

# Supplementary Product Disclosure Statement

For HSBC Day to Day Accounts, Premier Cash Management Accounts, Savings  
Cheque Accounts and Power Vantage Cash Management Accounts.

**Issued 1 July 2019**

## **IMPORTANT INFORMATION**

This Supplementary Product Disclosure Statement (“SPDS”) supplements, and is intended to be read with, the HSBC Personal Deposit Accounts Combined Product Disclosure Statement and Financial Service Guide with Terms and Conditions (“PDS”) issued 1 July 2019.

The date of this SPDS is 1 July 2019.

This SPDS only applies to HSBC Day to Day, Premier Cash Management, Savings Cheque and Power Vantage Cash Management Account customers. It does not apply to, and need not be read by, a customer who does not hold an HSBC Day to Day, Premier Cash Management, Savings Cheque or Power Vantage Cash Management Account. For HSBC Day to Day, Premier Cash Management, Savings Cheque or Power Vantage Cash Management Account customers, this SPDS provides further information on, and includes the Terms and Conditions for accounts with cheque access.

This SPDS is intended to operate in conjunction with the PDS. However, if there is any inconsistency, the PDS prevails.

This SPDS is issued by HSBC Bank Australia Limited (ABN 48 006 434 162) (AFSL 232 595).

The following clause 8.3 is inserted into Part B: Account Terms of the Personal Deposit Accounts Combined Product Disclosure Statement and Financial Services Guide with Terms and Conditions:

### **8.3 The following information applies on accounts with cheque access:**

- (a) cheques are drawn on your accounts and are typically prepared by you. A new cheque book will be automatically re-ordered and mailed to you when you are 80% of the way through your current cheque book.
- (b) we will not pay on cheques that:
  - i) have not been signed by you;
  - ii) are dated after the day you write the cheque; or
  - iii) are presented for payment after 6 months.

- (c) if you cross a cheque with two parallel lines, it will only be paid into an account and cannot be cashed. This is known as “crossing”, and is usually drawn vertically or in a right elevation across the cheque, or in a right elevation in the top left corner of the cheque;
- (d) writing “Not Negotiable” between two parallel lines that have crossed the cheque means the person who received the cheque has no greater rights than the person who gave the cheque, and helps protect the true owner of the cheque if it is lost or stolen;
- (e) writing “Not Negotiable Account Payee Only” between two parallel lines that have crossed the cheque means that the cheque can only be paid into the account of the named payee;
- (f) drawing a line through the words “or bearer” that are printed on the cheque means the cheque can only be paid to the payee on the cheque or the person who has had the cheque endorsed to them;
- (g) you can arrange with us for a cheque to be cleared faster than the usual time. This is known as “special clearance” and we may charge a fee for this service; and
- (h) make sure that only non-erasable pen is used when writing a cheque, do not sign blank cheques and ensure no space is left before or after the amount.

## Minimum and maximum ages

The Account is available to children of Premier customers, who are aged up to and including 28 years. Once the child reaches the age of 29 years, we can convert the Account to another kind of HSBC account, in our reasonable discretion.

## Account structure

The permitted options for how an HSBC Premier Children's Savings Account may be structured are:

Age of child	Opened by HSBC Premier customer as trustee for the child	Opened as a joint account in the name of the child and parent or guardian who holds HSBC Premier status	Opened in child's name alone
0-11	✓	✗	✗
12-15	✓	✓	✗
16-28	✓	✓	✓

## Loss of HSBC Premier customer status

The child only has HSBC Premier customer status for so long as the parent or guardian qualifies for HSBC Premier customer status. In the event that the parent or guardian no longer qualifies for HSBC Premier customer status, we can convert the HSBC Premier Children's Savings Account to another kind of HSBC account, in our absolute discretion.

## Taxation considerations

The summary of taxation considerations in this section is necessarily general in nature and does not take into account specific circumstances of each individual customer. We recommend that you obtain independent taxation advice in respect of your specific circumstances before opening an HSBC Premier Children's Savings Account.

Any interest income derived from the HSBC Premier Children's Savings Account should be assessable to you or your child, as the case may be. You (or your child) may be required to declare the interest income derived in the income tax return.

Whether the interest income should be declared in your or your child's income tax return may depend upon:

- If you have control over the dedicated HSBC Premier Children's Savings Account, any interest derived from that Account should be assessable in your hands. Under this circumstance, your TFN should be provided to us when opening the Account for your child in order to avoid the TFN withholding tax. This should typically arise where the dedicated HSBC Premier Children's Savings Account is opened for your child who is between 0 and less than 16 years of age.
- If you have no control over the dedicated HSBC Premier Children's Savings Account (ie the Account is to be used only by your child), any interest derived from that Account should be assessable in the hands of your child. Under this circumstance, your child should provide us with their TFN when opening the Account. If the child had not turned 16 on 1 January before any interest payment is made, proof of the child's age is provided to us and the payment in respect of the financial year is less than AUD420 (pro-rated if not in respect of the whole financial year) then no withholding will be made for failure to provide a TFN to HSBC.

There is no age limit to apply for a tax file number. No TFN withholding tax would arise if the child provides us with their TFN.

More detailed information can be found in the ATO website ([www.ato.gov.au](http://www.ato.gov.au)).

# Term Deposit Account

## Product schedule

### What is it?

An HSBC Term Deposit Account offers a fixed interest rate for your chosen term and is ideal to help you save.

### Key features

- Choose from a range of terms: 7days – 12 months, 15 months, 18 months and 2 – 5 years.
- Choose the frequency that interest is paid to your Account: monthly, quarterly, annually or at maturity depending on the term.
- Access your term deposit details through Online, Mobile and Phone banking.
- Available in major foreign currencies.

With a Term Deposit Account your money is deposited for a fixed term and therefore, you should only invest money that will not be required for that period of time. If you do break your term, the interest rate you receive will only be half of the interest rate that is set on the date your application is received and an administration fee will apply, details of which are set out in the booklet *Personal financial services charges - your guide*.

**Minimum deposit amounts** – AUD5,000 for accounts in Australian Dollars. For other currencies see below.

Currency	Deposit
Hong Kong Dollars (HKD)	40,000
United States Dollars (USD)	5,000
Great Britain Pound Sterling (GBP)	3,000
Euro (EUR)	6,000
Canadian Dollars (CAD)	6,000
Japanese Yen (JPY)	500,000
Singapore Dollars (SGD)	6,000

New Zealand Dollars (NZD)	10,000
Renminbi <sup>1</sup> (CNY)	50,000

Currencies not listed above may be accepted by arrangement.

1. Transaction restrictions and conditions may apply.

**Maximum deposit** – No maximum.

**Interest rate** – The interest rate applicable to your Account will be our prevailing interest rate at the time your Account is opened or renewed. The interest rate is a fixed rate that will not change during the agreed term of your deposit for your Account unless you withdraw the deposit before the end of that term. The rate is set out on the date your application is received and is recorded in the New Term Deposit Confirmation for your Account. Your Account will start earning interest from the date we receive your deposit.

**When is interest credited** – You may choose the frequency with which interest may be credited. Interest may be credited in the following manner:

- Monthly, quarterly or at maturity for Term Deposit Accounts with a term of 12 months or less;
- Monthly, quarterly or annually for Term Deposit Accounts with a term greater than 12 months.

The New Term Deposit Confirmation for a Term Deposit Account will show the frequency you have chosen for your Account.

**Where is interest credited** – You may choose to have interest credited to a nominated bank account or paid by bank cheque (one free bank cheque available) or some other form agreed by us. Interest not already paid can be reinvested at maturity.

**Withdrawals before the end of the term** – Withdrawals may be made before the end of the specified term. If you withdraw your funds before the end of the term, the interest rate that is set out in your New Term Deposit Confirmation will be reduced by 50% and an administration fee will apply, details of which are set out in the booklet *Personal financial services charges - your guide*.

If you want to withdraw from your Account you must withdraw all funds and the Account will be closed. Your withdrawal instruction will not be effective unless you tell us what to do with the funds in the Term Deposit Account.

Withdrawals can be made in person at HSBC branches or by providing written confirmation to us that you wish to withdraw funds prior to the end of the term.

**How deposits can be made** – No additional deposits can be made during the term of your Account.

The **initial deposit** to open your Account can be made as follows:

In person at HSBC branches	✓
By Phone Banking <sup>1</sup>	✓
By Mobile Banking <sup>1</sup>	✓
By Online Banking <sup>1</sup>	✓

1. To use the HSBC Mobile Banking and/or Online Banking Service you must register for the Online Banking Service. To use the HSBC Phone Banking Service you must also register for that service.

**Statements** – You agree that statements of account need not be provided for Term Deposit Accounts. You will receive a letter of confirmation and a renewal letter of confirmation, should you choose to renew your Term Deposit Account with us. If you have other accounts with us, you may receive a consolidated statement of account which includes your Term Deposit Account.

**What happens when a Term Deposit Account matures** – On maturity of a Term Deposit Account, we will act in accordance with the maturity instructions provided by you. Your maturity instruction should include whether the principal and any interest that has not already been paid is to be repaid in cash, by bank cheque, credited to a nominated bank account, renewed with or without additional funds. We must receive your maturity instruction in writing at least 2 Banking Days before maturity, for it to be effective.

In the event that there are no maturity instructions provided to us at least 2 Banking Days before the maturity date, we will renew the principal deposit for the same term at the interest rate applicable on the date of maturity. The principal deposit amount renewed will be the principal and any interest that has not already been paid. If this occurs then the interest rate you receive may be different than the interest rate you received for your previous Term Deposit Account.

## **Other information about Personal Deposit Accounts**

### **Security of access methods**

For maximum protection of your assets, it is important to keep safe any secret codes such as the Access Codes/Passwords or the identification reference you use for Phone Banking and the Online Banking Service, and the PINs for your Visa Debit Cards. Examples of security measures you should take are set out clause 14 "Security of Access Methods" in Part C "Banking Electronically Terms" in the Terms and Conditions. If you do not take those security measures, you may be liable for unauthorised transactions.

### **Joint account holders**

If your Account is opened as a joint account, each account holder will be jointly and severally liable for the actions of each other account holder. For more information about joint accounts, see clause 2 "Joint Accounts" in Part B "Account Terms" in the Terms and Conditions.

