is reasonably disguised.

Examples which we do not consider provide a reasonable disguise are:

- recording the *PIN* as a series of numbers with any of them marked, circled or highlighted to indicate the *PIN*;
- recording the *PIN* with surrounding information which makes it stand out from its context;
- recording the *PIN* as a string of digits in isolation from other information unless the context provides adequate disguise;
- disguising the *PIN* by reversing the number

sequence;

- describing the disguised record as a “*PIN* record” or similar;
- disguising the *PIN* using alphabetical characters or numbers eg A = 1, B = 2, C = 3, etc, or in any other easily understood code;
 - if we allow Users to select or change the *PIN*, selecting or disguising the *PIN* using any of the following combinations (or parts of them), with the *PIN* in its correct sequence within the combination:
 - dates of birth;
 - personal telephone numbers;
 - car registration numbers;
 - family members’ names;
 - social security numbers; or
 - licence numbers.
 - recording the *PIN* as a:
 - date of birth;
 - postcode; or
 - telephone number,

without additional features of disguise;

- storing the *PIN* in any low security electronic device of any kind, such as (but not limited to):
 - calculators;
 - personal computers; or
 - electronic organisers.

There may be other forms of disguise which may also be unsuitable because of the ease of another person discerning the *PIN*.

4. Reporting Loss, Theft or Unauthorised use or breach of PIN security etc

Users must notify *HSBC* immediately if a *PIN* becomes known to someone else, or if a transaction is suspected to have been made on an *account* without a *user's* authority. *Users* should notify *HSBC* in Australia by calling its Customer Service line at any time on 1300 308 008. If overseas, *users* should report to any branch of a *group* member bank or call the relevant number below.

In Hong Kong, Singapore or the UK, dial the local international area code followed by 800 888 888 81

In Indonesia, dial 001 803 0612 035

In Malaysia, dial 1800 808 383

In all other overseas countries, dial +612 9005 8187

HSBC will then cancel the *access method*, and arrange for the *user* to select or be provided with a new one, as appropriate. *HSBC* will acknowledge the notification by giving the *user* a reference number that verifies the date and time *HSBC* was contacted. The number is proof that *HSBC* was advised according to these *terms* and should be kept for future reference.

If for any reason *HSBC's* hotline is unavailable and this prevents notification, *you* will not be liable for any *unauthorised* transaction which could have been prevented during this period if the hotline had been available, provided *HSBC* is notified within a reasonable time of the hotline becoming available again.

You agree that *HSBC* may disclose information about *you* or *your account* to the police or other third parties if it thinks it will help prevent or recover losses or if it is legally obliged to do so.

5. Procedures for Handling Errors and Investigating and Resolving Complaints

5.1 How to lodge a complaint

If *you* believe an *EFT Transaction* is wrong or *unauthorised*, or there is an error in an *account* statement, or if *you* have any concerns about a procedure, compliance issue, or have encountered a

problem with *our* service, *we want you* to tell *us* about it. *We* have designed a simple customer complaint process.

If *you* are a customer and have a complaint or concern, make it known at *your* branch where the Branch Customer Service Manager should be able to resolve the problem; if not, the Branch Manager can undertake further investigation and action.

5.2 Customer Relations

If *your* complaint hasn't been resolved to *your* satisfaction, contact *our* Customer Relations Complaints team:

Toll Free: 1300 308 188

Or *you* can log onto *our* website, www.hsbc.com.au and record *your* complaints or feedback via the "Contact Us" icon.

5.3 Results of HSBC's investigations

HSBC will try to resolve *your* query as soon as possible; however some problems are complicated and may take time to resolve.

If *HSBC* is unable to resolve *your* complaint immediately to *your* satisfaction, *HSBC* will advise *you* of the procedures for the further investigation and handling of *your* complaint and may ask *you* to provide further details. For example, if there is a dispute over who is liable for a loss resulting from an *unauthorised* transaction, *you* will be asked to complete and sign a form providing further information. *HSBC* will investigate *your* complaint and within 21 days of receiving *your* complaint write to *you*, explaining the outcome of its investigation or that more time is needed to complete the investigation.

Unless there are exceptional circumstances, *HSBC* will complete its investigation within 45 days of receiving *your* complaint. If *HSBC* is unable to resolve *your* complaint within 45 days, *HSBC* will write to *you* and inform *you* of the reasons for the delay and provide *you* with monthly updates on the progress of its investigation and an indication of when *your* complaint is likely to be resolved, except where *HSBC* is awaiting a response from *you* and *you* have been advised that it requires such a response.

5.4 Results of HSBC's investigation

When *HSBC* completes its investigations of *your* complaint, it will notify *you* in writing of:

- the result;
- the reasons for its decision with reference to the relevant provisions of the *terms and EFT Code*; and
- any further action *you* can take in respect of *your* complaint.

