How to link your accounts in Global View

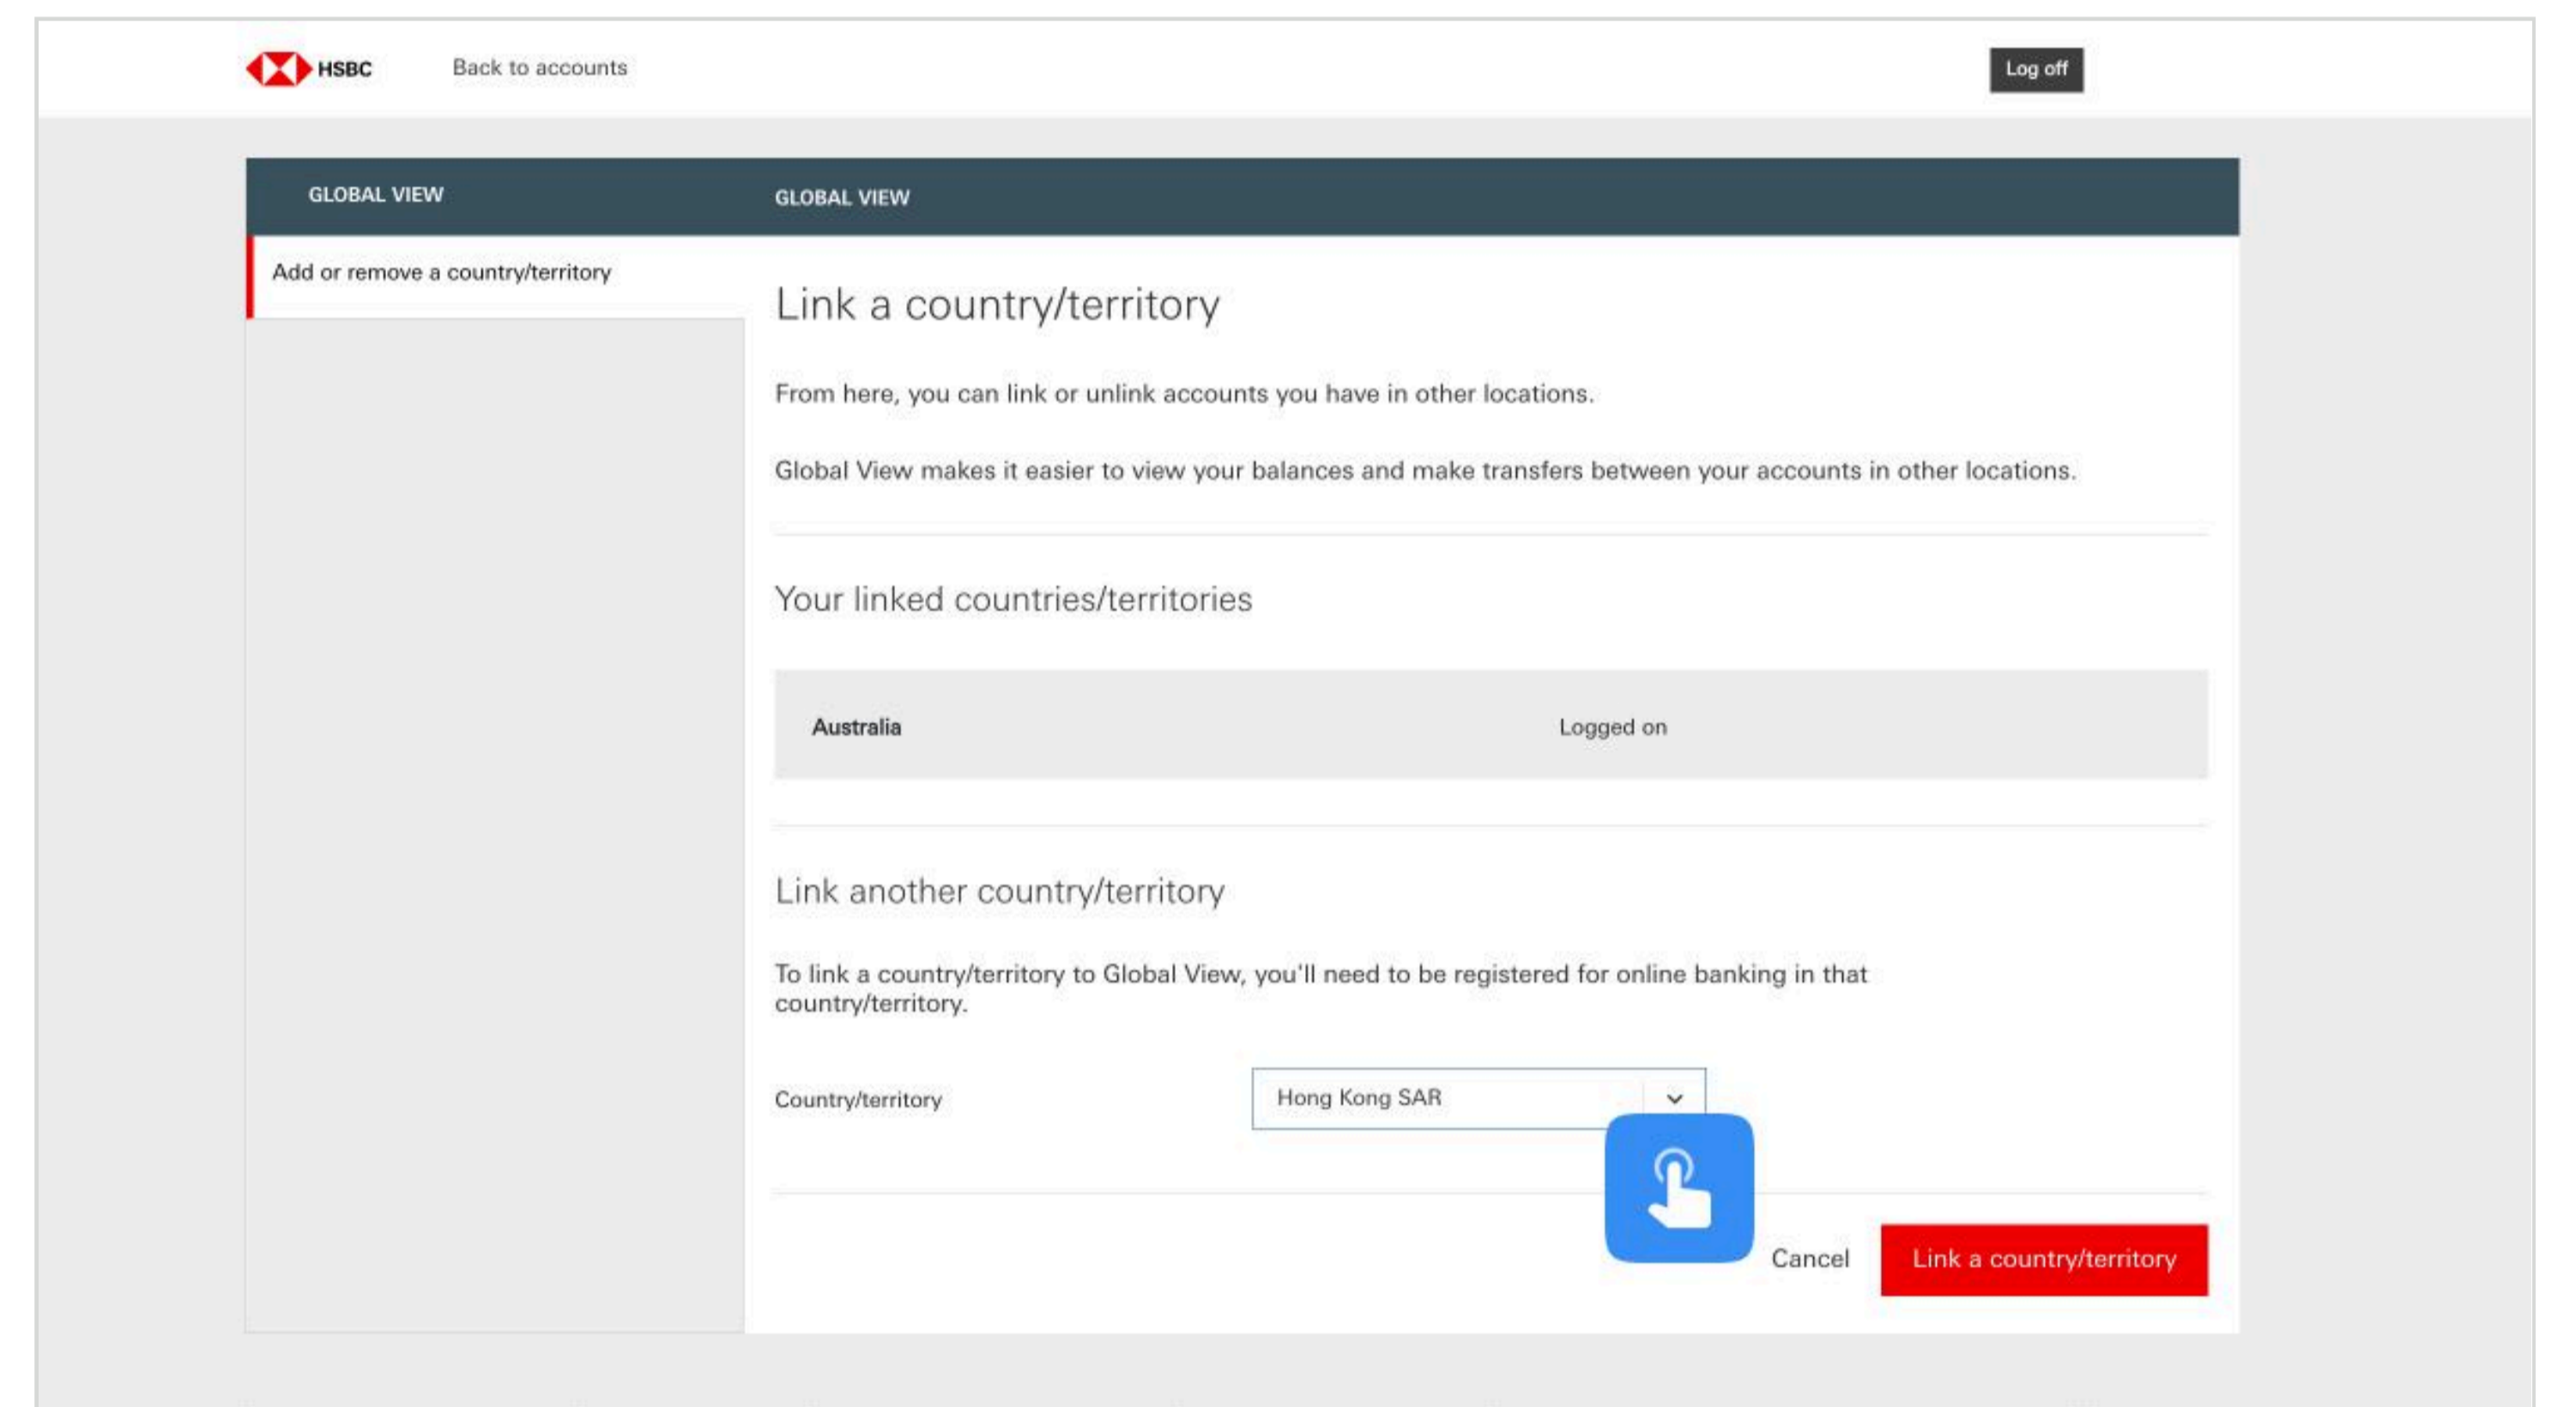

Global View allows HSBC Premier customers to manage their accounts wherever they are in the world.

To access Global View, you need to be registered for online banking in the countries or regions where you have an HSBC account.