### **Risks associated with foreign currency accounts**

In deciding whether or not to open a Personal Deposit Account in a foreign currency, you should be aware of the risks set out below. However, this section does not purport to disclose all of the risks associated with currency transfers or transactions involving foreign currencies. We recommend that you obtain independent financial, legal and taxation advice before you enter into currency transfers or transactions involving foreign currencies.

A balance held in a foreign currency may present the following risks:

- Past performance of a currency is not necessarily an indication of its future performance; and
- due to fluctuations in currency exchange rates, a rate of exchange when you hold a balance in a foreign currency may be different from the rate of exchange you may obtain subsequently when carrying out a currency transfer.

Therefore, you must use your own independent judgment in respect of currency transfers and not rely on any advice, opinions or data supplied by HSBC.

### **Closure of your Account**

We reserve the right to close your Account for any reasonable reason. For more details, see clause 19 "Closing an Account" in Part B "Account Terms" in the Terms and Conditions.

## **Goods and Services Tax (GST)**

Dollar amounts stated in any part of the PDS or the Terms and Conditions include GST where it applies, unless stated otherwise. You may be charged GST in addition to the fees or charges that you are required to pay where the fees or charges are expressed to be GST exclusive.

## **Taxation considerations**

The summary of taxation considerations in this section is necessarily general in nature and does not take into account specific circumstances of each individual customer. We recommend that you obtain independent taxation advice in respect of your specific circumstances before opening an Account or entering into any currency transfers or transactions involving foreign currencies.

Any income from your Account which is assessable must be declared in your relevant tax return or filing.

### *Interest credited to your Account*

Interest credited to your Account during each financial year may be assessed for income tax purposes. In some circumstances (eg. if you are tax exempt) this interest may not be included as part of your income tax assessment.

### *Withholding tax*

If you are an Australian resident you may, but are not obliged to, provide us with your Tax File Number (TFN). If you do not provide your TFN, we must withhold tax calculated at the highest marginal tax rate plus the Medicare levy from the interest and remit the withheld amount to the Australian Taxation Office (ATO). If you are not an Australian resident, we must withhold non-resident withholding tax (10% at the date of this PDS, unless an exemption applies or the rate reduced under the relevant double tax agreements) from the interest and remit the withheld amount to the ATO.

If you have taxation obligations to a foreign regulatory or tax authority ("Tax Authority") you agree that we shall be entitled without incurring any liability to you: (a) to deduct or withhold tax or any other sum or levy from your Account or from any payment or benefit that is payable to you by us or credited to your Account; and (b) to pay over or otherwise account for any such tax or equivalent sum to the relevant Tax Authority in accordance with the HSBC Group's tax and accounting obligations (including reporting) and whether calculated by us or as specified by a Tax Authority or by any law, legislation or regulation of Australia or of any foreign country or agreement with the Tax Authority of a foreign country.

## Foreign exchange gains and losses

Transactions (in particular withdrawals) in relation to foreign currencies may give rise to taxable gains or deductible losses. The treatment of these transactions for taxation purposes will depend on your individual circumstances and you should seek appropriate tax advice.

## Chinese currency

This section applies to all personal savings and deposit accounts that can transact through Online Banking, Mobile Banking, Phone Banking and branches, and specifically to the following account types:

- Foreign Currency Savings Account;
- Everyday Global Account;
- Flexi Saver Account;
- Foreign Currency Cash Management Account;
- HSBC Premier Foreign Currency Savings Account; and
- Term Deposit Accounts.

Chinese currency (called 'Renminbi' or 'CNY') is now available for these accounts. This section explains the main ways in which using these accounts to transact in Renminbi differs from using them to transact in other currencies, as set out in this PDS.

## Minimum opening deposit

- Term Deposits – CNY50,000

You can transact in Renminbi through Online Banking, Mobile Banking and Phone Banking or in person at HSBC branches.

In addition, Renminbi is subject to certain controls and there are limitations which currently apply to everyday transactions.

Restriction	Description
No cash handling	HSBC Australia does not allow Renminbi cash deposits or withdrawals.
Destination of funds	Remitting Renminbi to mainland China and Macau is not permitted.
Australian Renminbi exchange limits	Currently, Australia has no Renminbi exchange limits.

## Remitting Renminbi

HSBC Australia does not have a set limit for the value of overseas remittances of Renminbi. However, there may be cases where the receiving bank is limited to the value of Renminbi it is allowed to receive in any one payment. You should confirm if there are specific limits directly with any receiving banks.

Should the remittance be rejected and the funds are returned due to restrictions set by a receiving bank, HSBC Australia will not be liable for an exchange loss suffered, principal lost or fees incurred. HSBC Australia will also not refund any remittance fees. It may take several days for such returned funds to be received into your account with HSBC Australia.

## Foreign exchange transactions in Renminbi

Exchange rates and interest rates quoted by HSBC are based on offshore market pricing.

You should be aware of the potential risks of investing in a currency that is not your usual currency. Fluctuations in exchange rates may also impact adversely when converting currencies to and from Renminbi. For example, due to foreign exchange fluctuations, the actual Australian dollar equivalent of a Renminbi deposit could be smaller than the original amount deposited in Australian dollars (i.e. there is a risk of loss of principal on an Australian dollar basis).

Please also remember that past performance of a currency is not necessarily an indication of its future performance.

## Your contract with us

If you open a Personal Deposit Account, the following documents make up the contract between you and us:

- Part 1 of this PDS – i.e. the PDS part of this document;
- Part 2 of this PDS – i.e. the booklet *Personal financial services charges – your guide*;
- Part 3 of this PDS – i.e. the interest rates sheet for the particular Personal Deposit Account;
- the Terms and Conditions; and
- your Account Opening Documents.

We may change this PDS (Parts 1, 2 or 3), or the Terms and Conditions.

## If you have a complaint or query

If you have a complaint or query (e.g. if you believe that an EFT transaction is wrong or unauthorised or there is an error in an account statement), please raise your concerns with us. You can speak with any Branch Customer Service Manager or any Branch Manager in Australia or our Customer Relations Team, telephone 1300 308 188 or if you are calling from overseas: + 61 2 9005 8181. Alternatively, you can visit our website at [www.hsbc.com.au](http://www.hsbc.com.au) and raise your concerns via the “Contact Us” icon.

If your complaint is not resolved by raising your concerns with us, you can contact the Australian Financial Complaints Authority (AFCA) telephone 1800 931 678, [info@afca.org.au](mailto:info@afca.org.au) or [www.afca.org.au](http://www.afca.org.au). This is an independent and impartial body which provides a free external dispute resolution procedure.

Complaints and queries concerning Visa Debit Cards can only be made by an account holder. If an account holder has a complaint concerning a matter relating to the use of a Visa Debit Card or if they believe there is an error on a statement of account relating to the use of a Visa Debit Card, they must tell us immediately in Australia by telephoning 1300 308 188 or contacting their HSBC branch or, if overseas, by telephoning +61 2 9005 8181. We may decide to resolve the matter under the rules of the Visa International card scheme. If we do so, resolution of the matter will be governed by the time limits imposed by those rules and if an account holder delays notifying us of any apparent error, our ability to investigate and resolve the matter may be restricted. For this reason an account holder should report any suspected unauthorised transaction to us as soon as possible. For more information about complaints and queries concerning Visa Debit Cards, see the Dispute Resolution section of the Terms and Conditions.

## **Part B: Account Terms**

### **1 Account Opening**

- 1.1 You must supply the documents, information and authorisations HSBC requires (including, without limitation, the Account Opening Documents) for the purposes of opening and maintaining the Account and to meet HSBC’s regulatory obligations.
- 1.2 We may reject an application for the Account.
- 1.3 Minimum opening balances may apply to your Account. Please refer to the Product Schedule.
- 1.4 For Serious Saver Accounts, only one Account per customer will be

permitted. We reserve the right to close any Account where in our subjective opinion more than one Account has been opened and will advise you in writing if we close your Account.

- 1.5 If your Serious Saver Account is closed, you cannot open another Serious Saver Account at any time within three months from the date of closure of your Serious Saver Account.
- 1.6 The Serious Saver Account is not available for Trust, Business and Company Accounts. We may, however, make exceptions to this on a case-by-case basis.

## **2 Joint Accounts**

- 2.1 Where the Account is in the name of more than one person, the following applies:
  - (a) The credit balance in the Account will be held jointly by all of you – this means that each of you separately, and all of you together, have the right to all of the Available Funds in the Account;
  - (b) If the Account at any time has a debit balance, then all of you together and each of you individually, will be liable to repay the whole of the debit balance; and any other amounts payable under these Terms and Conditions;
  - (c) Instructions in respect of the Account may be given only in accordance with the election made by you in the Account Opening Documents except that if we become aware of a dispute between you, we may decide not to operate the Account until all of you have signed an authority for us to act;
  - (d) If one of you dies, your ownership interest in the Account passes automatically to the surviving Account holder(s); and
  - (e) We can send notices, statements and other documents (including any notifying changes to these Terms and Conditions) by sending them to any of you and they will be taken to have been given to all of you.

## **3 Trust Accounts**

- 3.1 You must tell us if you open the Account as trustee and give us the full name of the trust. You must also provide us with a copy of the document creating the trust. If you are the trustee(s) of a trust then:
  - (a) These Terms and Conditions will bind you both personally and as trustee(s) of the trust;

- (b) You promise you are the only trustee(s) of the trust, the trust is validly constituted and you as trustee(s) have power to enter into these Terms and Conditions; and
- (c) You promise to comply with your duties as trustee(s).

#### **4 Authorised Signatories**

- 4.1 You may give a person who is at least 18 years of age the authority to operate an Account on your behalf as an Authorised Signatory. To do this you will need to sign the documentation we require.
- 4.2 Access to an Account by an Authorised Signatory is subject to our requirements from time to time. All Authorised Signatories must be identified in accordance with the relevant law.
- 4.3 You should ensure that any Authorised Signatory has received and read the Terms and Conditions. If they do not comply with any of these Terms and Conditions, the result will be the same as if you had not complied.
- 4.4 You must tell us if you want to cancel the authority of an Authorised Signatory on the Account. You must do so either:
  - (a) by delivering a request in writing to an HSBC branch; or
  - (b) if you have provided us with an indemnity in the form we require, by facsimile to HSBC Technology Services – Service Delivery on fax number 1300 765 150 or + 61 2 9762 9339
- 4.5 You remain responsible for all transactions made by the Authorised Signatory until 48 hours after we have received your cancellation of the authority in one of the above ways.