If *your account* is found to have been incorrectly credited or debited, *HSBC* will adjust *your account* accordingly (including any interest and charges) and notify *you* in writing of the amount of the adjustment and, if the incorrect crediting relates to a discrepancy between the amount recorded by the *Electronic Equipment* or *access method* as having been deposited and the amount recorded by *us* as having been received, we will also notify *you* of the difference and the actual amount which has been credited to *your account*.

If *HSBC* finds that *you* are liable for all or part of the disputed transaction, it will supply *you* with copies of any document or other evidence on which it based its findings, and advise *you* in writing, if there was any system or equipment malfunction at the time of the transaction.

If *you* are not satisfied with the decision, *you* may wish to take the matter further. *You* may, for instance, contact

the Banking and Financial Services Ombudsman.

FORM 5 INFORMATION STATEMENT

paragraph 16 (1) (b) of the Code
regulation 70 of the Regulations

Things you should know about your proposed credit contract

This statement tells you about some of the rights and obligations of yourself and your credit provider. It does not state the terms and conditions of your contract.

If you have any concerns about your contract, contact the credit provider and, if you still have concerns, the AFCA scheme or get legal advice.

THE CONTRACT

1 How can I get details of my proposed credit contract?

Your credit provider must give you a precontractual statement containing certain information about your contract. The precontractual statement, and this document, must be given to you before –

- your contract is entered into; or
- you make an offer to enter into the contract;

whichever happens first.

2 How can I get a copy of the final contract?

If the contract document is to be signed by you and returned to your credit provider, you must be given a copy to keep. Also, the credit provider must give you a copy of the final contract within 14 days after it is made. This rule does not, however, apply, if the credit provider has previously given you a copy of the contract document to keep.

If you want another copy of your contract, write to your credit provider and ask for one. Your credit provider may

charge you a fee. Your credit provider has to give you a copy –

- within 14 days of your written request if the original contract came into existence 1 year or less before your request; or
- otherwise within 30 days of your written request.

3 Can I terminate the contract?

Yes. You can terminate the contract by writing to the credit provider so long as –

- you have not obtained any credit under the contract; or
- a card or other means of obtaining credit given to you by your credit provider has not been used to acquire goods or services for which credit is to be provided under the contract.

However, you will still have to pay any fees or charges incurred before you terminated the contract.

4 Can I pay my credit contract out early?

Yes. Pay your credit provider the amount required to pay out your credit contract on the day you wish to end your contract.

5 How can I find out the pay out figure?

You can write to your credit provider at any time and ask for a statement of the pay out figure as at any date you specify. You can also ask for details of how the amount is made up.

Your credit provider must give you the statement within 7 days after you give your request to the credit provider. You may be charged a fee for the statement.

6 Will I pay less interest if I pay out my contract early?

Yes. The interest you can be charged depends on the actual time money is owing. However, you may have to pay an early termination charge (if your contract permits your credit provider to charge one) and other fees.

7 Can my contract be changed by my credit provider?

Yes, but only if your contract says so.

8 Will I be told in advance if my credit provider is going to make a change in the contract?

That depends on the type of change. For example –

- you get at least same day notice for a change to an annual percentage rate. That notice may be a written notice to you or a notice published in a newspaper.
- you get 20 days advance written notice for –
- a change in the way in which interest is calculated; or
- a change in credit fees and charges; or
- any other changes by your credit provider;

except where the change reduces what you have to pay or the change happens automatically under the contract.

9 Is there anything I can do if I think that my contract is unjust?

Yes. You should first talk to your credit provider.

Discuss the matter and see if you can come to some arrangement.

If that is not successful, you may contact the AFCA scheme. The AFCA scheme is a free service established to provide you with an independent mechanism to resolve specific complaints. The AFCA scheme can be contacted at 1800 931 678, www.afca.org.au/info@afca.org.au and GPO Box 3 Melbourne VIC 3001

Alternatively, you can go to court. You may wish to get legal advice, for example from your community legal centre or Legal Aid.

You can also contact ASIC, the regulator, for information on 1300 300 630 or through ASIC's website at <http://www.asic.gov.au>

INSURANCE

10 Do I have to take out insurance?

Your credit provider can insist you take out or pay the cost of types of insurance specifically allowed by law. These are compulsory third party personal injury insurance, mortgage indemnity insurance or insurance over property covered by any mortgage. Otherwise, you can decide if you want to take out insurance or not. If you take out insurance, the credit provider can not insist that you use any particular insurance company.

11 Will I get details of my insurance cover?

Yes, if you have taken out insurance over mortgaged property or consumer credit insurance and the premium is financed by your credit provider. In that case the insurer must give you a copy of the policy within 14 days after the insurer has accepted the insurance proposal.

