Move Money - Foreign Currency

Making foreign currency transfers

Now making foreign currency transfers is even easier with Move Money.

To make a Foreign Currency transfer just select which account you want to move money from and then select where you want it to go.

Choose the amount you wish to transfer. When you want to transfer. Then select Continue.

See the exchange rate available in real time for immediate transfers.

Check the amount you wish to transfer is correct. The rate will be refreshed every 20 seconds. Just click on Refresh rate for a new real time exchange rate.

Now click Confirm to go ahead with the transaction and it's done.

A confirmation of your transaction is there for you to see. You can print it out, go back to your accounts or choose to make a new transfer.

New enhancements that let you do more. Welcome to HSBC's new online banking.