#### **5 Deposits**

- 5.1 The Account may be subject to a minimum opening balance. Please refer to the Product Schedule for confirmation.
- 5.2 We may impose restrictions on the minimum and maximum amounts that we accept as deposits.
- 5.3 We may set restrictions on how deposits are able to be made to the Account.
- 5.4 You will need to arrange any automatic direct deposit with the person who will make the deposit.
- 5.5 If a cheque is deposited, or sums are otherwise transferred, to the

Account the amount of the cheque or sums transferred will be credited to the Account by close of business on the Banking Day on which they are received. The amount of any cheque deposited will not be available for withdrawal or transfer to another account until the cheque is cleared.

- 5.6 You will not receive a receipt from us where you deposit cheques in our express boxes located in our branches or when you post a cheque to us.
- 5.7 However, you can obtain information about whether or not the deposited Cheque's funds have processed and cleared into your Account by calling our Direct Banking Centre or viewing your Account information on the internet (for Accounts with Online Banking Service only).
- 5.8 Cheques are usually cleared in 3 Banking Days, but clearing may take longer in some instances. It will take longer for a cheque in a foreign currency. If the cheque is returned to us uncleared, we will debit the Account with the amount of the uncleared cheque together with any related charges:
  - (a) made by us, details of which are contained in the booklet *Personal financial services charges – your guide*; and/or
  - (b) made by another bank.
- 5.9 Where an Australian dollar cheque is deposited into an Account which you hold in a different currency and the Australian dollar cheque is dishonoured, we will debit the Account with the value of the cheque calculated using our prevailing buying rate or the original selling rate, whichever is lower.

## **6 Withdrawals**

- 6.1 We may set restrictions on how withdrawals are able to be made from the Account.
- 6.2 We may set restrictions on the amount that can be withdrawn from the Account at any one time.
- 6.3 The credit balance in a Term Deposit Account is deposited for the term specified in the New Term Deposit Confirmation. If you make any withdrawal from your Account before the end of the specified term, the interest rate you receive will only be half of the interest rate that is set on the date your application is received and an

administration fee will apply, details of which are contained in the booklet *Personal financial services charges – your guide*.

## **7 Operation of the Account generally**

- 7.1 Any debit from or credit to the Account shall be made by us in accordance with our usual practice and, in the case of credits made in anticipation of the receipt of funds, subject to receipt of such immediately available funds. In the event that such funds are not received or any payment is reversed, we may debit the Account with an amount representing funds which are not actually received for value at the anticipated time or the reversed payment.
- 7.2 A debit or credit to the Account is taken to be made, and has effect, on the date assigned to it (which may be different from the date we processed it and recorded it in the Account).
- 7.3 We may subsequently adjust debits and credits to the Account, and the Account balance, to accurately reflect the legal obligations of you and us (for example, if we discover an error or a cheque is dishonoured). If we do this, we may make consequential changes (including to interest amounts).
- 7.4 Subject to any relevant legislation, we may destroy any documents relating to the Account after copying them.
- 7.5 We have the right to refuse any transaction to and from your Account or to freeze your Account in certain situations. For example, we may do so if we have not received clear or undisputed instructions or authority from you or we believe on reasonable grounds that you may be in breach of the laws of any jurisdiction, including but not limited to laws in relation to money laundering and counter-terrorism. Any profanity that appears on your transaction narrative may be removed by us at our sole discretion.

### **For Serious Saver Accounts:**

- 7.6 You must specify a Nominated Account in the Account Opening Document to open and operate your Account. Your Nominated Account must be held in Australia by you with any financial institution (including us). A withdrawal from your Account can only be made to your Nominated Account.
- 7.7 You may change your Nominated Account at any time. If you close your Nominated Account, you won't be able to make a new Nominated Account Transfer until you provide details of a new Nominated Account. Contact us for more information. Your new

Nominated Account or requested changes will not take effect until verified by us.

### **For Everyday Global Accounts:**

- 7.8 If you use your Visa Debit Card to transact using a particular foreign currency and there are insufficient foreign currency funds available in your account, you instruct us to debit the full amount of the transaction in the Australian Dollar (AUD) equivalent (from the control account) in order to complete the transaction. Please refer to clause 16.4 on how an instruction like this will be processed. If there are insufficient Australian Dollars (AUD) in your account then we will not process the transaction.

## **8 Accounts with Cheque Access**

- 8.1 The following terms and conditions apply if you have cheque access to your Account (that is, write cheques against the Account):
- (a) if requested by you, we will provide cheques to you;
  - (b) you must keep cheque books under secure control at all times;
  - (c) you may only write cheques in Australian currency. The amount should be stated clearly in words and figures in the spaces provided on the cheques. To prevent fraud, words and figures should be written close to the left hand margin so that other words and figures cannot be inserted;
  - (d) alterations to cheques should be counter signed with full signature. Unless a full signature is used, we may return cheques that have been altered;
  - (e) you acknowledge the need to exercise care when drawing cheques and you will not draw cheques by any means which may enable a cheque to be altered in a manner which is not readily detectable;
  - (f) cheque books are issued on and subject to the conditions printed on the inside front cover of the cheque book and you will be bound by those conditions;
  - (g) we reserve the right to impose a service charge or return fee in respect of returned cheques;
  - (h) you may only countermand payment of a cheque by giving written instructions before the cheque has been paid to us, clearly identifying the cheque in question; and

(i) you must tell us as soon as possible of any loss or theft of any cheques issued or provided to you.

8.2 If you do not comply with clause 8.1 you may be liable for any loss incurred on your Account. You should notify HSBC in Australia by calling us on 1300 308 008 (or from overseas call +61 2 9005 8220).

## **9 Overdrawn Accounts**

9.1 You can request an overdraft, or an increase to an existing overdraft. This is a Service we make available to you so that you do not accidentally embarrass yourself by inadvertently exceeding your Available Funds. You can request this in one of two ways:

(a) by way of a formal request, that is, you ask us for and we agree to provide you with, an overdraft facility before you authorise any payments or withdrawals from the overdraft facility. An overdraft facility is completely separate and distinct from your Account; or

(b) by way of an informal request, that is, where you authorise a payment or withdrawal to be made from your Account which, if made by us, would cause your Account to go overdrawn without having agreed with us in advance an overdraft limit on your Account to cover such payment.

9.2 If we receive an informal request for an overdraft limit from you (i.e. your Account becomes temporarily overdrawn), we will consider your request and if we agree to it, we will provide you with an overdraft or an increase to your existing overdraft to cover the item concerned for 62 days. An Overdraft Arrangement Fee may be charged if we agree to your informal request. You will not be charged further Overdraft Arrangement Fee(s) provided your Account does not go any further overdrawn. However, if your Account goes into debit, or the overdrawn balance on your Account increases and you then make another informal request for an overdraft and if we agree to such a request, we may charge you a further Overdraft Arrangement Fee.

9.3 If we do not agree to an informal request from you for a temporary overdraft, then we will not make any payment authorised by you that would cause your Account to go overdrawn. We may charge for considering and returning these attempted payment requests and a return fee will be payable for considering and returning these

payment requests, e.g. cheque, standing order, direct debit etc. Please refer to the booklet *Personal financial services charges – your guide* for details about our charges.

- 9.4 If you do require an overdraft or an increase to an existing overdraft, please contact us to discuss your borrowing requirements.
- 9.5 Unless an Account has an approved overdraft arrangement you should maintain a positive balance in the Account. We are under no obligation to honour cheques, or to pay other transactions which would overdraw an Account or exceed any agreed overdraft. Should we exercise our discretion to honour a cheque or to pay a transaction where no such arrangement exists, or which causes a temporary overdraft limit to be exceeded, the Account must be returned to a positive balance or a balance within the temporary overdraft limit immediately.
- 9.6 If a cheque written on the Account, or a periodic payment or other direct debit from the Account, causes the Account to go into debit the payment may be dishonoured. A fee may be charged for the Services we may provide to you to deal with a dishonoured payment or for allowing the Account to become overdrawn (see Overdrawn Accounts above).
- 9.7 These Services will be provided in the event that you unsuccessfully request a temporary overdraft and you attempt to make a payment from your Account. If these things happen we will charge you a return fee to your Account. We will charge this fee as we will be required to not only consider and return these attempted payment request(s) but also we will monitor your Account and a staff member may attempt to contact you to bring this matter to your attention and assist you in either making your future payments before your Account becomes overdrawn or by suggesting you utilize a different account. If you remedy the situation before we are able to bring it to your attention we will still charge the fee and you will be able to use this service any time before your Account becomes overdrawn again.
- 9.8 If we have approved a temporary overdraft arrangement for the Account in the manner described in clause 9.2 and the Account becomes overdrawn, debit interest will be charged to the Account. It will be charged on the daily closing debit balance using the

Excess Rate. It will accrue daily and be debited to the Account on or about the 28th day of each calendar month. This debit interest is charged in return for us managing the risk we incur in agreeing to your informal request for a temporary overdraft arrangement.

- 9.9 If the Account has an approved overdraft facility and the overdraft limit is exceeded, debit interest on the excess will be charged in accordance with the terms and conditions relating to the overdraft or, if those terms and conditions are silent on debit interest on an excess over limit, then interest will be charged on the daily excess amount using the Excess Rate. Please refer to the booklet *Personal financial services charges – your guide*.