Also, if you acquire an interest in any such insurance policy which is taken out by your credit provider then, within 14 days of that happening, your credit provider must ensure you have a written notice of the particulars of that insurance.

You can always ask the insurer for details of your insurance contract. If you ask in writing, your insurer must give you a statement containing all the provisions of the contract.

12 If the insurer does not accept my proposal, will I be told?

Yes, if the insurance was to be financed by the credit contract. The insurer will inform you if the proposal is rejected.

13 In that case, what happens to the premiums?

Your credit provider must give you a refund or credit unless the insurance is to be arranged with another insurer.

14 What happens if my credit contract ends before any insurance contract over mortgaged

property?

You can end the insurance contract and get a proportionate rebate of any premium from the insurer.

MORTGAGES

15 If my contract says I have to give a mortgage, what does this mean?

A mortgage means that you give your credit provider certain rights over any property you mortgage. If you default under your contract, you can lose that property and you might still owe money to the credit provider.

16 Should I get a copy of my mortgage?

Yes. It can be part of your credit contract or, if it is a separate document, you will be given a copy of the mortgage within 14 days after your mortgage is entered into.

However, you need not be given a copy if the credit provider has previously given you a copy of the mortgage document to keep.

17 Is there anything that I am not allowed to do with the property I have mortgaged?

The law says you can not assign or dispose of the property unless you have your credit provider's, or the court's, permission. You must also look after the property. Read the mortgage document as well. It will usually have other terms and conditions about what you can or cannot do with the property.

18 What can I do if I find that I cannot afford my repayments and there is a mortgage over property?

See the answers to questions 22 and 23.

Otherwise you may—

- if the mortgaged property is goods — give the property back to your credit provider, together with a letter saying you want the credit provider to sell the property for you;

- sell the property, but only if your credit provider gives permission first;

OR

- give the property to someone who may then take over the repayments, but only if your credit provider gives permission first.

If your credit provider won't give permission, you can contact their external dispute resolution scheme for help.

If you have a guarantor, talk to the guarantor who may be able to help you.

You should understand that you may owe money to your credit provider even after mortgaged property is sold.

19 Can my credit provider take or sell the mortgaged property?

Yes, if you have not carried out all of your obligations under your contract.

20 If my credit provider writes asking me where the mortgaged goods are, do I have to say where they are?

Yes. You have 7 days after receiving your credit provider's request to tell your credit provider. If you do not have the goods you must give your credit provider all the information you have so they can be traced.

21 When can my credit provider or its agent come into a residence to take possession of mortgaged goods?

Your credit provider can only do so if it has the court's approval or the written consent of the occupier which is given after the occupier is informed in writing of the relevant section in the National Credit Code.

GENERAL

22 What do I do if I cannot make a repayment?

Get in touch with your credit provider immediately. Discuss the matter and see if you can come to some arrangement. You can ask your credit provider to change your contract in a number of ways —

- to extend the term of your contract and reduce payments; or
- to extend the term of your contract and delay payments for a set time; or
- to delay payments for a set time.

23 What if my credit provider and I cannot agree on a suitable arrangement?

If the credit provider refuses your request to change the repayments, you can ask the credit provider to review this decision if you think it is wrong.

If the credit provider still refuses your request you can complain to the external dispute resolution scheme that your credit provider belongs to. Further details about this scheme are set out below in question 25.

24 Can my credit provider take action against me?

Yes, if you are in default under your contract. But the law says that you cannot be unduly harassed or threatened for repayments. If you think you are being unduly harassed or threatened, contact the credit provider's external dispute resolution scheme or ASIC, or get legal advice.

25 Do I have any other rights and obligations?

Yes. The law will give you other rights and obligations. You should also READ YOUR CONTRACT carefully.

IF YOU HAVE ANY COMPLAINTS ABOUT YOUR CREDIT CONTRACT, OR WANT MORE INFORMATION, CONTACT YOUR CREDIT PROVIDER. YOU MUST ATTEMPT TO RESOLVE YOUR COMPLAINT WITH YOUR CREDIT PROVIDER BEFORE CONTACTING THE AFCA SCHEME. IF YOU HAVE A COMPLAINT WHICH REMAINS UNRESOLVED AFTER SPEAKING TO YOUR CREDIT PROVIDER YOU CAN CONTACT THE AFCA SCHEME OR GET LEGAL ADVICE.

THE AFCA SCHEME IS A FREE SERVICE ESTABLISHED TO PROVIDE YOU WITH AN INDEPENDENT MECHANISM TO RESOLVE SPECIFIC COMPLAINTS. THE AFCA SCHEME CAN BE CONTACTED AT 1800 931 678, www.afca.org.au/info@afca.org.au or GPO BOX 3 MELBOURNE VIC 3001.