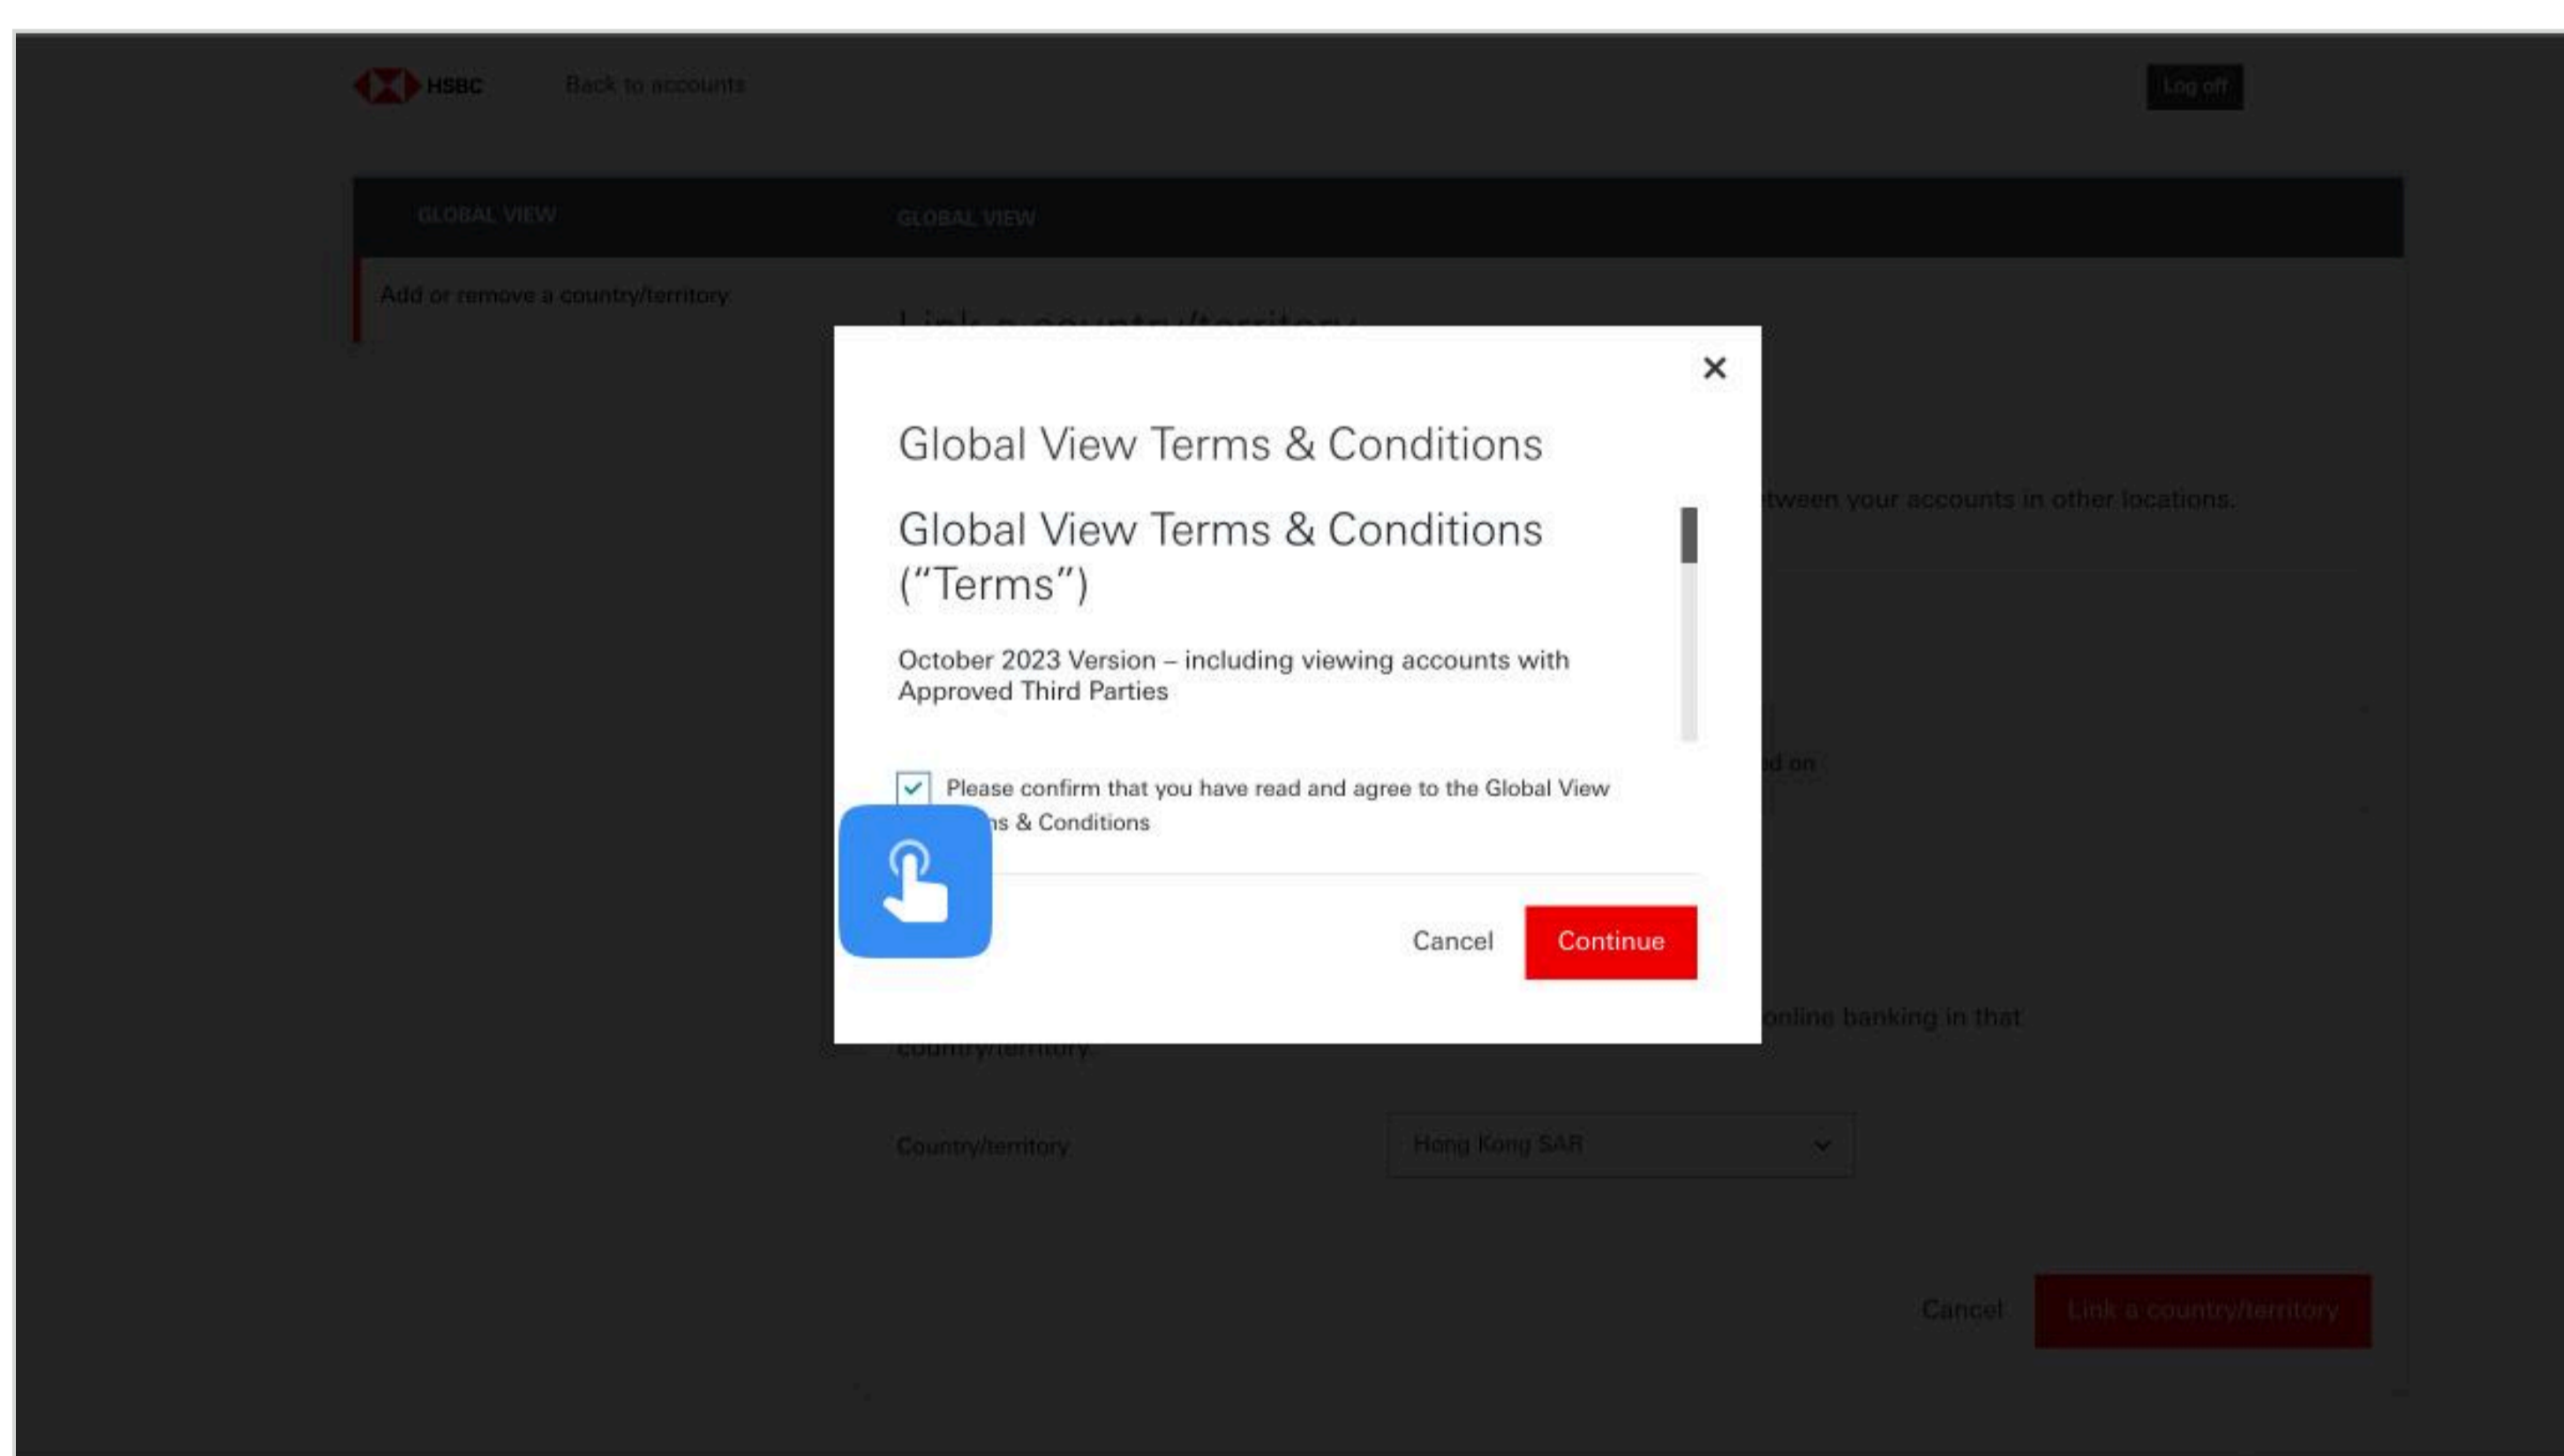

Step 1

Log on to Online Banking from your browser. Select 'My Banking', then 'Add or remove a country'.