## **10 Interest**

- 10.1 Interest is calculated on the daily closing credit balance in the Account. Interest accrues daily and is paid (or collected by us, for instance, where a central bank has caused an official cash rate to fall below zero) with the frequency, and to the Account, set out in the Product schedule. Interest is also paid on closure of the Accounts (except for Serious Saver Accounts). If the Account is a Term Deposit Account, interest accrues daily and is paid in accordance with the Product Schedule and your New Term Deposit Confirmation.
- 10.2 If the Account is a Everyday Global Account, interest is calculated on the individual daily balance of the control account and each sub account. The interest amounts for each currency are credited to the respective currency monthly.
- 10.3 Interest is paid or credited in full if you are an Australian resident for tax purposes and you have provided your tax file number or your Australian Business Number ABN (if you have one) or you satisfy us that you have an exemption from doing so. Otherwise we are required by law to deduct from any interest payment to which you are entitled, withholding tax calculated at the highest marginal tax rate plus the Medicare Levy.
- 10.4 If you are not an Australian resident for tax purposes the withholding tax requirements will be different. We are required by law to deduct non-resident withholding tax (currently 10% as at the date of these Terms and Conditions) from any interest payment to which you are entitled and pay it to the Australian Tax Office (ATO). Please contact your tax adviser for details.

10.5 We are required to report details of, amongst other things, income earned, withholding tax deducted and tax file number quoted to the Australian Taxation Office. We are not liable if the Australian Taxation Office requires a deduction for an incorrect amount.

## **11 Interest Rates**

11.1 The interest rate on the Account will be the rate we notify you from time to time as applicable to that Account.

11.2 Different interest rates may apply to different levels of Account balances. These rates, and the level of Account balances to which they apply, are set by us and, unless the Account is a Term Deposit Account, may change at any time. Please refer to the Product Schedule.

11.3 Details of the current interest rate(s) applicable to the Account are available:

- (a) by calling 1300 308 008 (or from overseas +61 2 9005 8220);
- (b) on our internet site [hsbc.com.au](http://hsbc.com.au); and
- (c) from any of our HSBC branches on request.

## **12 Fees and Charges**

12.1 Other than government fees and charges the fees and charges we debit to your Account from time to time, are debited by us for the provision, to you, of a Service.

12.2 These fees and charges for services will also include the cost of what is charged to us by other financial institutions, banks and service providers who charge us for returning payments that you attempt to make from your Account, via the payment systems that they own. We have little control over the fees and charges charged to us by other financial institutions and banks and service providers.

If you use an ATM that belongs to another financial institution, bank or their service provider you may be charged an ATM Operator Fee for the use of that ATM. HSBC cannot control these ATM Operator Fees that are charged for use of non-HSBC ATMs. Please check with other financial institutions, banks or service providers before you use their ATMs.

12.3 Regardless of whether or not we provide you with the Service before or after we debit the fee to your Account, you authorise us

to debit to the Account:

- (a) all fees and charges applicable to the Account as notified to you by us from time to time – (details of fees and charges applicable at the time you open the Account are set out in the booklet *Personal financial services charges – your guide*); and
- (b) an amount or amounts on account of any government charges and duties on receipts or withdrawals in relation to the Account or any of the Account documentation (this includes stamp duty and any other tax where it is applicable).

12.4 We will debit the Account for bank fees and government charges and duties on the first business day of each calendar month. Some fees and charges will be debited when the event for which they have been charged occurs (for example, a fee for dishonour of a cheque will be charged when the cheque is dishonoured). Fees and charges will also be debited on closure of the Account. If these amounts result in a debit balance they are payable on demand or when we debit the Account for them.

12.5 Information on current fees and charges is available from us on request.

12.6 We may elect not to charge a fee which we are otherwise entitled to charge. Any failure by us to charge a fee will not constitute a waiver of that fee or the right to charge that fee in the future.

### **13 Statements of Account**

13.1 We will issue you with an Account statement at the frequency specified in the Product Schedule for that Account (unless it is a Term Deposit) or as otherwise requested by you and agreed by us.

13.2 For the purposes of identifying errors and ensuring that the Account balance is correct, you must carefully examine all statements supplied by us and promptly advise us in writing of any error contained in a statement. Except in relation to an EFT Transaction, if you do not notify us within 30 days of the date you receive a statement that you did not authorise a transaction appearing on the statement you agree that you do not have the right to make a claim against us regarding any lack of authority or forgery in relation to that transaction.

13.3 We may adjust debits and credits to the Account, and the balance owing on the Account, so as to accurately reflect the legal obligations of you and us (for example, because of an error or

because a cheque is dishonoured). If we do this we may make consequential changes (including to the interest paid or charged).

- 13.4 In the absence of manifest error or unless they are proven to be incorrect, the records of HSBC are prima facie evidence of the matters to which they relate.

## 14 Stopping Payment

- 14.1 You or an Authorised Signatory may stop payment on a cheque written on the Account with cheque access by giving instructions to HSBC before the cheque has been paid. Those instructions must clearly identify the cheque in question.

- 14.2 When you have authorised us to make regular automatic payments from the Account, and you want to stop these payments, you must provide written instructions at least 3 Banking Days before the next payment is scheduled to be made. Full details of the payment (amount, due date, payee) will be required.

- 14.3 Transactions through Phone Banking or Online Banking may not be able to be stopped once you have given your instruction. The only exception to this is a transfer to another account with HSBC which may be able to be stopped or reversed if you contact our operator assisted Phone Banking service.

If you have authorised another party to debit an Account and you want to stop this arrangement, you must provide written instructions to us setting out full details of the periodical debit at least 3 Banking Days before the next debit is due. You must also promptly request the other party to stop debiting the Account.

- 14.4 There will be a fee for stopping cheques payment or direct debit (please refer to the booklet *Personal financial services charges – your guide*).
- 14.5 If you ask us to cancel a direct debit authorising us or another party to deduct funds from your Account we will do so within a reasonable period. However, the cancellation of a direct debit may put you in breach of your contract with that other party. We will not be responsible for any such breach or for any loss or damage you may suffer in connection with any such breach.
- 14.6 We will promptly process any complaint by you that a direct debit was unauthorised or otherwise irregular.

## 15 Foreign Currencies

- 15.1 All interest accruing on an Account (whether credit or debit interest) will usually accrue and be paid or payable in the currency in which the account is denominated. We are only obliged to perform our other obligations in relation to an Account in the currency in which those obligations are denominated. However, we reserve the right to perform any obligation in any currency, at any rate and in any manner in each case as we determine, and such performance shall constitute a good and valid discharge of those obligations.
- 15.2 Fees and charges and any other amount payable by you under the Terms and Conditions which are payable or expressed in Australian Dollars may, in relation to currencies other than Australian Dollars, be converted to the relevant currency by us before being debited to the Account.
- 15.3 If for any reason, including bankruptcy, any amount is received by us in a currency other than that in which it is payable, you must immediately indemnify us for any exchange loss.
- 15.4 We may make any currency conversion at our spot rate of exchange for the relevant currencies.
- 15.5 You acknowledge that we have no liability or responsibility whatsoever, and have given no advice, in respect of movements in interest rates or exchange rates. You will make your own judgments and decisions whether to open an Account in a currency other than Australian Dollars. We do not monitor movements in exchange rates for you – this is your responsibility.
- 15.6 No transactions on foreign currency deposits will be accepted on public holidays of the country of currency concerned or U.S. public holidays.
- 15.7 When an Australian dollar cheque is deposited into an Account which you hold in a different currency and the Australian dollar cheque is dishonoured, we will debit the Account with the value of the cheque calculated using our prevailing buying rate or the original selling rate, whichever is lower.
- 15.8 If a cheque is deposited, or sums are otherwise transferred to the Account, the amount of the cheque or sums transferred will be credited to the Account by close of the Banking Day on which they are received. The amount of any cheque deposited will not

be available for withdrawal or transfer to another Account until the cheque is cleared. Cheques are usually cleared in 3 Banking Days, but clearing may take longer in some instances. It will take longer for a cheque in a foreign currency. If the cheque is returned to us uncleared, we will debit the Account with the amount of the uncleared cheque together with any related charges, including charges made by another financial institution.

## **16 Foreign currency conversions**

- 16.1 An instruction provided through our Online Banking Service to purchase or sell foreign currency that is provided to us on a Banking Day will be processed by us on the same Banking Day if we receive the instruction prior to the instruction cut-off time for the transfer of the relevant currency. The currency exchange rate that we apply is the rate that applies at the time we process the instruction. Please note that the instruction cut-off times differ depending on the currency being transferred. Information on instruction cut-off times can be obtained by calling us.
- 16.2 If we receive the instruction through the Online Banking Service after the instruction cut-off time, we will not process the instruction until the next Banking Day. You acknowledge that the currency exchange rate that we apply is the rate that applies at the time we process the instruction. Therefore, if we are provided with instructions after the relevant instruction cut-off time we will process the instructions on the next Banking Day at the currency exchange rate that applies at the time we process the instruction on that day. Please note that due to fluctuations in exchange rates, if we are provided with instructions after the relevant instruction cut-off time on a Banking Day there will always be a risk that the exchange rate that applies to the transfer may be less beneficial to you than had we been provided with instructions prior to the relevant instruction cut-off time.
- 16.3 An instruction provided through our Phone Banking Service will be processed, using the currency exchange rate that applies at the time when we process the instruction. You acknowledge that the currency exchange rate that we apply is the rate that applies at the time we process the instruction. Therefore, if we are provided with instructions at the end of the Banking Day we may process the instructions on the next Banking Day at the currency exchange rate that applies at the time we process the instruction on that day. Please note that due to fluctuations in exchange rates, if we are

provided with instructions at the end of a Banking Day there will always be a risk that the exchange rate that applies to the transfer may be less beneficial to you than had we been provided with instructions prior to the end of the Banking Day.

16.4 Where your account is an HSBC Everyday Global Account, an instruction provided via your Visa Debit Card will be processed, using the currency exchange rate that applies at the time we process the instruction. You acknowledge that the currency exchange rate that we apply is the rate that applies at the time we process the instruction. Therefore, if you instruct us using your Visa Debit Card after the end of the Banking Day, we may process the instruction on the next Banking Day at the currency exchange rate that applies at the time we process the instruction. Please note that due to fluctuations in exchange rates, if we are provided with instructions at the end of a Banking Day there will always be a risk that the exchange rate that applies to the transaction may be less beneficial to you than had we been provided with instructions prior to the end of the Banking Day.

