ACKNOWLEDGMENT

I want HSBC to open the account or accounts I've applied for. I agree to the content in the below documents and understand they are the agreement between HSBC and me, and that agreement contains rights and obligations between HSBC and me:

- [HSBC Financial Services Guide for Transactions and Savings Accounts](#)
- [Transaction and Savings Accounts Terms](#)
- [Personal Banking Booklet](#)
- Home Loan Offset Account terms within the [Home Loan Terms](#) (if I'm applying for a standard variable rate home loan)
- [Premier Services Guide](#) (if I'm applying for Premier)
- [Privacy Policy](#)

I'm aware of the current interest rate that applies to my account or accounts, which is on HSBC's website.

I've been told about:

- the risk that interest rates move, and not in the direction or size I may have thought, which can result in a lower return from what I expected when I applied for the account;
- the risk that foreign currencies change in value, due to exchange rate movements, as well as that Chinese Renminbi is restricted, which may also impact on its value;
- that the effectiveness of HSBC's systems, processes and procedures will impact its ability to service the account, for example, if one of HSBC's systems goes down, my transaction may not be processed as quickly as if the system were fully functioning;
- that like with all financial institutions, HSBC's financial strength will impact its ability to meet its obligations, and that HSBC is regulated by the Australian Prudential Regulation Authority, and complies with regulatory measures to reduce this risk;
- the fees and charges that apply to the account I'm applying for;
- that if I've got a complaint, HSBC has an internal dispute resolution mechanism to try and resolve it, and if this isn't done then I can go free of charge to the Australian Financial Complaints Authority, and that these details are in the Financial Services Guide; and
- that there's no cooling-off period to open an account.

I've been given HSBC's [Inclusive and Accessible Banking factsheet](#).

I've also been given the following which will allow me to access my account or accounts:

- Personal Banking Number
- Access Code
- Secure Key

I agree that:

- the information in this form, any information on us or any account may be provided to tax authorities in Australia, and overseas if I'm a tax resident in another country;
- if I've given HSBC information about anyone else then I'll tell that person within 30 days of me signing this form that this information may be provided by HSBC to tax authorities in Australia or overseas if that person's a tax resident in another country; and
- I'll tell HSBC within 30 days of any changes to my situation which affects my tax residency or the tax residency of anyone connected to this account or causes something I've told HSBC to be incorrect, and I'll give HSBC a declaration of this new information within 90 days of that change.

This application form is not for distribution outside of Australia, and should not be interpreted as being an invitation or inducement for HSBC's products or services outside of Australia.

Members of the HSBC Group would like to contact you with various product offers and promotions. This can happen via mail, telephone, e-mail, SMS or other electronic ways.