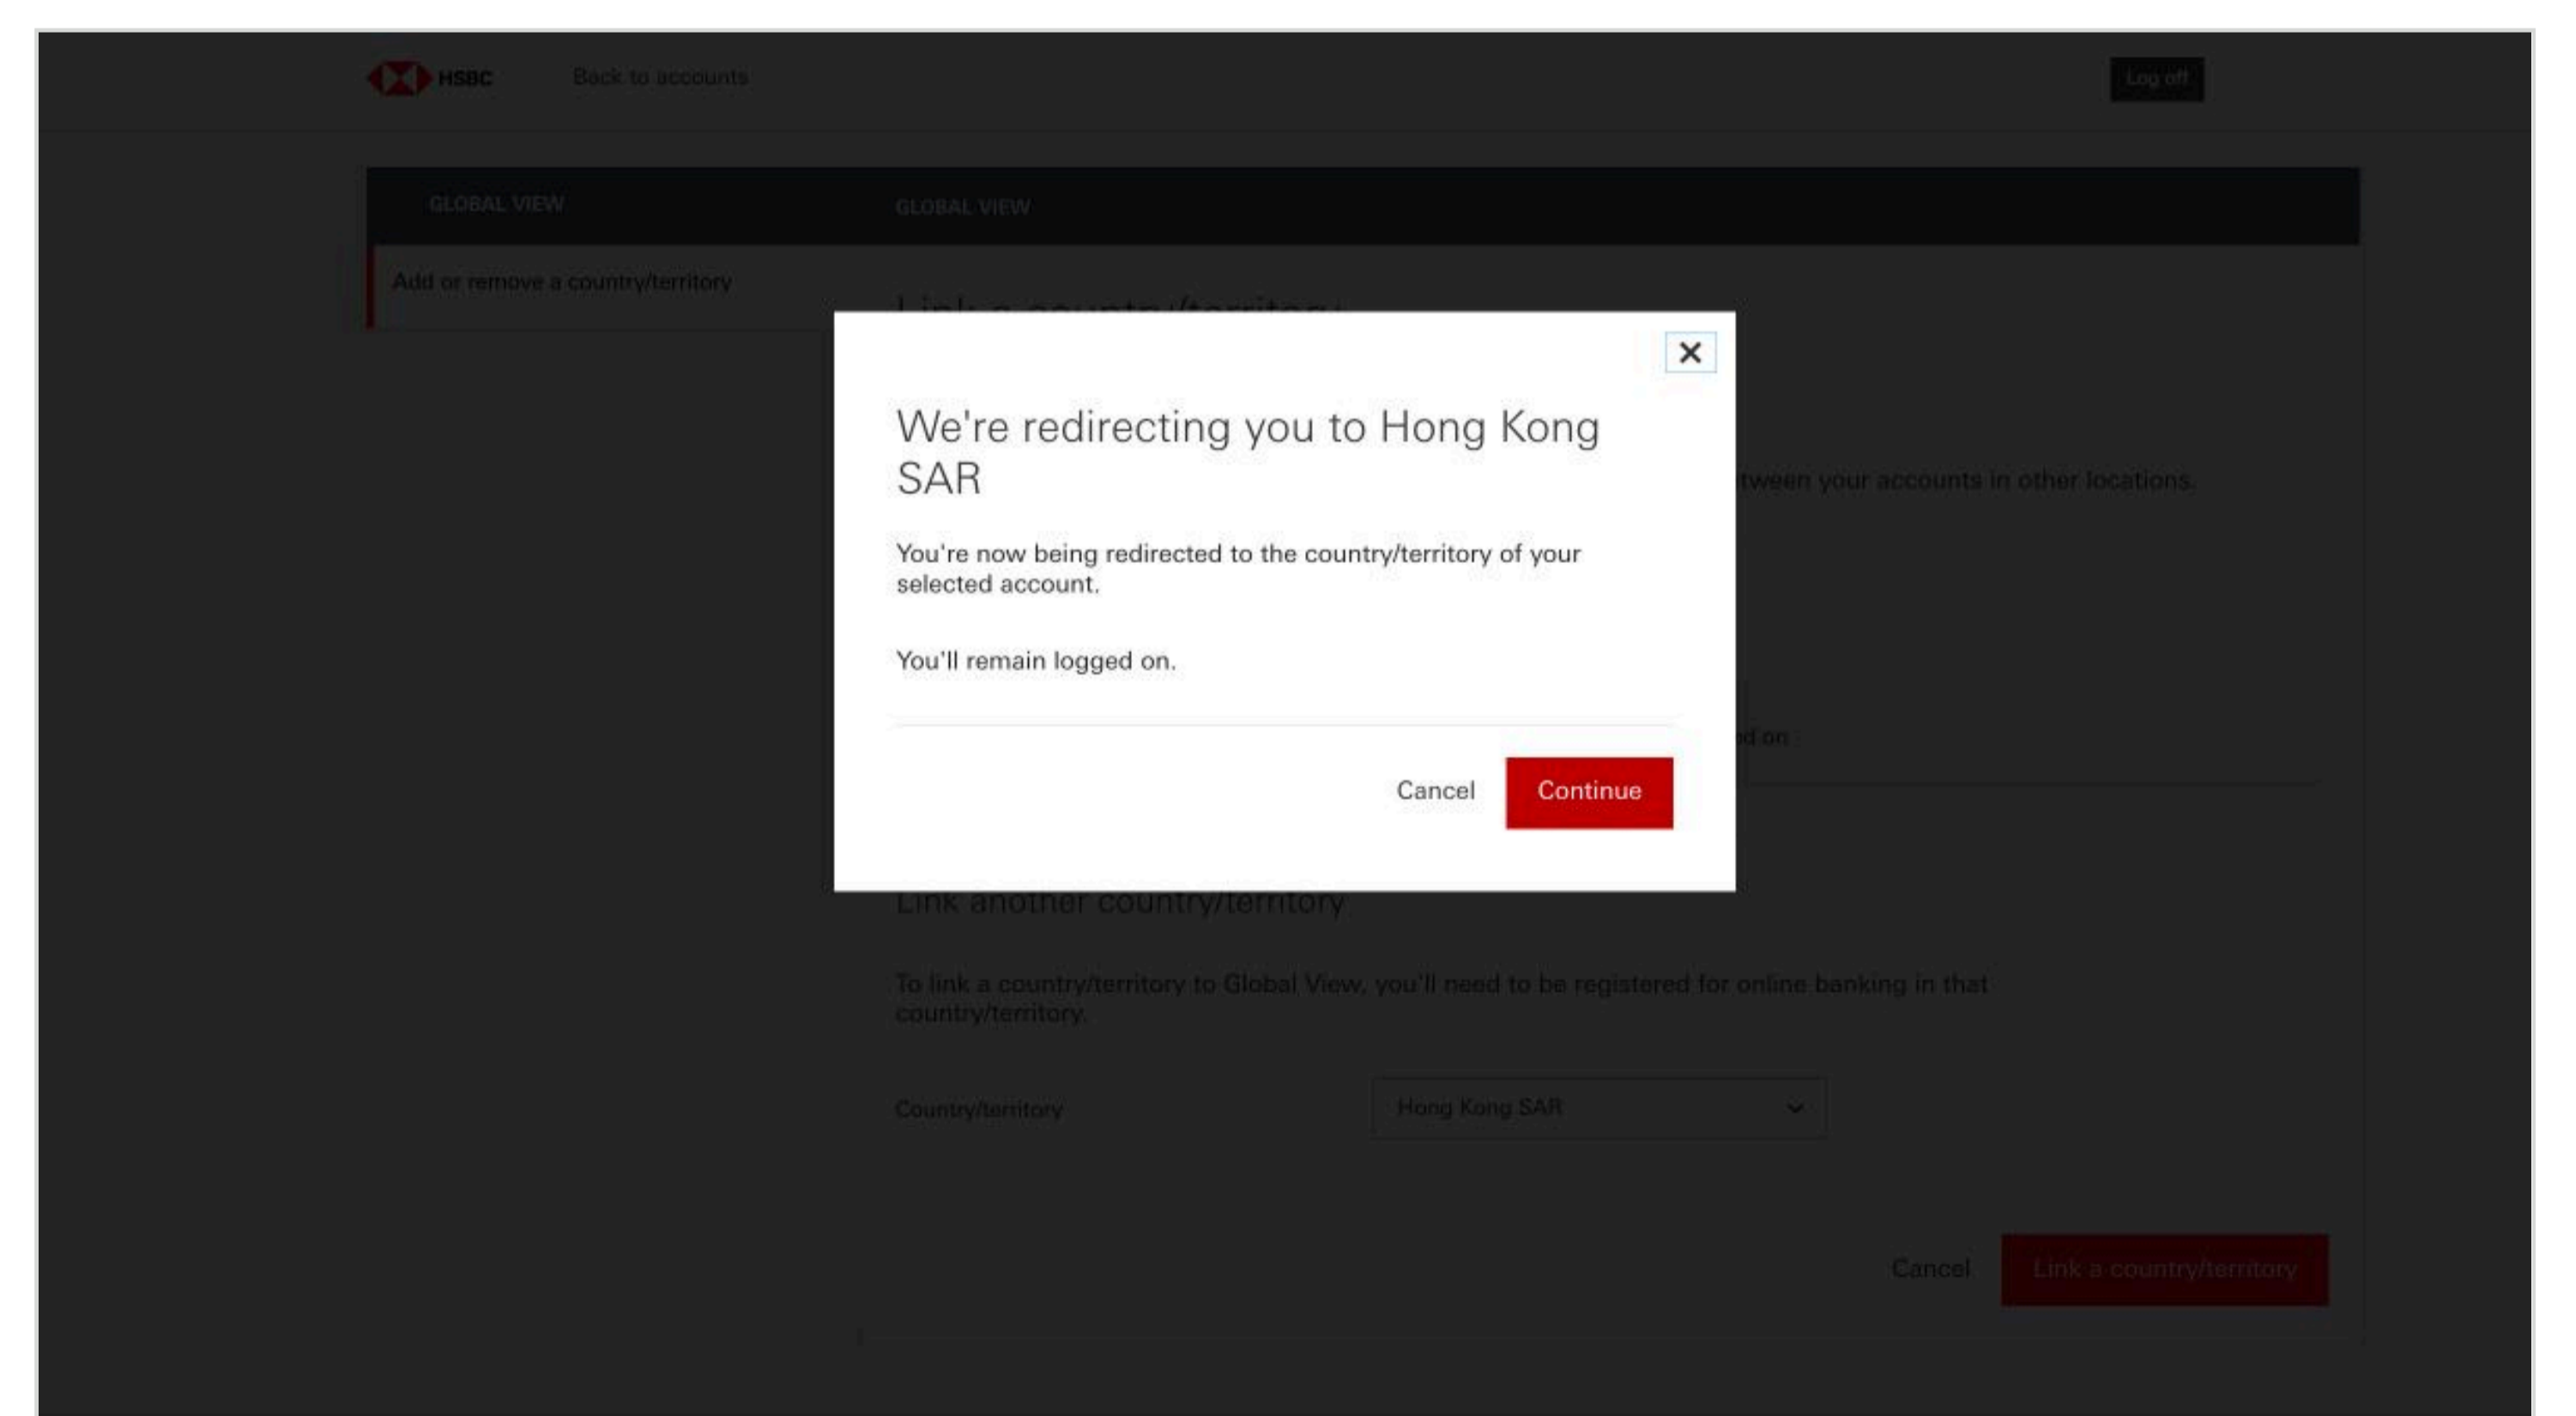

Step 2

Choose the country/territory that holds your other HSBC account(s) from the drop down box and select 'Link a country/territory'.

Step 3

Confirm you've read and agree to the Global View terms and conditions by checking the box. Then, select 'Continue'.

Step 4

Select 'Continue' to be redirected to the chosen country/territory's HSBC website.