## **17 Facsimile & Email Instructions Indemnities**

17.1 If you provide us with either Facsimile Instructions or Email Instructions you agree to indemnify us and hold us harmless against any and all claims which you or any third party may have against us for any damage, loss, cost or expense which you or a third party may suffer or incur (whether directly or indirectly and whether foreseeable or not) as a result of or in connection with:

- (a) us acting upon any instructions sent by a facsimile or email purporting to be from you or persons authorised by you from time-to-time and we have no reasonable reason to think those instructions are not legitimate; or
- (b) us not acting upon any instructions sent by facsimile or email purporting to be from you or persons authorised by you from time to time, where we have a reasonable reason to think those instructions are not legitimate. (“Instructions Indemnity”)

17.2 You acknowledge that your EFT Account is designed for use by you personally and established primarily for personal purposes.

## **18 Set-off**

18.1 We may, at any time and without notice to you:

- (a) combine or consolidate any or all of your accounts with us (including the Account); and/or
- (b) apply any credit balances in any accounts with us (including the Account) against or in satisfaction of all or any of your liabilities to us or any other member of the Group.

18.2 If we do, the amount in an Account may reduce.

18.3 We may do so in respect of any obligation (whether or not matured and whether actual or contingent) owed by you to us, regardless of the place of payment, booking branch or currency of either obligation and regardless of whether our obligation has matured (for example if our obligation is to repay a term deposit).

18.4 Our rights with respect to the Account shall not be affected by your death or legal incapacity.

18.5 If any obligations are in different currencies, we may convert either obligation at its spot rate of exchange.

18.6 If any obligation is unliquidated or unascertained, we may set off an amount estimated by us in good faith to be the amount of that obligation.

18.7 We will inform you promptly after exercising our right to set off accounts under this clause 18.

## **19 Closing an Account**

19.1 We reserve the right to close your Account for the following reasons:

- (a) for administrative or reputational reasons (you agree that we do not have to provide you with any reasons as to how we arrived at this conclusion);
- (b) where our risk appetite changes or we are on notice of something that alters our risk appetite (you agree that we do not have to provide you with any reasons as to how we arrived at this conclusion);
- (c) where we believe the Account is being used for a purpose other than what is intended, such as a business purpose;

- (d) where we believe you are or may have breached the law (you agree that we do not have to provide you with any reasons as to how we arrived at this conclusion);
- (e) where you have behaved in a discourteous or threatening manner toward our staff or representatives.

These examples are not exhaustive and we may close the Account for other reasons. If we close the Account for these reasons we will give you 21 days' notice and you agree that this is a reasonable notice period. If the Account is in credit balance we will issue you with a cheque and send this to your last known address. We may close your Account without providing you notice if:

- (f) your Account has a zero balance and you have not used it for at least 3 months;
- (g) your Account is overdrawn and you have not used it for at least 3 months;
- (h) your Account has a balance of less than \$10 and you have not used it for at least 12 months. We will transfer the balance to another Account in your name or send you a cheque; or
- (i) you have not provided us with any documents, such as identification, documents required for local or foreign tax purposes or other documents we have requested of you in order for us to continue providing the Account to you.

Please also refer to clause 21 Inactive and Dormant Accounts for closure of inactive or dormant accounts.

19.2 You may close the Account at any time by written notice to us; however, we reserve the right not to close the Account if there are any liabilities (actual or contingent) owing to us. - 11.5 A BPAY<sup>®</sup> Payment may take longer to be credited to a Biller if a User gives an Instruction to make the payment on a day which is not a Banking Day or if another participant in the BPAY<sup>®</sup> Scheme does not process the request as soon as they receive its details.

- 12.1 HSBC may record telephone calls made to HSBC's Direct Service Centre for either training, verification, authentication and/or quality control purposes.

## **13 Bill payments - BPAY<sup>®</sup> Scheme**

- 13.1 The following information must be given to HSBC to instruct it to make a BPAY<sup>®</sup> Payment:
  - (a) the PBN and Access Code;
  - (b) the EFT Account from which the payment is to be made;

- (c) the amount to be paid;
  - (d) the Biller's code number (found on the bill); and
  - (e) the Customer Reference Number (e.g. the account number with the Biller).
- 13.2 HSBC will then debit your EFT Account with the amount of that BPAY® Payment. HSBC will not be obliged to effect a BPAY® Payment Instruction if the information given is incomplete and/or inaccurate.
- 13.3 Generally, a BPAY® Payment will be treated as received by the Biller to whom it is directed:
- (a) on the date HSBC is told to make it, if this occurs before the Payment Cut-off Time on a Banking Day; or
  - (b) otherwise, on the next Banking Day.
- 13.4 A delay might occur in the processing of a BPAY® Payment where:
- (a) there is a public or bank holiday on the day after HSBC is told to make a BPAY® Payment; or
  - (b) a Biller, or another financial institution participating in the BPAY® Scheme, does not comply with its obligations under the BPAY® Scheme.
- 13.5 While it is expected that any delay in processing a payment for any of these reasons will not continue for more than one Banking Day, any such delay may continue for a longer period. It is the User's responsibility to allow for sufficient time for the processing of payments to the Biller.
- 13.6 Users must be careful to tell HSBC the correct amount to be paid. If the amount HSBC was instructed to pay was less than the amount needed to be paid, another BPAY® Payment should be made for the shortfall. If the amount HSBC was instructed to pay was greater than the amount intended, the Biller should be contacted to obtain a refund.
- 13.7 HSBC will attempt to make sure that BPAY® Payments are processed promptly by Billers and other participants in the BPAY® Scheme.
- 13.8 HSBC will not accept an order to stop a BPAY® Payment once HSBC has been instructed to make that BPAY® Payment.

- 13.9 If HSBC is advised by a Biller that a BPAY<sup>®</sup> Payment cannot be processed, HSBC will:
- (a) advise you of this;
  - (b) credit the relevant EFT Account with the amount of that BPAY<sup>®</sup> Payment; and
  - (c) take all reasonable steps to assist in making the BPAY<sup>®</sup> Payment as quickly as possible.
- 13.10 A mistaken BPAY<sup>®</sup> Payment is a BPAY<sup>®</sup> Payment to a person or for an amount which is not in accordance with the Instructions given to HSBC, if any. If your EFT Account is debited with the amount of a mistaken BPAY<sup>®</sup> Payment, HSBC will credit that amount to your EFT Account. However, you must pay HSBC the amount of a mistaken BPAY<sup>®</sup> Payment if a User is responsible for a mistake resulting in that payment and HSBC cannot recover the amount from the person who received it within 20 Banking Days of attempting to do so.
- 13.11 You acknowledge that the receipt by a Biller of a mistaken or erroneous payment does not or will not constitute under any circumstances part or whole satisfaction of any underlying debt owed between you and that Biller.
- 13.12 If you notify HSBC that a BPAY<sup>®</sup> Payment made from your EFT Account is Unauthorised, you must provide HSBC with a written consent addressed to the Biller who received that BPAY<sup>®</sup> Payment, allowing HSBC to obtain from that Biller information about your account with that Biller or the BPAY<sup>®</sup> Payment, including your customer reference number and such information as is reasonably required to investigate the BPAY<sup>®</sup> Payment. If you do not give that consent to HSBC, the Biller may not be permitted under law to disclose to HSBC the information it needs to investigate or rectify that BPAY<sup>®</sup> Payment.
- 13.13 Subject to the Terms and Conditions and the ePayments Code:
- (a) HSBC is not liable for any consequential loss or damage you may suffer as a result of using the BPAY<sup>®</sup> Scheme, other than due to any loss or damage you suffer due to the negligence of HSBC, or in relation to any breach of a condition or warranty implied by law in contracts for the supply of goods and services and which may not be excluded, restricted or modified at all or only to a limited extent; and

- (b) you indemnify HSBC against any loss or damage it may suffer due to any claim, demand or action of any kind brought against it arising directly or indirectly because you:
  - (i) did not observe any of your obligations under; or
  - (ii) acted negligently or fraudulently in connection with, the Terms and Conditions.

13.14 HSBC may at any time suspend your right to participate in the BPAY<sup>®</sup> Scheme and will do so without notice if HSBC suspects a User, or someone acting on your behalf, of acting fraudulently.

13.15 BPAY<sup>®</sup> Payments for which Instructions have been given and which are scheduled to be made while your right to participate in the BPAY<sup>®</sup> Scheme is suspended will not be processed by HSBC.

## **14 Security of Access Methods**

14.1 Users must keep their Access Methods secure to prevent Unauthorised use of EFT Accounts. Users must take care to ensure that Access Methods are not misused, lost or stolen and that the Access Method does not become known to anyone else.

14.2 The guidelines below should be followed by Users to ensure the security of an Access Method. These guidelines provide examples only of security measures and will not determine your liability for any losses resulting from Unauthorised EFT Transactions on your EFT Account. Liability for such transactions will be determined under the ePayments Code rather than these guidelines.

14.3 To protect a Card:

- (a) Sign the Card as soon as it is received.
- (b) Carry the Card whenever possible.
- (c) Always keep the Card in a safe place and check regularly to ensure that it has not been lost or stolen.
- (d) Do not lend the Card to anyone.
- (e) When an EFT Transaction is complete, remember to take the Card and any receipt.

#### 14.4 To protect the Access Code or PIN

- (a) Memorise the Access Code or PIN when it is received and destroy HSBC's notification of the Access Code or PIN.
- (b) Do not tell or show the Access Code or PIN to another person or allow it to be seen by another person (including family and friends).
- (c) Do not keep a record of an Access Code or PIN in a way in which it can be determined by another person.
- (d) Do not record an Access Code, PIN and Identifier together, or record a PIN on the Card.
- (e) Do not record an Access Code or PIN on Electronic Equipment or related articles without making a reasonable attempt to disguise the Access Code or PIN or prevent unauthorised access to the record.
- (f) Users should not select an Access Code or PIN which represents their birth date as a numeric code, or an alphabetical code which is a recognisable part of their name, their telephone number or anything else that could be associated with them.
- (g) Be ready to use the Card and enter the PIN when at the Electronic Equipment.
- (h) Do not allow anyone to watch the PIN being entered at Electronic Equipment.
- (i) Do not leave anything behind after making an EFT Transaction, such as the Debit Card or transaction receipt.
- (j) Press the CANCEL or CORRECTION button or symbol immediately if a mistake is made. It is not possible to stop a transaction once it has been accepted.
- (k) Notify HSBC immediately by calling 1300 308 008 (or from overseas +61 2 9005 8220) at any time if a record of a Access Code or PIN is lost or stolen or if a User suspects that someone else may know a Access Code or PIN. If you are a HSBC Premier customer, please call 1300 301 168 or +61 2 9005 8192 (if overseas)

14.5 If a memory aid is required to recall the Access Code or PIN such a

record may be made provided the record is reasonably disguised.

14.6 Examples which we do not consider provide a reasonable disguise are:

- (a) recording the Access Code or PIN as a series of numbers with any of them marked, circled or highlighted to indicate the Access Code or PIN;
- (b) recording the Access Code or PIN with surrounding information which makes it stand out from its context;
- (c) recording the Access Code or PIN as a string of digits in isolation from other information unless the context provides adequate disguise;
- (d) recording the disguised Access Code or PIN on the Card;
- (e) disguising the Access Code or PIN by reversing the number sequence;
- (f) describing the disguised record as a "PIN record", "Access Code record" or similar;
- (g) disguising the Access Code or PIN using alphabetical characters or numbers eg A = 1, B = 2, C = 3, etc, or in any other easily understood code;
- (h) if we allow Users to select or change the Access Code or PIN, selecting or disguising the Access Code or PIN using any of the following combinations (or parts of them), with the Access Code or PIN in its correct sequence within the combination:
  - (i) dates of birth;
  - (ii) personal telephone numbers;
  - (iii) car registration numbers;
  - (iv) family members' names;
  - (v) social security numbers; or
  - (vi) licence numbers.
- (i) recording the Access Code or PIN as a:
  - (i) date of birth;
  - (ii) postcode; or

- (iii) telephone number,  
without additional features of disguise;
- (j) storing the Access Code or PIN in any low security electronic device of any kind, such as (but not limited to):
  - (i) calculators;
  - (ii) personal computers; or
  - (iii) electronic organisers.

14.7 There may be other forms of disguise which may also be unsuitable because of the ease of another person discerning the Access Code or PIN.

### **Cancellation and return of Cards**

14.8 We may cancel a Card, ask for its return, retain a Card presented to us or another person or otherwise cancel access to an EFT Account at any time without notice.

14.9 A Card must not be used after it is cancelled nor, in respect of an Account, if access to that account is cancelled or that EFT Account is closed and when we give you notice of the cancellation of a Card you must return the Card to us (cut diagonally in half, through the magnetic stripe and through any embedded chip) or satisfy us that all Cards have been destroyed. You will be liable for any use of a Card until all Cards are returned to us. If access to an Account is cancelled or an Account is closed, you must also ensure that any periodical debit authorities in respect of that Account are cancelled.

14.10 You must also return all Cards (cut diagonally in half, through the magnetic stripe and through any embedded chip), or satisfy us that all Cards have been destroyed, if we request you to do so.

14.11 You may cancel a Card at any time by telling us in writing and returning it to us (cut diagonally in half, through the magnetic stripe and through any embedded chip), or satisfying us that the Card has been destroyed.

14.12 Access to an Account is automatically cancelled if, in relation to the Account, there is more than one Account holder or Authorised Signatory and each is no longer authorised to operate the Account alone.

## **15 Reporting loss, theft, unauthorised use of a Card, breach of Access Code or PIN security or Mistaken Internet Payments etc.**

- 15.1 Users must notify HSBC immediately if a Card is lost, stolen or misused or if an Access Code or PIN becomes known to someone else or if a transaction is suspected to have been made on an EFT Account without a User's authority. Users should also notify HSBC if they believe they have made a mistake in instructing HSBC to make a BPAY® Payment, if there are any delays or mistakes in processing BPAY® Payments, if a BPAY® Payment that has been made from an EFT Account is Unauthorised, or if a User has been fraudulently induced to make a BPAY® Payment.
- 15.2 Users should also notify HSBC immediately if they believe they have made a Mistaken Internet Payment.
- 15.3 Users should notify HSBC in Australia by calling its Customer Service line at any time on by calling 1300 308 008 (or from overseas +61 2 9005 8220). If you do not you may be liable for any loss incurred on your Account.

For Visa Debit Cards you may also call the nearest Visa Global Assistance Centre.

- 15.4 HSBC will acknowledge the notification by giving the User a reference number that verifies the date and time HSBC was contacted. The number is proof that HSBC was advised according to these Banking Electronically Terms and should be kept for future reference. HSBC will then cancel the Access Method and arrange for the User to select a new one.
- 15.5 If for any reason HSBC's hotline is unavailable and this prevents notification, you will not be liable for any Unauthorised transaction which could have been prevented during this period if the hotline had been available, provided HSBC is notified within a reasonable time of the hotline becoming available again.

If a User recovers a Card that has been reported lost or stolen, the Card must not be used again. Instead, the recovery should be reported to us or, where the User is overseas, to any financial institution displaying the Visa card symbol. The Card should then be cut in half and returned to us.

- 15.6 You agree that HSBC may disclose information about you or your EFT Account to the police or other third parties if it thinks it will help prevent or recover losses or if it is legally obliged to do so.

## **16 Mistaken Internet Payments**

### **16.1 ADIs must investigate**

Where a User reports a Mistaken Internet Payment, HSBC will investigate whether a Mistaken Internet Payment has occurred.

If HSBC is satisfied that a Mistaken Internet Payment has occurred, HSBC will send the Receiving ADI a request for return of the funds.

If HSBC is not satisfied that a Mistaken Internet Payment has occurred, HSBC will not take any further action.

### **16.2 Process where funds are available and report is made within 10 business days**

Where a User reports a Mistaken Internet Payment within 10 business days of making the payment and:

- (a) HSBC and the Receiving ADI are satisfied that a Mistaken Internet Payment has occurred; and
- (b) HSBC is advised by the Receiving ADI that there are sufficient credit funds available in the account of the Unintended Recipient to the value of the Mistaken Internet Payment,

the Receiving ADI must forward the funds to HSBC no later than 10 business days after receiving our request to return the funds.

### **16.3 Process where funds are available and report is made between 10 business days and seven months**

Where a User reports a Mistaken Internet Payment between 10 business days and seven months after making the payment and:

- (a) HSBC and the Receiving ADI are satisfied that a Mistaken Internet Payment has occurred; and
- (b) HSBC is advised by the Receiving ADI that there are sufficient credit funds available in the account of the Unintended Recipient to the value of the Mistaken Internet Payment,

the Receiving ADI must:

- (a) prevent the Unintended Recipient from withdrawing the funds for 10 further business days; and
- (b) if the Unintended Recipient does not establish that they are entitled to the funds during this period, the Receiving ADI must return the funds to HSBC within two business days after the expiry of the 10 business day period referred to above.

#### **16.4 Process where funds are available and report is made after seven months**

Where a User reports a Mistaken Internet Payment more than seven months after making the payment and:

- (a) HSBC and the Receiving ADI are satisfied that a Mistaken Internet Payment has occurred;
- (b) HSBC is advised by the Receiving ADI that there are sufficient credit funds available in the account of the Unintended Recipient to the value of the Mistaken Internet Payment; and
- (c) the Unintended Recipient consents to return of the funds, the Receiving ADI must forward the funds to HSBC.

#### **16.5 Process where funds are not available**

Where HSBC and the Receiving ADI are satisfied that a Mistaken Internet Payment has occurred, but there are insufficient credit funds available in the account of the Unintended Recipient to the full value of the Mistaken Internet Payment, the Receiving ADI must use reasonable endeavours to retrieve the funds from the Unintended Recipient for return to the holder.

If the Receiving ADI is unable to recover the funds from the Unintended Recipient, the account holder will be liable for losses arising from the Mistaken Internet Payment.

#### **16.6 Unintended Recipient**

If you receive a Mistaken Internet Payment into your account, you authorise HSBC, as Receiving ADI, to withdraw the funds from your account and return the funds to the Sending ADI in order to comply with our obligations under the ePayments Code.

### **17 Liability for Unauthorised EFT Transactions**

17.1 You are liable for all EFT Transactions carried out in respect of your EFT Accounts with the knowledge and consent of a User.

17.2 You will not be liable for losses in respect of an EFT Account caused by an Unauthorised EFT Transaction:

- (a) resulting from Unauthorised use of a Card or an Access Code or PIN before the User has received the Card or set up their Access Code or PIN which forms part of their Access Method;

- (b) after HSBC receives notification that a Card has been misused, lost or stolen, or the Access Code, or PIN has become known to someone else;
- (c) relating to any component of an Access Method that is forged, faulty, expired or cancelled;
- (d) caused by the fraudulent or negligent conduct of employees or agents of:
  - (i) HSBC; or
  - (ii) any organisation involved in the provision of the EFT System; or
  - (iii) any Merchant.

where it is clear that the User has not contributed to the loss;

- (e) caused by the same transaction being incorrectly debited by HSBC more than once to the same EFT Account; or
- (f) where the transaction can be made using an Identifier without a PIN, Card or Visa Debit Card. Where a transaction can be made using a Card or Visa Debit Card, or a Card or Visa Debit Card and an Identifier, but does not require a PIN, you will be liable only if the User unreasonably delays reporting the loss or theft the Card or Visa Debit Card.

17.3 Where HSBC proves on the balance of probabilities that the User has contributed to losses in respect of an EFT Account resulting from an Unauthorised EFT Transaction by:

- (a) the User's fraud;
- (b) voluntarily disclosing the Access Code or PIN to anyone, including a family member or friend;
- (c) indicating the PIN on the Card;
- (d) keeping a record of the PIN with any one article or several articles carried with the Card or liable to loss or theft simultaneously with the Card, without making any reasonable attempt to disguise the PIN or taking responsible steps to prevent Unauthorised access to that record;
- (e) where the Access Method comprises an Access Code or PIN without a Card, keeping a record of the Access Code or PIN on one article or on several articles so that they are liable to loss or theft simultaneously, without making any reasonable

attempt to disguise the Access Code or PIN or taking responsible steps to prevent Unauthorised access to that record;

- (f) when selecting or changing an Access Code or PIN, choosing an Access Code which represents as a numeric code the User's birth date or an alphabetical code which is a recognisable part of the User's name;
- (g) acting with extreme carelessness in failing to protect the security of the Access Code or PIN;

you will be liable for the losses which occur before HSBC is notified of the Unauthorised use, loss or theft of the Card or breach of Access Code or PIN security.