Download the HSBC Australia app via the App Store or Google Play.

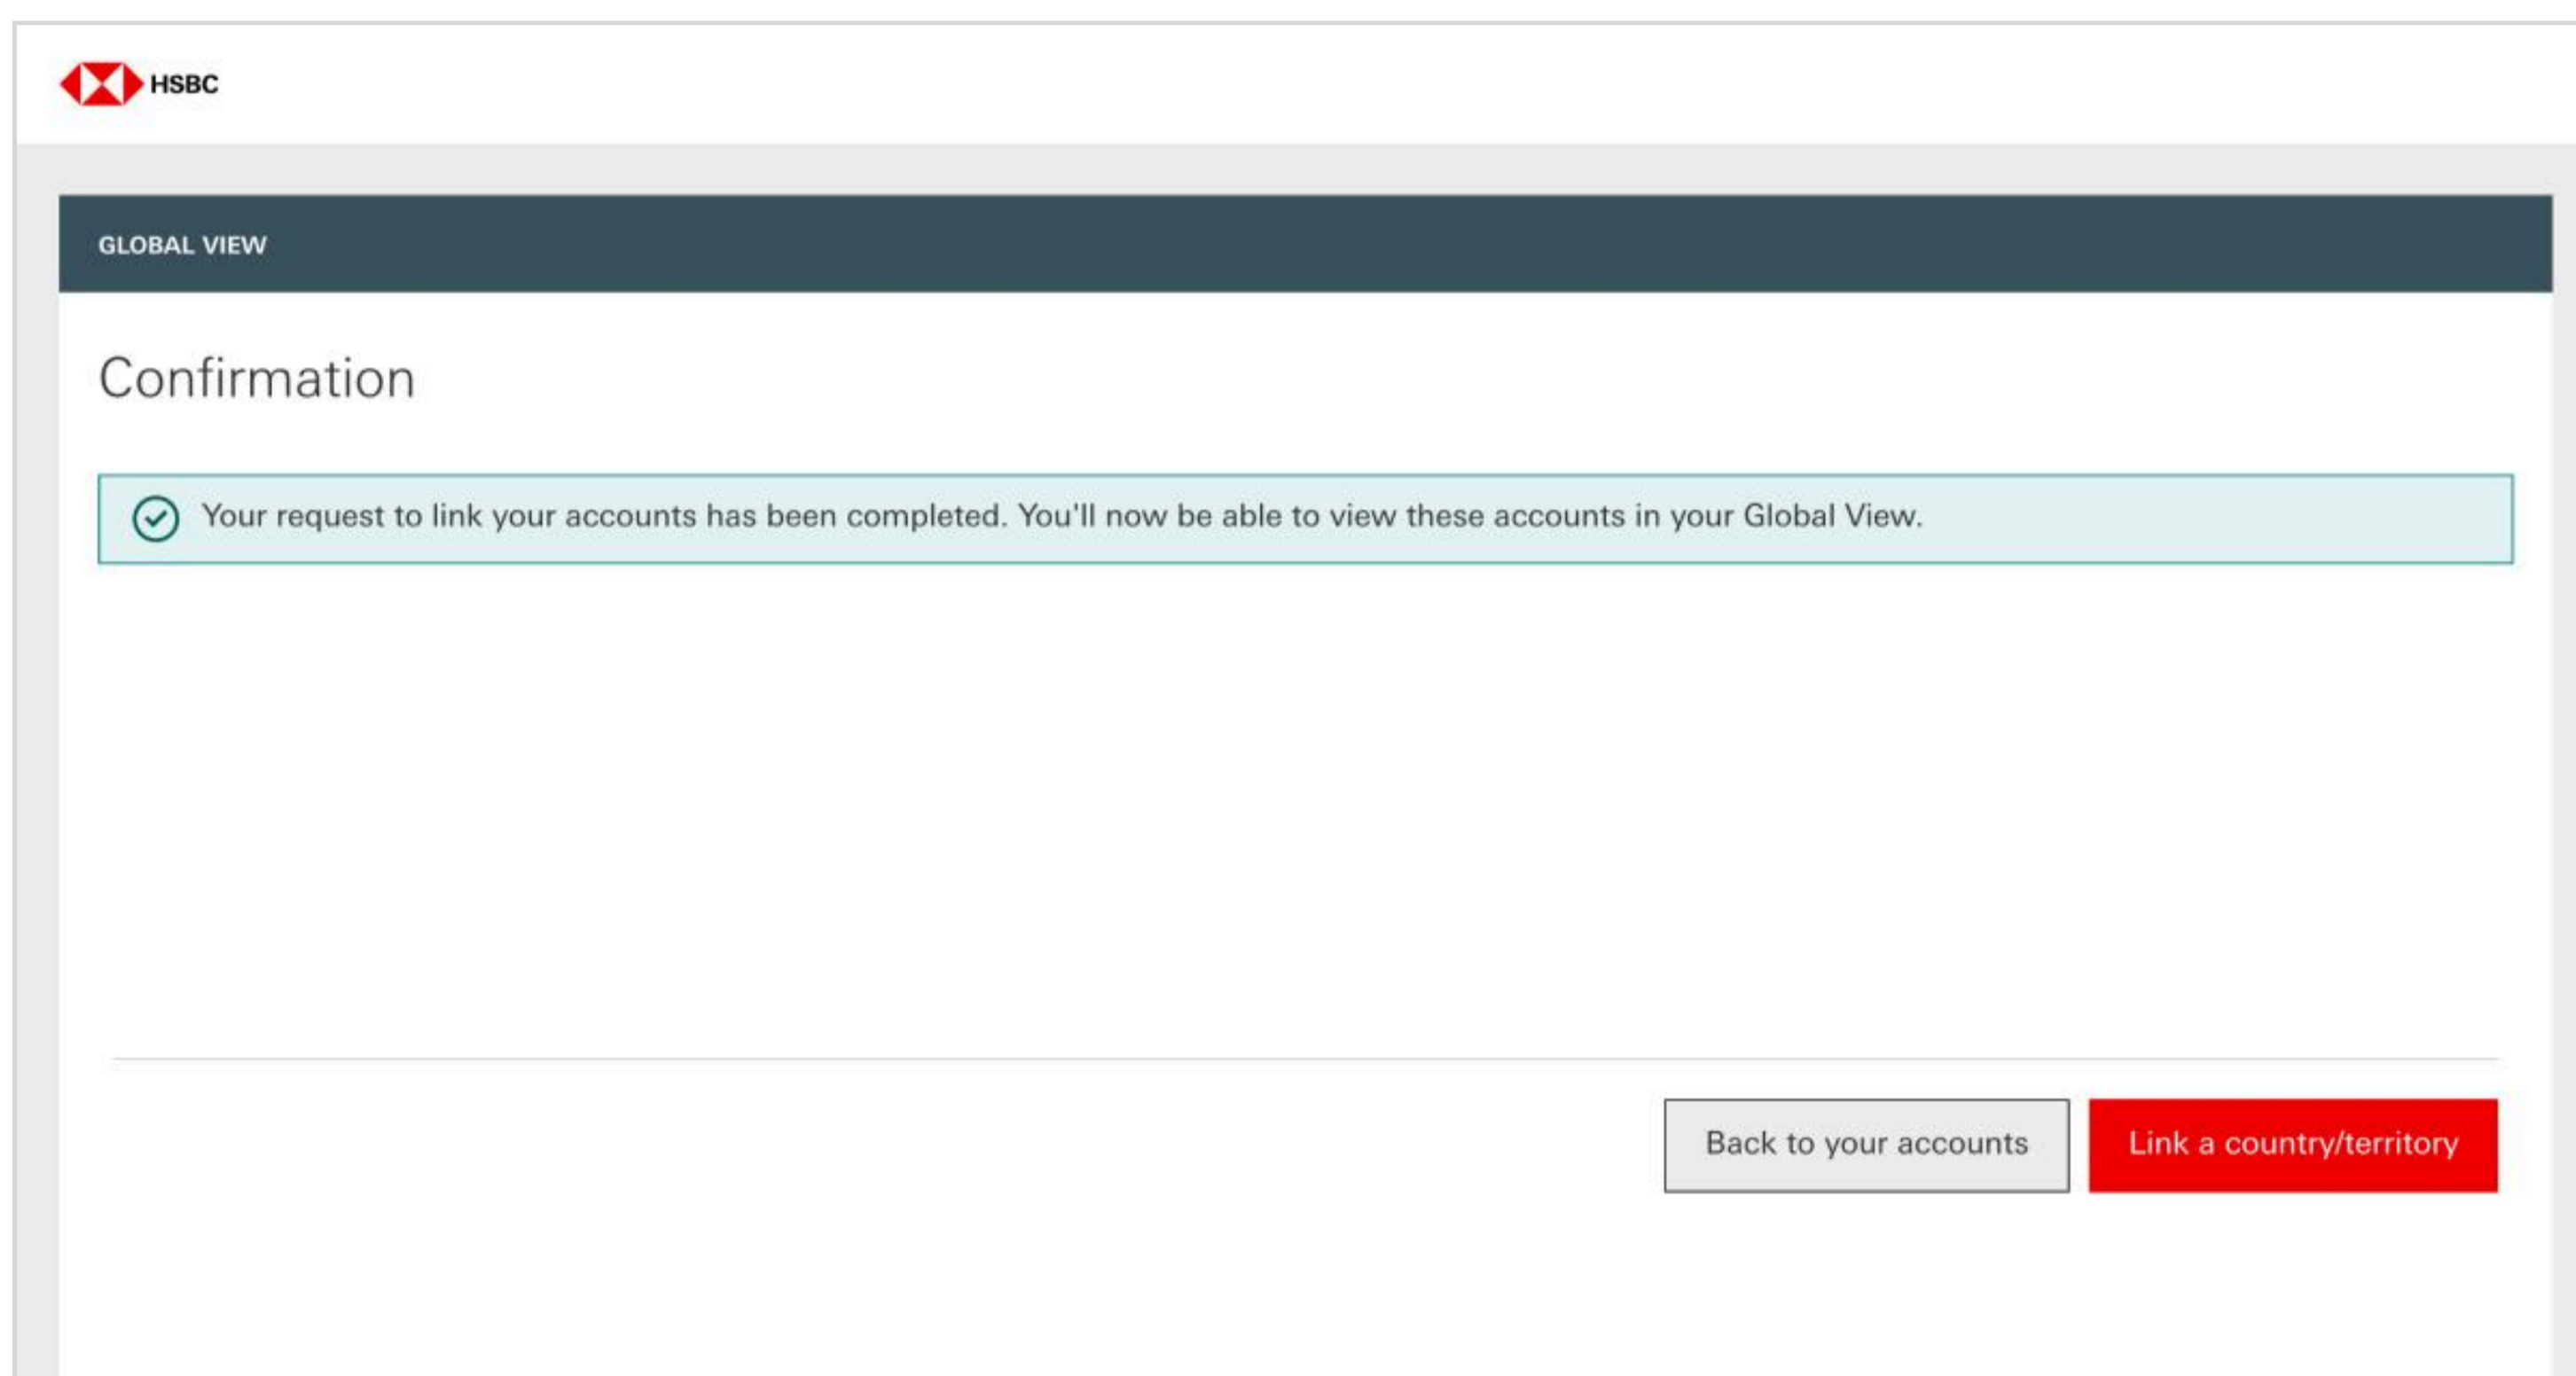

Step 5

Log on to your chosen country/territory's HSBC website. You'll need to use the Online Banking username and password you set up for that country/territory.

Step 6

Once again, confirm you've read and agree to the Global View terms and conditions by checking the box. Then, select 'Continue'.

Step 7

Success! Your accounts have been linked. You'll be able to view these accounts in the mobile app and Online Banking.

You can unlink or link another country/territory anytime using Online Banking.