17.4 Where more than one PIN is required to perform a transaction and HSBC proves that a User breached the security requirements in clause 14 for one or more, but not all, of the required PINs, you are liable under clause 17.3 only if HSBC also proves on the balance of probability that the breach of the security requirements in clause 14 was more than 50% responsible for the losses, when assessed together with all the contributing causes.

17.5 You are liable for losses arising from unauthorised transactions that occur because a User contributed to losses by leaving a Card or Visa Debit Card in an ATM, except where the ATM did not contain reasonable safety standards that would mitigate the risk of a Card or Visa Debit Card being left in the ATM.

17.6 When HSBC proves on the balance of probabilities that the User has contributed to losses in respect of an EFT Account resulting from an Unauthorised EFT Transaction by unreasonably delaying in notifying HSBC of the Unauthorised use, loss or theft of the Card or that the Access Code or PIN has become known to someone else, you will be liable for the losses which occur between when the User became aware of the loss, theft or Unauthorised use (or should reasonably have become aware in the case of a lost or stolen Card) and when HSBC was actually notified. However, even if HSBC proves on the balance of probabilities that the User has contributed to losses in respect of an EFT Account resulting from an Unauthorised EFT Transaction you will not be liable for:

- (a) That portion of the loss incurred on any one day which exceeds any applicable daily transaction limits;

- (b) That portion of the loss incurred in a period which exceeds any other periodic transaction limits applicable to that period;
- (c) That portion of the loss on an EFT Account which exceeds the balance of that Account (or where you have any pre-arranged credit, exceeds the approved credit limit);
- (d) Losses incurred on any Accounts which you had not agreed with HSBC could be accessed using the Access Method; or
- (e) Where the Unauthorised EFT Transaction relates to a Debit Card, losses that would exceed the amount of your liability to us had we exercised our rights (if any) under the rules of the Visa International card scheme against other parties to that scheme.

17.7 Where a PIN or Access Code was required to perform the Unauthorised EFT Transaction and we do not prove that you have contributed to losses, your liability for any loss in respect of an EFT Account arising from an Unauthorised EFT Transaction is the lesser of:

- (a) AUD150; or a lower figure determined by HSBC;
- (b) the balance of the relevant EFT Account (or where you have any pre-arranged credit, the approved credit limit) but only if you had agreed with HSBC that the EFT Account could be accessed with the Access Method;
- (c) the actual loss at the time HSBC is notified of the Unauthorised use, loss or theft of the Card or the breach of PIN or Access Code (except that portion of the loss incurred on any one day that exceeds any daily or periodic transaction limits applicable to the use of the Access Method or EFT Account); or
- (d) where the Unauthorised EFT Transaction relates to a Debit Card, the amount of your liability had we exercised our rights (if any) under the rules of the Visa International card scheme against other parties to that scheme.

### **Liability for other Unauthorised transactions on a Card**

17.8 If, in cases not involving EFT Transactions, a Card is used without a User's authority, you are liable for the actual loss arising from the Unauthorised transaction(s) before we are notified of the Unauthorised use (except that portion of the loss incurred on any

one day which exceeds any applicable daily or other periodic transaction limit) less any amount recovered by us in the exercise of our rights (if any) under the rules of the Visa International card scheme against other parties to that scheme.

## **18 Electronic system malfunctions**

18.1 We will make all reasonable efforts to ensure that the Electronic Equipment or systems provided by or on behalf of us is operational and is functioning correctly. If the electronic system for processing transactions initiated using a Card malfunctions, alternative manual procedures may be available from the Merchant for retail point-of-sale transactions by using a Card and signing a User's authorisation of the transaction.

18.2 We are not liable to you if that Electronic Equipment or system does not accept a User's Instructions, or if an Access Method fails to operate the Electronic Equipment or system.

18.3 If the Electronic Equipment or system provided by or on behalf of HSBC to facilitate EFT Transactions malfunctions, HSBC will account to you for any loss caused by the equipment or system accepting a User's Instructions but failing to complete the transaction. However, if the User should have known that the equipment or system was unavailable for use or malfunctioning, HSBC will only be responsible for correcting errors in the Account and refunding to you any associated fees or charges.

18.4 Users should make a note of the location of the relevant Electronic Equipment or system, the time of the malfunction and the amount involved and report the malfunction to HSBC. You should also check your next Account statement to verify that the necessary corrections have been made to the EFT Account.

## **19 Cards**

### **Issue of Debit Cards**

19.1 You can have up to 1 Card linked to your Account (including any overdraft facility) for a single account holder and 2 Cards linked to your Account for joint account holders.

19.2 The Daily Visa Transaction Limit and the Daily Withdrawal Limit are set out in clause 4 of Part C of these Banking Electronically Terms.

19.3 Users are authorised to access and operate your Account by a Card, subject to the Terms and Conditions and such limits as the Account holders notify us of in writing from time to time.

## **Receipt of a Card and PIN**

- 19.4 Each Card or its replacement will be sent to the User's address by mail. Each Card should be signed by the User upon receipt. Soon after receipt of a Card, a User will receive a PIN for the Card. This will be sent to you via text message or in a specially sealed envelope that is secure. You can also set up or change your PIN in Online Banking once you have received and activated your Debit Card.
- 19.5 Where we give you a Card from an HSBC branch, the PIN will be received in the specially sealed envelope at the same time as the Card. If travelling overseas, both the Card or replacement Card and PIN may be made available to Users at an HSBC branch or other location acceptable to HSBC. Each Card is for the sole use of the person named on it and is only valid from the "valid from" date (when shown or, if not shown, the issue date) to the "valid end" date shown on it.
- 19.6 Each Card remains our property. We may issue replacement Cards at any time.

## **Use of a Card at an ATM or EFTPOS**

- 19.7 You authorise us to act on the Instructions entered into an EFT Terminal when:
- (a) a Debit Card is used with the PIN at the EFT Terminal and the "savings" or "cheque" or "credit" button (for Visa Debit Card) is selected; or
  - (b) a Visa Debit Card is used without a PIN at an EFT Terminal and the "CR" or "credit" button is selected; or
  - (c) a Visa Debit Card is used without a PIN at an EFT Terminal.
- 19.8 If it is not possible to carry out the Instructions given using a Card at an EFT Terminal on your EFT Account, the transaction may be directed to any other account you have with us.
- 19.9 Cash dispensed from an ATM or over the counter through use of an EFT Terminal is at your risk from when it becomes visible or available to a User.
- 19.10 With the exception of contactless EFT Transactions, unless

there is a system malfunction or the transaction is a Visa Debit Transaction using the “CR” or “credit” button without PIN, an EFT Terminal will only accept a Card if the correct PIN is entered on the keypad of the EFT Terminal. If the PIN is not accepted by an EFT Terminal, the sale and or provision of cash will be refused.

- 19.11 If, for any reason other than a malfunction, a Merchant does not accept a Debit Card, or if a User has a complaint about the goods or services provided, this must be taken up with the Merchant and not with HSBC.

## **20 Access Methods & Limits**

- 20.1 You must not use an Access Method to withdraw funds in excess of the Account balance. If the Account balance is exceeded without our approval, you must immediately repay the excess and the terms relating to Overdrawn Accounts will apply to your Account.
- 20.2 We will advise you separately of any other transaction limits that might apply.
- 20.3 Merchants, our agents and other financial institutions may impose their own restrictions on the amount of funds that may be withdrawn, paid or transferred.

Please also refer to clause 4 of these Banking Electronically Terms on Agreed Daily Card Limits.

## **21 Overseas transactions**

- 21.1 Withdrawals made using a Card in an overseas country are subject to fees. The fees may change from time to time at HSBC’s discretion. The Account in Australia will be debited with the amount of the overseas withdrawals at the prevailing foreign exchange rates, as determined by the relevant member of the HSBC Group or by HSBC’s agents on the day of conversion to Australian currency.
- 21.2 The use of a Visa Debit Card in an overseas ATM or EFT Terminal displaying the Visa, Visa PLUS logos (as applicable) is governed by the regulations of the country in which the service is used and by the Terms and Conditions.
- 21.3 Transactions with a Card (where your account is not an Everyday Global Account) are converted from the currency of the transaction to the Australian Dollar equivalent as at the date they are processed. If you use your Visa Debit Card for purchases including

online purchases or withdrawals from ATMs in an overseas country, we will charge fees as set out in the booklet *Personal financial services charges – your guide*. All transactions are listed on your Account statement in the currency of the transaction and the Australian Dollar equivalent.

21.4 With the exception of overseas transactions in Chinese Renminbi or currencies that you cannot hold an account for, overseas transactions using a Visa Debit Card that are linked to an Everyday Global Account will be undertaken in the relevant foreign currency where you hold a sufficient balance of that foreign currency in your Everyday Global Account. Please refer to clause 7.8 on what happens when there is an insufficient balance of foreign currency in your Everyday Global Account to complete an overseas transaction. Where you perform an overseas transaction in Chinese Renminbi or currencies that you cannot hold an account for, it will be converted into Australian Dollars and debited from your Everyday Global Account.

## **22 Receipts**

22.1 If an EFT Terminal does not provide a receipt, a User's branch may be able to provide one if the branch is able to verify that the transaction took place at the time and place and in the amount reported by the User.

## **23 Using a Card**

23.1 The Visa Debit Card can normally be used to obtain goods and services at Merchants (such as shops, vehicle repairers, restaurants and theatres) in Australia and overseas where the Visa or Visa Plus symbols are displayed.

23.2 Users can use the Visa Debit Card to obtain goods and services through mail order, by telephone, over the internet and by other means accepted by us from time to time, where the Merchant accepts that form of payment.

23.3 We have no control over the hours a Merchant may be open for business. The hours during which an EFT Terminal will be available may therefore vary in accordance with the Merchant's opening hours.

23.4 Some transactions need authorisation from us. We may choose not to authorise a proposed transaction.

23.5 We are not responsible for goods or services obtained by using a

Card, unless the law makes us liable. Therefore, if a User has any complaints about goods or services, they must be taken up with the Merchant.

- 23.6 You agree that the amounts shown on each sales voucher are sufficient evidence of the cash price of the goods or services to which the voucher relates.
- 23.7 The fact that card promotional material or the Visa symbol is displayed at a Merchant's premises cannot be taken as a warranty by the Merchant or a guarantee by us that all goods and services available there may be obtained by using the Visa Debit Card. We are not responsible if a Merchant refuses to accept or honour the Visa Debit Card, does not allow cash withdrawals or places other limitations on using the Visa Debit Card.
- 23.8 Users must check that the correct amount is entered in an EFT Terminal or written in the "total" box on a voucher before authorising a transaction or signing a voucher.
- 23.9 Users may be able to obtain cash on your relevant EFT Account by presenting the Card at a branch counter of a financial institution with whom we are associated.
- 23.10 When obtaining cash at a branch of any associated financial institution, Users may be required to produce suitable identification which identifies the holder of the Card (such as photographic driver's licence or passport). We do not warrant that ATMs will always have money available. The minimum and maximum amount of cash that can be obtained using the Card may vary depending on which financial institution the Card is used at.

## **24 ePayments Code**

- 24.1 HSBC warrants that it will comply with the requirements of the ePayments Code in relation to EFT Transactions.

## **Part D: General Terms**

### **1 Banking Code of Practice**

- 1.1 The relevant provision of the Banking Code of Practice will apply to your Account.

## **2 Our Rights**

- 2.1 We are authorised to select and use agents and third parties in the performance of any transaction in connection with these Terms and Conditions including, without limitation, the enforcement of these Terms and Conditions against you.

- 2.3 Our duty to perform any obligation shall be suspended to the extent that, and for so long as, we cannot act on or execute, or are restricted in acting upon or executing, any instruction from you or performing any other obligation due to any events or circumstances outside our control.
- 2.4 To the extent that, and for so long as, such measures or events persist we are not obliged to perform that obligation at some other place, in some other currency or by providing cash.
- 2.5 Our right of set off obligation in different currencies is not affected.

## **3 Your Responsibilities**

- 3.1 You promise that all particulars given to us (whether in an Account Opening Document or otherwise) are accurate and complete and not, by omission or otherwise, misleading.
- 3.2 You owe us a duty of care and will not do anything which may facilitate, or omit to do anything which may prevent, any fraud, forgery or other illegal act.
- 3.3 In order to ensure our records are accurate you will promptly notify us in writing of any change in:
  - (a) your name or address;
  - (b) the authority of any Authorised Signatory; or
  - (c) the contents of any Account Opening Documents or any other documents, information or authorisations supplied pursuant to the Account Opening Documents.
- 3.4 If you are registered for our Phone Banking Service or our Online Banking Service you may notify us of a change of address by phone.

3.5 If no such notice is given (regardless of whether such change is registered in a public registry), we are entitled to rely on information, authorisations and documents previously supplied by you. We will not be responsible for any errors or losses associated with Account changes where we have received no or inadequate prior notice.

#### **4 Your Confidential and Personal Information**

In this clause:

- “Personal Information” means information or an opinion about you.
- “Our Website” means [www.hsbc.com.au](http://www.hsbc.com.au)

This clause operates in addition to any consent you have provided us in the Account Opening Form.

In order for us to provide or to consider providing you products or services to you (including an account) and/or to enter into any transactions with you for or on your behalf, we are required to, and will collect and hold information about you, including credit information and Personal Information (“customer information”). Being a global organisation, the HSBC Group leverages its global synergies in providing products, or services to you. Whether it is used, stored or processed in Australia or elsewhere, the customer information will be protected by strict confidentiality and security, of which all HSBC Group members, their staff and any third party service providers, agents, or contractors are subject and will only be used in accordance with our instructions unless otherwise required or allowed by law or any governmental agency or regulatory agency or authority or for the purpose of preventing or detecting fraud or other violations or suspected violations of the law.

As such, HSBC may disclose your customer information to members of the HSBC Group located overseas in countries where we operate. A list of these countries can be found on Our Website and may be updated from time to time. For all other matters, our front line staff, managers or Customer Relations team should be able to resolve any issues you raise. If HSBC is unable to resolve your complaint immediately to your satisfaction, HSBC will advise you of the procedures for the further investigation and handling of your complaint and may ask you to provide further details. For example, if there is a dispute over who is liable for a loss resulting from an unauthorised transaction, you will be asked to complete and sign a form providing further information.
- 4.2 HSBC will investigate your complaint and within 21 days of receiving your complaint write to you, explaining the outcome of its investigation or that more time is needed to complete the investigation.
- 4.3 Unless there are exceptional circumstances, HSBC will complete its investigation within 45 days of receiving your complaint. If HSBC is unable to resolve your complaint within 45 days, HSBC will write to you and inform you of the reasons for the delay and provide you with monthly updates on the progress of its investigation and an indication of when your complaint is likely to be resolved, except where HSBC is awaiting a response from you and you have been advised that it requires such a response.

## **5 Results of HSBC's Investigations**

- 5.1 When HSBC completes its investigations of your complaint, it will notify you in writing of:
- (a) the result;
  - (b) the reasons for its decision with reference to the relevant provisions of the Terms and Conditions;
  - (c) if applicable, the ePayments Code; and
  - (d) any further action you can take in respect of your complaint.
- 5.2 If your Account is found to have been incorrectly credited or debited, HSBC will adjust your Account accordingly (including any interest and charges) and notify you in writing of the amount of the adjustment and, if the incorrect crediting relates to a discrepancy between the amount recorded by us as having been deposited and the amount recorded by us having been received, we will also notify you of the difference and the actual amount which has been credited to your Account.
- 5.3 If HSBC finds that you are liable for all or part of the disputed transaction, it will supply you with copies of any document or other evidence on which it based its findings, and advise you in writing if there was any system or equipment malfunction at the time of the transaction.

## **6 For Electronic Banking Customers Only**

- 6.1 If we fail to observe the appropriate procedures for complaint investigation and resolution, allocation of liability and communication of the reasons for our decision set out in these conditions and such failure prejudices the outcome of our

investigation of the complaint or results in unreasonable delay in its resolution, we may be liable for part or all of the amount of the transaction which is the subject of the complaint.

## **7 Australian Financial Complaints Authority**

7.1 The Australian Financial Complaints Authority (AFCA) scheme is an impartial, independent and free service for personal and small business customers.

7.2 You can contact AFCA as follows:

Australian Financial Complaints Authority

M: GPO Box 3 Melbourne VIC 3001

T: 1800 931 678

E: [info@afca.org.au](mailto:info@afca.org.au)

W: [www.afca.org.au](http://www.afca.org.au)

## **8 EFT Transactions**

8.1 If in relation to an EFT Transaction we fail to observe the appropriate procedures for complaint investigation and resolution, allocation of liability and communication of the reasons for our decisions, and such failure prejudices the outcome of our investigation of the complaint or delayed its resolution, we may be liable for part or all of the amount of the EFT Transaction which is the subject of the complaint.

## **9 Visa Debit Cards**

9.1 Complaints concerning Visa Debit Cards can only be made by Account holders.

9.2 If an Account holder has a complaint concerning a matter relating to the use of a Visa Debit Card or if they believe there is an error on an Account statement relating to the use of a Visa Debit Card, they must tell us immediately in Australia by telephoning 1300 308 188 or contacting their HSBC branch or, if overseas, by telephoning +612 9005 8181. We may decide to resolve the complaint under the rules of the Visa International card scheme. If we do so, resolution of the complaint will be governed by the time limits imposed by those rules and if an Account holder delays notifying us of any apparent error, our ability to investigate and resolve the complaint may be

restricted. For this reason an Account holder should report any suspected Unauthorised transaction to us as soon as possible.

- 9.3 If we are unable to resolve the matter or alleged statement error immediately to the Account holder's satisfaction, the Account holder should notify us in writing of their complaint. We may ask the Account holder to provide further details of the complaint, including information concerning each transaction the Account holder wishes to query. When we receive this advice we will inform the Account holder in writing of our procedures to handle and investigate the matter.
- 9.4 Within 21 days after receiving the relevant details of the complaint from the Account holder, we will advise the Account holder in writing of either the outcome of our investigation or our need for more time to complete our investigation. In all but exceptional cases we should complete our investigation within 45 days of receiving the complaint.
- 9.5 Subject to paragraphs 9.6(a) to (d) below, where an investigation continues beyond 45 days, we will write to the Account holder and inform them of the reasons for the delay and provide them with monthly updates on the progress of our investigation and a date when a decision can be reasonably expected, except where we are waiting for a response from the User and we have advised the Account holder of this fact.
- 9.6 If we resolve the complaint by exercising our rights under the rules of the Visa International card scheme we will:
  - (a) advise the Account holder of either the outcome of our investigation or our need for more time in accordance with the time limits under those rules;
  - (b) write to inform the Account holder of the reasons for delay only where an investigation continues beyond 60 days and provide the Account holder with updates on progress every two months;
  - (c) inform the Account holder in writing of when a decision can be reasonably expected; and
  - (d) suspend your obligation to pay any amount which is the

subject of the complaint or any credit or other charges related to that amount until the complaint has been resolved. Your obligation to pay any such amount or charges will be reinstated if the complaint is not resolved in your favour.

- 9.7 Please note that although we are a member of the Visa International card scheme, we cannot automatically exercise our rights under that scheme. A disputed transaction must fall within a specific category before we can exercise our rights in respect of that transaction. Even if we can exercise our rights, there is no guarantee that our claim will be accepted, as the Merchant's bank may dispute our claim.

## **10 Financial Claims Scheme**

If you do open an Account referred to in this PDS, then in the event of HSBC becoming insolvent, you may be entitled to payment under the financial claims scheme. Payments under the scheme are subject to a limit for each depositor. Information about the scheme can be obtained from the Financial Claims Scheme website at [www.fcs.gov.au](http://www.fcs.gov.au) or the Financial Claims Scheme hotline 1300 55 88 49.
